Official TOEFL iBT Tests Volume 1, Second Edition
McGraw Hill Professional
"Mastering the "New" TOEFL iBT 2020" is written in easy to understand

American English so that even EIL students with modest abilities can significantly raise their TOEFL iBT score. The New Reading Section now has only 3 or 4 passages each followed by 9 or 10 questions. The passages and question types remain the same. This actually gives you more time to answer each question. The New Listening Section now has either 2 or 3 sets of passages. Each set

consists of either one conversation and two lectures with 17 questions, or one conversation and one lecture with 10 questions. If you get 3 sets, one of them will not be scored. The question types, passages and difficulty of this section is unchanged. The New Speaking Section has removed questions 1 and 5. The other major change is that our score is now determined by

one human rater and the "SpeechRater" software rather than two humans. Don't worry. This only makes things easier for ETS. The rest of this section remains the same. The New Writing Section is virtually unchanged. HELPFUL TIP: Both the Speaking and Writing sections test your ability to follow the RUBRIC (rules) that ETS has established for correct responses. In other words, you may

speak and write in perfect English, but if you don't follow the TOEFL iBT RUBRIC, you will receive a low score. This guide teaches you how to structure your responses to earn a high score. The TOEFL Master teaches all the little things that you need to know to answer questions quickly and accurately using the structures and rules the test is created with. * Although this book contains

some practice tests, The TOEFL Master's Guide does not contain audio and was designed to be used as a companion to "The Official Guide to the TOEFL Test With CD-ROM, 5th Edition" by ETS and/or "Official TOEFL iBT Tests" with Audio by ETS (Also available on Amazon.com) * TOEFL and TOEFL iBT are registered trademarks of ETS (Educational Testing Service) by whom we are neither
