A furious, queer debut novel about embracing the monster within and unleashing its power against your oppressors. "A long, sustained scream to the various strains of anti-transgender legislation multiplying around the world like, well, a virus." —The New York Times *INSTANT NEW YORK TIMES BESTSELLER* Sixteen-year-old trans boy Benji is on the run from the cult that raised him—the fundamentalist sect that unleashed Armageddon and decimated the world's population. Desperately, he searches for a place where the cult can't get their hands on him, or more importantly, on the bioweapon they infected him with. But when cornered by monsters born from the destruction, Benji is rescued by a group of teens from the local Acheson LGBTQ+ Center, affectionately known as the ALC. The ALC's leader, Nick, is gorgeous, autistic, and a deadly shot, and he knows Benji's darkest secret: the cult's bioweapon is mutating him into a monster deadly enough to wipe humanity from the earth once and for all. Still, Nick offers Benji shelter among his ragtag group of queer teens, as long as Benji can control the monster and use its power to defend the ALC. Eager to belong, Benji accepts Nick's terms...until he discovers the ALC's mysterious leader has a hidden agenda, and more than a few secrets of his own. In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

*Not a Standalone. The third book in the Blinded Love Series. Stevie Colvin's rules are simple. Don't bother to learn anyone's names. (Why bother if they won't be around tomorrow?) Keep things light and fun. Be an equal opportunist to all sexes. And no one becomes long term. No relationships and none of those pesky things like feelings can enter. From the moment she met Christopher Singer, he seemed to get under her skin like no one else could and made her feel things she hadn't in a long time. Something she will not allow. Only one person has gotten past Stevie's layers. But even Jaymerson doesn't know the full truth about the darkness and demons which haunt Stevie's past...the ones she has pushed far down. She wants to ignore every detail of the devastating loss and horrifying night that almost took her life. When an incident brings Stevie and Chris back together in the same town, their past and present crash into a struggle of grief and horrendous tragedy. Stevie needs to decide: handle the pain and break every rule she has, which might shatter her for good or choose to protect herself and run from it all...*There is sexual content and some trigger-sensitive topics.

After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching,

romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she’s constructed begins to dissolve. Once upon a time, Elliot was Macy’s entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy’s decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love.

Boy meets girl. Boy falls for girl. Boy marries girl. And they both live happily ever after. Right? Not quite. I fell for the boy. So slowly I barely noticed, then all at once. I loved my best friend with my entire heart, letting him fill up the holes my family had dug. But boys don't fall for other boys. Just ask him. So my story turned into boy meets boy. Boy falls for boy. Boy gets rejected. Boy meets girl. Boy meets boy. Boy loses them over and over and over again. Pretty twisted, right? My life story was really just a screwed up love story. A search for the one person that understood the darkness inside me. The monster I'd become. But sometimes the holes are too deep and far too bloody, for anyone-boy or girl-to fill.
