**A Guide to the Teaching of English for the Cuban Context I** Editorial Pueblo y Educación  
 Conditional constructions have long fascinated linguists, grammarians and philosophers. In this pioneering new study, Barbara Dancygier and Eve Sweetser offer a new descriptive framework for the study of conditionality, broadening the range of richly described conditional constructions. They explore theoretical issues such as the mental-space-building processes underlying conditional thinking and the form-meaning relationship involved in expressing conditionality. Using a broad range of attested English conditional constructions, the book examines inter-constructural relationships. Within the framework of Mental Spaces Theory, shared parameters of meaning are shown to be relevant to conditional constructions generally, as well as related temporal and causal constructions. This significant contribution to the field will be welcomed by a wide range of researchers in theoretical and cognitive linguistics.

*Building an English-Speaking Society in Northeast China* Cambridge University Press

If a hungry little traveler shows up at your house, you might want to give him a cookie. If you give him a cookie, he's going to ask for a glass of milk. He'll want to look in a mirror to make sure he doesn't have a milk mustache, and then he'll ask for a pair of scissors to give himself a trim.... The consequences of giving a cookie to this energetic mouse run the young host ragged, but young readers will come away smiling at the antics that tumble like dominoes through the pages of this delightful picture book.

*Communicative Fluency Activities for Language Teaching* S. Chand Publishing

First of all other, I find No Grammar Tears very informative. What amazes me is the kind of dedication and patience Marthus-Adden spent in writing this book. This is because this kind of genre actually needs full attention. Truly, whatever he has written is precise and correct. I really admire his generosity of sharing his knowledge about English owing to the fact that English is his second language. What is good about the book is that the writer wrote it in a manner that readers can easily understand it. In other words, what makes this book different from the other English grammar books in the market is that it is more user-friendly, which means he wrote it in a manner that can easily be understood, especially by those who just learned English and want to learn more. Correctly put, this book is a guide to those who want to learn English on their own. As a matter of fact, he has a knowledge check in every subject he has discussed in this book. He catered everything, especially in the part on how to construct sentences, which are very precise and which make it very easy to learn the book. He did not change anything at all in terms of the right way to speak and learn English, but instead he made it easier and more convenient for those people whose English is not their first language. In point of fact, he wrote this book not because he wants to show off to the world that he is a good grammarian, but because he wants to help those struggling to learn English. The book therefore deserves recognition because he is actually giving a favour to those who can't afford to have a private tutor to teach them how to speak English correctly. I must, in conclusion, admit that this book will really help those people who want to learn English language; those people who are striving to speak perfect English; and those people that English is their second language. I will therefore commend the author for this book.

*Delivered in the Hall of Gray's Inn, on Thursday, the 4th of November, 1847* Tata McGraw-Hill Education

The Cambridge Advanced Learner's Dictionary gives the vital support which advanced students need, especially with the essential skills: reading, writing, listening and speaking. In the book: \* 170,000 words, phrases and examples \* New words: so your English stays up-to-date \* Colour

Smart Thesaurus helps you choose the right word \* QUICKfind looks up words for you while you are working or reading on screen \* UNIQUE! SUPERwrite gives on screen help with grammar, spelling and collocation when you are writing \* Hundreds of interactive exercises

**The New Cambridge English Course 4 Teacher's Book** S. Chand Publishing

This book offers a distinct approach to the analysis of the multiple meanings of English modals, conjunctions, conditionals and perception verbs. Although such ambiguities cannot easily be accounted for by feature-analyses of word meaning, Eve Sweetser's argument shows that they can be analysed both readily and systematically. Meaning relationships in general cannot be understood independently of human cognitive structure, including the metaphorical and cultural aspects of that structure. Sweetser shows that both lexical polysemy and pragmatic ambiguity are shaped by our metaphorical folk understanding of epistemic processes and of speech interaction. Similar regularities can be shown to structure the contrast between root, epistemic and 'speech-act' uses of modal verbs, multiple uses of conjunctions and conditionals, and certain processes of historical change observed in Indo-European languages. Since polysemy is typically the intermediate step in semantic change, the same regularities observable in polysemy can be extended to an analysis of semantic change. This book will attract students and researchers in linguistics, philosophy, the cognitive sciences, and all those interested in metaphor.

American English in Mind is an integrated, four-skills course for beginner to advanced teenage learners of American English. The American English in Mind Level 1 Teacher's Edition provides an overview of course pedagogy, teaching tips from Mario Rinvolucri, interleaved step-by-step lesson plans, audio scripts, Workbook answer keys, supplementary grammar practice exercises, communication activities, entry tests, and other useful resources.

[American English in Mind Level 1 Teacher's Edition](#) Penguin

In *The Future Conditional*, Eric S. Henry brings twelve-years of expertise and research to offer a nuanced discussion of the globalization of the English language and the widespread effects it has had on Shenyang, the capital and largest city of China's northeast Liaoning Province. Adopting an ethnographic and linguistic perspective, Henry considers the personal connotations that English, has for Chinese people, beyond its role in the education system. Through research on how English is spoken, taught, and studied in China, Henry considers what the language itself means to Chinese speakers. How and why, he asks, has English become so deeply fascinating in contemporary China, simultaneously existing as a source of desire and anxiety? The answer, he suggests, is that English-speaking Chinese consider themselves distinctly separate from those who do not speak the language, the result of a cultural assumption that speaking English makes a person modern. Seeing language as a study that goes beyond the classroom, *The Future Conditional* assesses the emerging viewpoint that, for many citizens, speaking English in China has become a cultural need—and, more immediately, a realization of one's future.

[One Hundred Lessons in English](#) Cambridge University Press

The focus on communication in TBLT often comes at the expense of form. In this book, the task-based approach is enhanced and coupled with insights into (cognitive) grammar, an approach which sees grammar as meaningful. The book shows how grammar teaching can be integrated into a communicative lesson in a non-explicit way, i.e., "by the backdoor". The learners are involved in situations that they may also encounter outside their classrooms and they are given communicative tasks they are to work on and solve, usually with a partner or in small groups. What teachers need to invest for preparing such lessons is their own creativity, as they have to come up with communicative situations which guide the learners into using a specific grammatical structure. The book first discusses the didactic and the linguistic theories involved and then translates these theoretical perspectives into actual teaching practice, focusing on the following grammatical phenomena: tense, aspect, modality, conditionals, passive voice, prepositions, phrasal verbs, verb complementation, pronouns and articles.

"Conditional sentences" express factual implications, or hypothetical situations and their consequences. There are two clauses in conditional sentences: Dependent clause: Expresses the condition Main clause: Expresses the consequence This Book Covers The Following Topics: What are "Conditional Sentences"? Present Real Conditional Sentences Present Unreal Conditional Sentences Past Real Conditional Sentences Past Unreal Conditional Sentences Future Real Conditional Sentences Future Unreal Conditional Sentences Continuous Forms of Conditional Sentences Mixed Conditional Sentences 'Were To' - Conditional Sentences 'Special Force' - Conditional Sentences 'Wish' - Conditional Sentences 'Miscellaneous' - Conditional Sentences Conditional Sentences: Exercise - 1 Conditional Sentences: Exercise - 2 Summary Sample This: Present Real Conditional Sentences The Present Real Conditional Is Used To Talk About What You Normally Do In Real-Life Situations. STRUCTURE [First Part - If / When + Subject + Present Verb..., Second Part - Simple Present] OR [First Part - Simple Present, Second Part - If / When + Subject + Present Verb...] Whether Use "If" OR "When"? "If" implies - things don't happen regularly. "When" implies - things happen regularly. If you eat too much fast food, it makes you overweight. Or [It makes you overweight if you eat too much fast food.] If you put salt on salad, they taste nicer. Or [They taste nicer if you put salt on salad.] When I have free time, I often sit in the library. [Regularly] Or [I often sit in the library when I have free time.] MORE EXAMPLES: [First Part - If / When + Subject + Present Verb..., Second Part - Simple Present] If I move to school, I never take my mobile. If you want to be a super-achiever, first recognize your own capabilities. If it melts, it raises the sea level. If something bad happens anywhere, it is natural to be sad. If you heat water, it boils. If the office closes early, we definitely go to the library. If you need help, call me. If I don't come on time, you are supposed to leave the office. If you feel sleepy, just go to bed. If that isn't absolute verification, I don't know what is. If the contractors fail to achieve the target within the specified period, they are liable to pay damages. If you don't get the first good, be content with the second good. [Note: Use of Imperative Sentence] If you are working for something with convictions, you are satisfied. If proper punishment is not awarded to the accused, the faith of the society is shaken in the legal system of the country. [Note: Use of passive voice - is + awarded, and is + shaken] If uranium is bombarded with a neutron, it absorbs some. If a Swedish govt. is interested in such a deal at all, Sweden can negotiate for itself a better deal. If a person is abused repeatedly then that person has the right to object and the right to argue also. If my statement has pained someone then I regret it. If they have done something wrong that doesn't mean I have also done something wrong. If the refugee cannot afford to pay, she may be refused access to the hospital or have her refugee card confiscated. [First Part - Simple Present, Second Part - If / When + Subject + Present Verb...] I have come to bother you if you don't mind. We don't even know if any person by that name exists. Their wages are cut if they do not report for duty on time. You learn a language better if you visit the country where it is spoken. Agency works under pressure if one goes by what the ex-Director says. I apologize if at all the article hurt anyone. Power companies can hike the tariffs if the cost of imported coal rises. Hang me if I am guilty. I meet him if I go there. Butter dissolves if you leave it in sun. Plants die if you don't water them. Milk goes off if you don't keep it in a cool place. Ask the officer if you have any problems. I don't mind if you sit in my cabin. Customers get upset if they are being overcharged. I have no problem if her name is disclosed. They promised to slash power rates if they are elected. Existing laws can be deterrent if a time-based trial is conducted. Do you mind if I turn on the radio for a while? A death row convict cannot be executed if he is not physically and mentally fit. A student may not be motivated to work hard if promotion is guaranteed. Many of the deaths can be avoided if bikers wear the helmet. I go by taxi when the bus is late.
