The Martial Code to Oneness: A Guide to Transformative Love Description: "The Martial Code to Oneness" is a profound exploration of love, connection, and harmony, authored by Gil and Renee, the dynamic couple behind the Rich Relationships Refuge. With over three decades of marital bliss and extensive experience in marriage ministry, Gil and Renee bring a wealth of wisdom and insight to their transformative book. In this compelling guide, Gil and Renee delve into the essential elements of building a strong and enduring relationship. They begin by emphasizing the importance of establishing a solid foundation rooted in trust, communication, and mutual respect. Drawing from their own journey of 35 years of marriage, they share personal anecdotes and reflections on the joys and challenges of cultivating oneness in a relationship. One of the key insights explored in the book is the concept of love languages. Gil and Renee introduce readers to the five love languages—words of affirmation, acts of service, receiving gifts, quality time, and physical touch—and offer practical guidance on how to identify and speak their partner's love language. Through insightful exercises and real-life examples, they demonstrate how speaking each other's love language can deepen emotional intimacy and strengthen the bond between couples. Emotional intimacy is another central theme explored in "The Martial Code to Oneness." Gil and Renee provide practical strategies for fostering deeper emotional connection with your partner, from active listening techniques to vulnerability exercises. They emphasize the importance of creating a safe space for open and honest communication, where couples can share their innermost thoughts and feelings without fear of

judgment. Forgiveness is also addressed as a powerful tool for healing and reconciliation in a relationship. Gil and Renee share their own experiences of forgiveness and offer guidance on how to practice forgiveness in your own relationship. They explore the transformative potential of forgiveness in letting go of past hurts and resentments, and paving the way for deeper understanding, empathy, and love. Conflict resolution is another area of focus in the book. Gil and Renee provide practical tips for navigating conflict with grace and compassion, emphasizing the importance of effective communication and conflict resolution skills. They offer guidance on how to approach conflict in a way that strengthens rather than undermines the relationship, turning moments of tension into opportunities for growth and deeper connection. "The Martial Code to Oneness" is a must-read for couples seeking to deepen their connection, understanding, and love. With its blend of practical advice, personal anecdotes, and spiritual insights, this transformative book offers a roadmap for creating a relationship filled with joy, fulfillment, and lasting happiness. Let Gil and Renee be your guides as you embark on the adventure of a lifetime—the journey to oneness in love.

For more than thirty years, author Dr. Robert O. A. Samms has counseled couples and performed their wedding ceremonies. But the contrast between the excitement of the wedding and the disappointment of the couples' lives together has become more glaring in recent years. The Census of Canada and the U.S. Census maintain that over 50 percent of marriages fail. Dr. Samms and his wife, Pamela, have dedicated their lives to helping married couples. *Paradigms of Marriage: Ten Ways to Ensure and Restore Marital Happiness: A Christian Perspective* is a practical guide that parallels their motivational series, *Marriage Motivational Series*. Based on the idea that everyone who marries hopes for happiness, *Paradigms of Marriage* discusses the following topics to help couples understand the reasons most unions drift toward problems and others travel on the path to happiness: Love: Security and secrets Commitment Conflict Control Compromise Communication Children Family finance Sex and intimacy Spirituality and service The result of four years of research and reflection on the best way to communicate the key issues in a marriage relationship, *Paradigms of Marriage* will help you ensure or restore marital bliss and make your marriage a success.

Since our first publication of *Thriving Marriages*, we have given seminars on its content to over 300,000 people across the United States. Two areas emerged that needed further clarification and elaboration: how to make conflict resolution more effective and how to communicate our needs more clearly. As a result, we have rewritten Chapter 10: Solving Conflicts with Wisdom and Respect. The new chapter simplifies the conflict resolution process focusing on the role of Understanding, Validating and Acting, which we refer to as the UVA response. This type of emphatic response allows people to integrate their differences and transform the conflict into an opportunity to grow in their unity. The chapter also includes a new questionnaire which covers the skills required and can be used as a tool to engage in constructive dialogue. For those of you involved in Marriage and Family Life, Religious Education, and Adult Faith Formation ministries, we invite you to include this new edition of *Thriving Marriages* in your curriculum and ministries as well as our different audio formation materials that accompany it.

From the authors of the best-selling *The Secrets of Happily Married Men* comes the much-anticipated follow-up book *The Secrets of Happily Married Women*. In their first book, Dr. Haltzman and his coauthor Theresa Foy DiGeronmio outlined a recipe for men about growing a happy marriage: treat marriage with the same sense of purpose, resolve, and single-minded devotion that they have for their job. Although that workplace formula works well for men, an entirely different set of criteria resonate with women. In *The Secrets of Happily Married Women*, Dr. Haltzman tells us stories from real women who are happy in their relationships. These women know how to get more out of their partners by doing less, by not trying so hard to make men perfect, not dragging them to couples therapy, not expecting them to think or behave like a woman. These are women from Dr. Haltzman's clinical practice and culled from thousands of contributors to his Web site www.HappilyMarriedWomen.com. They have learned to understand how men really work and tap into men's powerful hard-wired desire to please women and "be a better man."

The All-or-Nothing Marriage Tyndale House Publishers, Inc.

You're a faithful, Bible-believing Christian man. Years ago you felt a calling from God to marry and start a family, and you wed a bright, beautiful, loving, Godly woman to share your life with. What could go wrong? Plenty. Today your wife consistently treats you with derision and angrily contends with you over the smallest issues, then laments that you are emotionally distant and apathetic when you pull away. You've read all of the relationship books and done marriage counseling/pastoral counseling. You may have even engaged in a trial separation or two. Nothing has helped. You have not abandoned your wife, nor she you, and neither of you has committed adultery as of yet, so you don't consider divorce a viable option (although family and friends might be encouraging you to do it). You want to honor and obey God, however, by remaining in the marriage. But the temptations to end the struggle and emotional pain are strong. You are about ready to give up. Before you do, buy this book. For about the price of tall cup of an upscale premium cappuccino or café latté, you'll have a resource that might change your perceptions, expectations, and approaches with regard to your wife and the relationship you share. *Your Snake Has STRIPES! A Practical Guide for Marital Bliss With An Angry & Contentious Woman* is a concise, wry and irreverent self-help book for Christian husbands in emotionally difficult relationships with wives who are predisposed to anger, defensiveness, and conflict issues. Using the Appalachian expression "meaner than a striped snake" as the foundation of his central metaphor, author Edward X. Winston offers consolation to husbands of angry and contentious women and a healthy new way of reframing a man's interpretations of such behaviors.

"My husband and I can't seem to agree on anything!" "You spent how much!?" "My wife's parents are driving me crazy!" "You never listen to me!" Let's face it—even the best of marriages hit an occasional bump in the road now and then. The secret to marital bliss lies in how you and your spouse handle those bumps. In *Happily Ever After*, Gary Chapman, the man "who wrote the book" on how to communicate with your spouse, shows couples how to successfully navigate the six most common problems that couples face: fighting fair, negotiating change, managing money, getting along with your in-laws, raising kids, and maintaining a healthy sex life. Drawing on more than 30 years of counseling experience, Dr. Chapman provides real-world examples and practical, battle-tested advice that will help you and your spouse better understand and communicate with each other as well as grow as a couple for many years to come.
