 Friedman: Books Sea Change. On the lush, beautiful island,  
 Miranda finds new friends and a community with a mystical

history, presenting her with facts her logical, scientific mind can't make sense of. She also meets Leo, who challenges everything she thought she knew about boys, romance...and reality.

**Sea Change** — Aimee Friedman  
Aimee Friedman's **SEA CHANGE** is the quintessential summer beach read that features a big mystery and a dash of romance. I have mixed feelings regarding Miranda, the main character. At times, I found her actions to be inconsistent and unwarranted, but, then again, she is only 16 and there's a lot going on in her life.
