Tim wanted to kneel

before his beautiful boss
Ava more than anything.
But the reality might be
more than he can handle.
What begins as a fantasy
soon becomes a journey
into real domination and

submission that will change both Tim and Ava forever. From the Book I felt so small and embarrassed. "Staring at me is one thing. It would be well within protocol to write you up for that alone. However, these websites are a violation of company Internet policy and subject to immediate termination... at my discretion." My mouth dropped open and I struggled to say something. I needed this job. Ava grabbed the papers from my hands and leaned on the edge of

her desk. She crossed her ankles and started thumbing through the log of websites. "What is 'femdom' Tim?" "Oh... Ava, are you sure you want me to..." "Let's hear it, Tim. I want to know what's so important that you would risk your job." "Well... it means female domination." "And that is..." "Ava..." "No, I want to know." "It's when someone is submissive to a dominant woman. It's a type of relationship where the woman is completely in charge." "Keep going..." "It often involves

humiliation, corporal punishment, chastity, or service," just talking about this was both excruciatingly embarrassing and, unfortunately, exciting to me. "Really, whatever the woman wants." She clicked her tongue, "What you do on your own time is your business Tim, but surely you don't think it's appropriate to look at sites like that at work?" "No... no, no, no... I shouldn't have ever done that. I'm so embarrassed. If you'll forgive me I promise to never do that

again," I looked up at her, but she was still looking at the pages. Ava sat the pages down on her desk and leaned forward, she was inches from my face. I could smell her perfume this close, and it was intoxicating. "You're going to have to do better than that." She emphasized every word of this next sentence, "I want to hear you beg for your job." Reviews A realistic FemDom FLR (Female Led Relationship) - written with exquisite detail. "There are conversations that could've been taken

from real life - even my life! (I am a Dominatrix.) ...the situations, conversations and interactions are so believable that the writers' experiences and interactions with Dommies and subs is apparent. Well written, accurate and a definite page-turner! I'd highly recommend reading "Dominatrix Boss: A BDSM Femdom Tale" to my Domme peers, to submissive males...and those exploring the wonderful BDSM community (including couples.)" Mistress DJ The

Boss of my dreams "Asher Lake's first book about BDSM clearly shows his love for beautiful dominant ladies, a kinky mind and the talent of an excellent writer. Once I started reading it was impossible to stop." Peter Degen Inspiring Content... Superior dominance unfolds, a definite must read! "I appreciate how Asher Lake (Author) details intriguing obstacles with many anxious chapters keeping me on edge wanting to know more. On a more personal note, I even had

moments of arousal which felt perfect and I felt I could relate to the story. Provided, I have previous BDSM experience. This story brought out some special memories of my own past experiences. It was exciting!" Cris Categories and Content "Dominatrix Boss" is intended for mature audiences only. This is a steamy kinky romance with dark themes. It contains scenes of spanking, grinding humiliation, strict discipline, chastity, foot worship, and much more.

Well where do you start, I mean I never started out with evil intentions in mind, though I have to admit that was exactly where I ended up. My name is Sally and I am a Dominant Wife, I know a few people would consider me an abusive wife, and I am fine with that except the only difference is that my husband actually enjoys me abusing him. It wasn't always like that,

when I married Bob we were the typical married couple, we went on vacations together and built our nest egg together and all that normal stuff. We were married for about ten years before things started to change, and I never once thought that I would be in the position I am in today. Let us just say that I wear the pants in the family now

Pansy lives with his Auntie. Pansy's Auntie is a

mature full-figured lady, what they call a BBW nowadays. He was supposed to be staying with her while he went to college, but that didn't work out. The college bit, I mean; he still stays with Auntie. Life has not panned out quite the way this nineteen-year-old youth had imagined when younger — he didn't imagine he would ever answer to 'Pansy', for a start! Auntie now has full control over the lad, and has successfully transformed him into a submissive, obedient,

uniformed sissy-maid. He is at her beck and call round the clock. And it does not look as though that will change any time soon. Poor Pansy!

Dark Tourism is the practice of visiting sites associated with death. While participation increases, dark tourism remains a mystery, regarded as the tourist industry's dirty little secret. This book challenges the misconceptions of a ghoulish practice through

the eyes of a self-confessed dark tourist, who has spent forty years visiting the world's dark sites. From the cobbled streets of Whitechapel on a Jack The Ripper walking tour to the snowy suicide forest of Aokigahara, Japan, H. E. Sawyer ticks off the darkest sites on earth. He visits locations that have promoted themselves to become major tourist attractions, contrasting with those dark places that seek to remain hidden from view. In the course of his travels he wrestles with the

ultimate question regarding dark tourism; why would anyone want to visit sites touched by death in the first place? *Donna Has Left the Building* Cindel Sabante Three tales of ruthless female domination in which males are subjugated and sissified! Enslaved and Sissified **Forced Sissy Maid** Siren-BookStrand Another collection of short stories, this time focusing on sissy cuckolds and their frustration, humiliation and suffering at the hands of their sadistic mistresses. Excerpt from Chapter 3 - I've become a sissy cuckold: As the weeks went by and she was not being made love to, my wife started thinking more and more about real men - men who don't wear diapers and sleep in baby's cribs. She is very

forthright and honest with me and she confessed that the idea of sleeping with another man while I'm locked up and deprived was very exciting to her. We both agreed that it was only reasonable that she should be free to pursue her satisfaction outside of our marriage. Excerpt from Chapter 9 - *Cum-Stained Sock*: Often, when I have a man over for the night, I make my husband sleep in the guest bedroom next door to our bedroom. I make sure the sex is intense with lots of bed

squeaking, headboard-pounding-against-the-wall, moaning and screaming.

What if your husband no longer satisfied your needs in the bedroom, you could get rid of him or you could make him into a little sissy, this way you could keep him around for the household chores such as cleaning and laundry as you slowly took his manhood away from him and turned him into something far more less than a man. This would free you up to enjoy the attentions of more worthy manly specimens knowing

that the house would be clean when you got home. You could dress him up so pretty and embarrass him in front of your friends and use him in ways that you probably had never thought of before. Well that is exactly what I did and here is his story.....

Lulu Press, Inc

The day that I found out my husband liked wearing female underwear was a changing point in our marriage. I still loved him very much he was a good provider for the household, but things were going to have to

change as part of the acceptance of this new bit of information. I called him out on it when he got home from work that day and he got down on his knees and begged me to understand that it was just something that had always been part of who he was. I made him beg until the tears were streaming down his face, and then he said the magic words that any good dominating wife loves to hear. "Honey I will do anything"

'I edged forward, his hand shot out to grab my wrist again, which he then used to pull me into him. "Please, don't," I whimpered, trying to keep my voice soft and feminine in spite of my panic. (Reviewed in the United States on April 16, 2021) Excepting works by the revered Ann Michelle, this is the best forced feminization novel I've ever read (and I've read--or tried to read--most). The plot is standard but smoothly executed. No corners are cut; every step of of Joe's ushered transition to Josie is lovingly described and

his crossdressing dilemmas are both pathetic and delectable...
