[HEBREW in 10 Minutes a Day®](#) InterVarsity Press God's Word Leads Us to God's Heart Hebrew Word Study: Revealing the Heart of God is a devotional book unlike any you've ever read. Most Hebrew word study books read

like a dictionary, not really explaining the Hebrew words in light of specific Bible passages. Hebrew Word Study by Chaim Bentorah combines an in-depth look at the meanings of a variety of scriptural words and phrases in the original Hebrew with a down-to-earth application for our daily Christian experience. Guided by Chaim's expertise in biblical languages,

you will examine not just word definitions, but also the origins of words, their place in the culture and idioms of the day, and even their emotional context. With the author's anecdotes and stories from the Bible and ancient Jewish literature, the meanings of these words and passages become even more vivid. Each of the ninety word studies in this book will encourage and strengthen

you in your relationship with God. As you search the depths of God's Word, you will see just how beautiful the Scriptures are, and most of all, you will see the beauty of God Himself and come to love Him all the more. House Modern Hebrew for Beginners—which is now revised and updated—and Modern Hebrew for Intermediate Students are the core of a multimedia program for the college-level Hebrew classroom developed at the University of Texas at Austin in the early 2000s. Within an intensive framework of instruction that assumes six weekly hours in the classroom, the program provides for two semesters of instruction, at the end of which most successful students will reach the intermediate-mid or intermediate-high levels of proficiency in speaking and reading, and some will reach advanced-low proficiency, as defined by the American Council on the Teaching of Foreign Languages (ACTFL). In addition to a variety of written exercises, the workbook includes vocabulary lists, reading selections, discussions of cultural topics, illustrations of grammar points, notes on registers, suggestions for class and individual activities, and glossaries. The workbook is complemented by a website (<http://www.laits.utexas.edu/hebrew>) that provides short video segments originally scripted and filmed in Israel and the United States, vocabulary flashcards with sound, interactive

exercises on topics included in the workbook, sound files parallel to the reading selections in the workbook, and additional materials that enhance the learning experience. The stability of the workbook, combined with the dynamic nature of the website and the internet searches the students are directed to conduct, allows language instructors to reshape the curriculum and adapt it to the needs of

their students and the goals of their programs.

There is an old proverb, "Give a man a fish and you feed him for a day; teach a man to fish, and you feed him for a lifetime." This comes from an even older proverb; "It is more worthwhile to teach someone to do something than to do it

for him." My books have been feeding Christians for a day, that is, I have been doing Hebrew word studies every day for that I send out via e-mail and post online. Now I can now teach you to fish, to do your own word studies, so you will be fed for a lifetime. The Learning God's Love Language Workbook is the companion to my larger work, Learning God's Love Language. This book was previously

published under the title Beyond the Hebrew Lexicon. This edition has been completely updated and edited to correct typographical errors and make the text more accurate and understandable. The new typeset in this edition helps the Hebrew alphabet stand out and makes the characters easily recognizable. Learning God's Love Language Workbook will bring you to

Pronunciation symbols (Nekudot) are not usually present in Modern Hebrew texts. They are mostly printed in Biblical scriptures. Therefore, in Hebrew, it's crucial to remember the

correct pronunciation of each word. Some coursebooks include these pronunciation symbols to facilitate learning, however, this causes confusion in real life for foreign students. To prevent such confusion and prepare the students to reading and writing Hebrew without a hassle, in this book all Hebrew words are given without the Nekudot, except for those that

require the use of these symbols for grammatical reasons. To provide students with a more convenient and practical approach, in this book all Hebrew words are transliterated. The English transliteration shows the correct pronunciation of each word.
