MOONEY DILLON

Confessions of a Teenage Leper e-artnow
Following the publication of Adam Smith's
The Wealth of Nations, nineteenth-century
liberal economic thinkers insisted that a
globally hegemonic Britain would profit
only by abandoning the formal empire.
British West Indians across the divides of
race and class understood that, far from
signaling an invitation to nationalist
independence, this liberal economic
discourse inaugurated a policy of imperial
"neglect"—a way of ignoring the ties that

obligated Britain to sustain the worlds of
the empire's distant fellow subjects. In
Empire of Neglect Christopher Taylor
examines this neglect's cultural and
literary ramifications, tracing how
nineteenth-century British West Indians
reoriented their affective, cultural, and
political worlds toward the Americas as a
response to the liberalization of the British
Empire. Analyzing a wide array of sources,
from plantation correspondence, political
economy treatises, and novels to
newspapers, socialist programs, and
memoirs, Taylor shows how the Americas
came to serve as a real and figurative site
at which abandoned West Indians sought

to imagine and invent postliberal forms of
political subjecthood.

Liberalism iUniverse

This edition includes "Thirty-One Years on
the Plains and in the Mountains" and
"Chief of Scouts", two autobiographical
sketches of Captain William F. Drannan,
Scouts Chief in which he describes his

days in the Far West. The author has narrated in his own plain, blunt way, the incidents of his life. However, later researches and accounts have labeled Drannan as more of a great pretender than a fearless scout. Although the authenticity of these books are questionable they nevertheless represent classics of frontier literature.

The CSB Everyday Study Bible features the highly readable, highly reliable text of the Christian Standard Bible® (CSB). The Christian Standard Bible stays as literal as possible to the Bible's original meaning without

sacrificing clarity, making it easier to engage with Scripture's life-transforming message and to share it with others.

Italiano ed inglese BRILL

The first comprehensive collection of the letters of one of the most successful American songwriters of the twentieth century From Anything Goes to Kiss Me, Kate, Cole Porter left a lasting legacy of iconic songs including "You're the Top," "Love For Sale," and "Night and Day." Yet, alongside his professional success, Porter led an eclectic personal life which featured exuberant parties, scandalous affairs, and chronic health problems. This extensive collection of letters (most of which are published here for the first time) dates from the first decade of the twentieth century to the early 1960s and features correspondence with stars such as Irving Berlin, Ethel Merman, and Orson Welles, as well as his friends and lovers. Cliff Eisen and Dominic McHugh complement these letters with lively commentaries that draw together the loose threads of Porter's life and highlight the distinctions between Porter's public and private existence. This book reveals surprising insights into his attitudes toward Hollywood and Broadway,

and toward money, love, and dazzling success.

Eleven Steps to Take in College Litres

Why are so many people joining cheerleading every year? People are naturally drawn to this great sport and Michael Bachmann can tell you why. Michael cheers on the Harvard University Cheerleading team, and has been since his freshman year. He provides you a background on the sport and describes all of the good stuff that's happening with it! Most important, the book teaches you about the confidence, trust, and leadership that are developed through cheerleading. Each chapter offers a glimpse of Michael's life as a cheerleader and addresses strategies on how to do well in school to prepare for college and beyond. Targeted to both those already in the cheer zone and anyone considering joining in, this book is a must read.

31 Years on the Plains and in the Mountains iUniverse

George Horace Lorimer's More Letters From A Self-Made Merchant To His Son is a sequel to his widely popular Letters From A Self-Made Merchant To His Son, and offers fourteen more hilarious letters from

Old Gorgon Graham, a prosperous pork-packer in Chicago, to his son, Pierrepont, whom he 'affectionately' calls 'Piggy.'

CheerWe Lead! We Succeed

Thirty-One Years on the Plains and in the Mountains is autobiographical account of Captain William F. Drannan, Scouts Chief. The author has narrated in his own blunt way the incidents of his life in the West. He starts out with the most notable events of his boyhood days, then come his flight and a trip, to St. Louis, hundreds of miles on foot, his accidental meeting with that most eminent man of his class, Kit Carson. The author also gives sketches of the springing into existence of many of the noted cities of the West, and the incidents connected therewith that have never been written before. This book represent one of the classics of frontier literature.

Scepter Publishers

For the first time in forty years, the selected letters of St. Thomas More—son, husband, father, friend, statesman and martyr—are now available in this newly edited volume for the contemporary

reader. Moving from the days of his youth to the startling drama of his final years, this collection serves as a “life in letters” and offers the reader fresh insight into More’s education, formation, and character, visible both in season and out of season, in little matters as well as great controversies. The first English writer to use the word “integrity,” More struggled to live as well as he wrote, with personal virtue, solid piety, and a well-formed conscience. These letters reflect all the facets of his humanity and personality, and through them, one may begin to glimpse the living face of this famous “man for all seasons,” as he was known even in his own time. In addition to the letters from Thomas More, the book offers introductory notes on the family members, friends, and other historical figures relevant to his life’s history.

Born at the end of the nineteenth century, David Mendy comes from the upper Thames valley in England, a place haunted by memories and customs thousands of years old. These include the “good man’s croft,” an untilled patch reserved for the land’s spirit and rumored to have been the site of child sacrifice. David’s family legend also includes ties to stone ruins next to the local good man’s croft. But as a lad, he is warned to stay away from the area—that it was to be left to the devil. David later goes to medical school, where he meets and marries Maud Millen, a shopkeeper’s daughter—and then the world descends into chaos as the Great War begins. While serving in the Royal Army Medical Corps in France, David suspects his wife’s affections may be torn between him and Peter Landrum, heir to the land that includes the good man’s croft and David’s nemesis since their school days. But Landrum has another secret that he will kill to protect, and when David returns home, more than just his marriage is at stake. Evil has once again come to the good man’s croft and though David may have survived the war to end all wars, it’s uncertain whether he’ll survive Landrum.

The Ladies' Cabinet of Fashion, Music & Romance e-artnow

It is clear that the path from college to work has changed dramatically in recent years—current statistics show that half of young college graduates are either jobless or underemployed in positions that don’t fully use their skills and knowledge. But landing a good job is not impossible!

Authors Tori Randolph Terhune, a gainfully-employed young college graduate herself, and Betsy A. Hays, a college professor, show readers what they can do in college to successfully pave the way for future employment. The authors provide eleven easy-to-follow strategies for students to effectively use time on campus to start building a career.

For Jayd Jackson, a new school takes the drama to a new level. . . With her senior year just beginning, Jayd’s drama is going nowhere anytime soon. Although she’s graduated to the next level with her powers, she’s also going head-to-head with her former best friend, Misty. Jayd’s

also got to deal with the aftermath of the debutante ball, her boyfriend's cheating, and her ex-boyfriend/best guy friend Rah's continuing baby mama drama. Luckily, when her crew gets to be too much, Jayd can turn to her new crush Keenan, a UCLA first draft football pick, for a time out. Jayd's got to keep a cool head now more than ever because there's a new enemy waiting to pounce if she lets down her guard . . .

From the Plains to the Pulpit Vault Inc.

A taste for the finest in material things produced a delicate wife, two children and a more than adequate job. However, his

craze for success consumed his focus and overpowered his value system. JED played poker and won a national championship. His fame spread. He also won a trucking company in a challenge match game with a fool. The win allowed him to move from being a small executive fish in a big pond to being the big top fish in a small pond and he loved it. Failure with his family life further twisted his values. He took his wife's sister as a mistress and they produced a male child that remained a phantom until his death. JED fought his demons while dancing between card games and union contracts. Eventually,

the grim reaper cornered him in his penthouse hotel room, paralyzed and dying. A witness who knew him as a kind, generous, and thoughtful man described him at the funeral as a "marvel of a man." Nevertheless, most doubted the description wondering, "Was he good or bad or both?"
