## **ELLIANA AVERY**

---

**Tales of the Hasidim** Glad Day  
Nearly decimated in the Holocaust and repressed in the Soviet Union, Hasidism has experienced an extraordinary revival. Hasidic communities, now settled primarily in North America and Israel, have reversed the losses they suffered and are growing exponentially. With powerful attachments to the past,

mysticism, community, tradition, and charismatic leadership, Hasidism seems the opposite of contemporary Western culture, yet it has thrived in the democratic countries and culture of the West. How? Who Will Lead Us? reveals the answers in the fascinating story of five contemporary Hasidic dynasties and their handling of the delicate issue of leadership and succession. Revolving around the central figure of the rebbe, the book explores two dynasties with too few successors, two with too many

successors, and one that believes their last rebbe continues to lead them even after his death. Samuel C. Heilman, recognized as a foremost expert on modern Jewish Orthodoxy, here provides outsiders with the essential guide to continuity in the Hasidic world.

Tales from a Jewish Grandmother

Schocken

Famous Zionist philosopher Martin Buber introduces the Western audience in his modern masterpiece. This book is a result of forty years of study, and Buber interprets the ideas and motives that underlie the great Jewish religious movement of Hasidism and its creator, Baal-Shem. Buber's interpretation of Hasidic stories and teachings influenced the revival of its practices in a new generation to turn to Hasidic teachings,

and his collection Hasidism continues to affect Jewish scholarship worldwide. With his lasting work in both Hasidism and Zionism, Buber imagined a renewal in the Jewish faith, and his philosophies and idealisms enrich the pages of this book, making it a must-read for any Jewish or religious scholar.

*Somewhere a Master* Harper Collins

Two volumes of the Jewish philosopher's classic work that collects and retells the marvelous legends of Hasidism. This new paperback edition brings together volumes one and two of Buber's classic work *Tales of the Hasidim*, with a new foreword by Chaim Potok. Martin Buber devoted forty years of his life to collecting and retelling the legends of Hasidim. "Nowhere in the last centuries," wrote Buber in *Hasidim and Modern*

Man, "has the soul-force of Judaism so manifested itself as in Hasidim... Without an iota being altered in the law, in the ritual, in the traditional life-norms, the long-accustomed arose in a fresh light and meaning." These tales—terse, vigorous, often cryptic—are the true texts of Hasidim. The hasidic masters, of whom these tales are told, are full-bodied personalities, yet their lives seem almost symbolic. Through them is expressed the intensity and holy joy whereby God becomes visible in everything.

Tales of the Hasidim John Wiley & Sons  
Over 150 tales from the Talmud, the Zohar, Jewish folktales, and Hasidic lore.  
Tales of the Hasidim Open Road Media  
The foremost living Jewish philosopher and interpreter of Hasidism here retells

the stories of the last of the great Jewish mystics, Rabbi Nachman of Bratzlav. The great-grandson of the founder of Hasidism was a unique spiritual figure who often communicated his mystical wisdom to his disciples in the form of symbolical fairy tales. The author prefaces these classic tales with an illuminating introduction to mysticism and its history, a biography of Rabbi Nachman and a critical evaluation of his stories. Also included are a selection of Rabbi Nachman's mystical sayings and an account of the Rabbi's remarkable journey to Palestine.

Tales of the Hasidim: The later masters  
Oxford University Press, USA  
The Tales of the Hasidic Masters Can Become a Companion for Your Own Spiritual Journey. ""The wisdom of the

Hasidim is earthy, realistic, rooted in the simplicity of the heart. It is alive with the awareness of the holiness of Creation and the boundlessness of God's mercy, and is utterly honest about the necessity of living such awareness in loving service to all beings. It is a wisdom that fuses the highest mystical initiations with the most down - home celebration of life and a rugged commitment to social and political justice in all its forms. In other words, it is a wisdom that is never, as my old prep school headmaster would put it, ""too divine to be of any earthly use."" - from the Foreword by Andrew Harvey Martin Buber, author of Tales of Hasidim, was the first to bring the Hasidic tales to life for modern readers in the middle of the twentieth century. His groundbreaking

work was the first time that most readers had ever encountered the lives and teachings of these profound and enigmatic spiritual masters from Eastern Europe. In Hasidic Tales: Annotated & Explained, Rabbi Rami Shapiro breathes new life into these classic stories of people who so marvelously combined the mystical and the ordinary. Each demonstrates the spiritual power of unabashed joy, offers lessons for leading a holy life, and reminds you that the Divine can be found in the everyday. Without an expert guide, the allegorical quality of Hasidic Tales can be perplexing. But Shapiro presents them as stories rather than parables, making them accessible and meaningful. Now you can experience the wisdom of Hasidism firsthand even if you have no

previous knowledge of Jewish spirituality. This SkyLight Illuminations edition offers insightful yet unobtrusive commentary that explains theological concepts, introduces major characters, offers clarifying references unfamiliar to most readers, and reveals how you can use the Hasidic tales to further your own spiritual awakening.

*Tales Of The Hasidim* [tr McGill-Queen's Press - MQUP

In this magnificently illustrated cultural history—the tie-in to the pbs and bbc series *The Story of the Jews*—simon schama details the story of the Jewish people, tracing their experience across three millennia, from their beginnings as an ancient tribal people to the opening of the new world in 1492. It is a story like no other: an epic of endurance in the face of destruction, of creativity in the face of oppression, joy amidst grief, the affirmation of life despite the steepest of odds. It spans the millennia and the continents—from India to Andalusia and from the bazaars of Cairo to the streets of Oxford. It takes you to unimagined places: to a Jewish kingdom in the

mountains of southern Arabia; a Syrian synagogue glowing with radiant wall paintings; the palm groves of the Jewish dead in the Roman catacombs. And its voices ring loud and clear, from the severities and ecstasies of the Bible writers to the love poems of wine bibbers in a garden in Muslim Spain. In *The Story of the Jews*, the Talmud burns in the streets of Paris, massed gibbets hang over the streets of medieval London, a Majorcan illuminator redraws the world; candles are lit, chants are sung, mules are packed, ships loaded with gems and spices founder at sea. And a great story unfolds. Not—as often imagined—of a culture apart, but of a Jewish world immersed in and imprinted by the peoples among whom they have dwelled, from the Egyptians to the

Greeks, from the Arabs to the Christians. Which makes the story of the Jews everyone's story, too.

Hasidic Anthology - Tales and Teachings of the Hasidim - the Parables, Folk-tales, Fables, Aphorisms, Epigrams, Sayings

University of California Press

Reveals the untold tale of shocking events and anomalous figures in the history of Hasidism

Jewish Tales of Mystic Joy AuthorHouse

Story-telling has been an integral part of the hasidic movement from its inception. Stories about the hasidic leaders and their mystical powers attracted followers and maintained their devotion, and still do so today. This important work, based on analysis of all the published

anthologies of such stories, presents them by theme and traces their origins. Originally published in Hebrew and expanded for this edition, it makes a fascinating contribution to the history of hasidism, of Hebrew literature, and of Jewish popular culture.

Gabriel's Palace SkyLight Paths Publishing

"Hasidic tales are often read as charming, timeless expressions of Jewish spirituality. The best-known versions of these stories, however, have been rewritten for audiences outside traditional Judaism and few works have explored Hasidic tales as they were created by Hasidic Jews." "In *Imagining Holiness* Justin Lewis offers a radical reappraisal of how we think of Hasidic tales, calling into question received

notions of authenticity. He focuses his study on the neglected Hasidic literature of the early twentieth century - primarily the work of Israel Berger and Abraham Hayim Michelson - and the literary and historical dynamics of its emergence, posing questions about its place in Hasidic society, the attitude of the Hasidim towards this literature, and orality in Hasidic tradition as manifested in these Hasidic books. Berger and Michelson wrote in the decade before the First World War, a time of loss and decline for Hasidism. Their books resisted modernity and positioned Hasidism as authentic Judaism but also reflected modern literary trends, expressed tensions within Hasidism itself, and depicted struggles between the soul and body." "Imagining Holiness

will help readers understand the inner motivations of this religious culture at an important moment in its history." --Book Jacket.

*Who Will Lead Us?* Jossey-Bass

The compassion of Reb Moshe-Leib, the vision of the Seer of Lublin, the wisdom of Reb Pinhas, the warmth of the Ba'al Shem Tov, the humor of Reb Naphtali—to their followers these sages appeared as kings, judges, and prophets. They communicated joy and wonder and fervor to the men and women who came to them in the depths of despair. They brought love and compassion to the persecuted Jews of Russia, Ukraine, Poland, and Lithuania. For Jews who felt abandoned and forsaken by God, these Hasidic masters incarnated an irresistible call to help and salvation. The

Rebbe combats sorrow with exuberance. He defeats resignation by exalting belief. He creates happiness so as not to yield to the sadness around him. He tells stories to escape the temptations of irreducible silence. It is Elie Wiesel's unique gift to make the lives and tales of these great teachers as compelling now as they were in a different time and place. In the tradition of Hasidism itself, he leaves others to struggle with questions of justice, mercy, and vengeance, providing us instead with eternal truths and unshakable faith.

The Hasidic Anthology Schocken

Scattered throughout many kabbalistic and hasidic texts are numerous teaching stories with reincarnation as their central theme. Now, for the first time, you can read 70 of these fascinating tales in a

single volume, collected and retold by master storyteller, Yonassan Gershom. The author begins with an over-view of basic themes about the afterlife, such as the judgement of souls before the Heavenly Court, the mystical significance of the Covenant at Sinai, the process of tikkun olam (repairing the universe), and some reasons why human beings return to earth in new bodies. He then takes you on an exciting journey through many centuries of Jewish tales, where you will meet dozens of saints and sinners, animals and humans, angels and mortals-all attempting to work out their past-life karma through applying the teachings of the Torah in earthly life. In order to make the classical stories understandable to the modern reader, each tale has been ex-panded to include

clear explanations of cultural and religious details. So skillfully does Gershom weave this material into the narrative itself, that the reader scarcely notices how a gentle form of education is taking place. By the time you have finished the book, you will not only have been entertained, but will have completed an excellent introduction to Jewish spirituality as well. Both classical and contemporary tales are included here, from sources as widely varied as kabbalistic texts, folklore anthologies, and discussions on the Internet. Of special interest are several new tales collected by the author himself, which have never before appeared in print. *The Hasidic Anthology Schocken* What child would not be delighted by the story of bewildering matzoballs,

miraculous latkes, unusual guests to a Bar Mitzvah, and a dog with a mysterious and exciting history? These are the contents of Cynthia Goren's "Tales from a Jewish Grandmother." In this collection, two stories for the very young and two for the older child subtly but convincingly stress the importance of respect and patience both for each other and for all of nature. The whimsy of the earlier stories will bring giggles to the younger set; the more serious and nuanced later stories will provide the thought and substance needed by an older child. Sprinkled with love and faith, heritage, and peoplehood, this anthology illustrates, above all, the Jewish child's thirst for the beautiful traditions of Judaism. "This delightful anthology of stories, suitable for children of varying

ages, will open a child's eyes, heart, and mind to his or her connection to the dynamic and thriving culture of the Jewish people." -Danny A. Brass, DVM Book Reviewer for the National Speleological Society and Choice Magazine

Hasidism UPNE

Jewish Tales of Mystic Joy reveals the happiness that awaits us if we strive for real spirituality. The stories are about pious rabbis and humble tailors, about dancing, singing, laughing, and crying, but their common denominator is always joyous ecstasy. Drawing us into a world of devotion, the tales allow us to taste the bliss that comes from a life lived from the very center of one's self. Each story comes alive in joy and produces a "holy shiver" that speaks to the soul.

*Wrapped in a Holy Flame*

Derived by the author from interviews and oral histories, these eighty-nine original Hasidic tales about the Holocaust provide unprecedented witness, in a traditional idiom, to the victims' inner experience of "unspeakable" suffering. This volume constitutes the first collection of original Hasidic tales to be published in a century. "An important work of scholarship and a sudden clear window onto the heretofore sealed world of the Hasidic reaction to the Holocaust. Its true stories and fanciful miracle tales are a profound and often poignant insight into the souls of those who suffered terribly at the hands of the Nazis and who managed somehow to use that very suffering as the raw material for their

renewed lives." -- Chaim Potok "A beautiful collection." -- Saul Bellow "Yaffa Eliach provides us with stories that are wonderful and terrible -- true myths. We learn how people, when suffering dying, and surviving can call forth their humanity with starkness and clarity. She employs her scholarly gifts only to connect the tellers of the tales, who bear witness, to the reader who is stunned and enriched." -- Robert J. Lifton "In the extensive literature on the Holocaust, this is a unique book. Through it we can attain a glimpse of the victims' inner life and spiritual resources. Yaffa Eliach has done a superb job." -- Jehuda Reinharz

**Tales of the Hasidim**

In *Wise Men and Their Tales*, a master teacher gives us his fascinating insights into the lives of a wide range of biblical

figures, Talmudic scholars, and Hasidic rabbis. The matriarch Sarah, fiercely guarding her son, Isaac, against the negative influence of his half-brother Ishmael; Samson, the solitary hero and protector of his people, whose singular weakness brought about his tragic end; Isaiah, caught in the middle of the struggle between God and man, his messages of anger and sorrow counterbalanced by his timeless, eloquent vision of a world at peace; the saintly Rabbi Yehoshua ben Levi, who by virtue of a lifetime of good deeds was permitted to enter heaven while still alive and who tried to ensure a similar fate for all humanity by stealing the sword of the Angel of Death. Elie Wiesel tells the stories of these and other men and women who have been sent by God

to help us find the godliness within our own lives. And what interests him most about these people is their humanity, in all its glorious complexity. They get angry—at God for demanding so much, and at people, for doing so little. They make mistakes. They get frustrated. But through it all one constant remains—their love for the people they have been charged to teach and their devotion to the Supreme Being who has sent them. In these tales of battles won and lost, of exile and redemption, of despair and renewal, we learn not only by listening to what they have come to tell us, but by watching as they live lives that are both grounded in earthly reality and that soar upward to the heavens.
