ALIJAH WANG

Living a Life Led by the Holy Spirit Bloomsbury Publishing

Much has been said about why Jesus died. This book focuses on why Jesus lived. God with Us: Encountering Jesus in the Gospel of Matthew shows that Jesus didn't just come to be our teacher, a miracle work or prophet, or even just Israel's savior and redeemer. Jesus is Emmanuel, God with us. Notable Scripture scholar Edward Sri leads readers on a faithful exploration of Jesus's kingdom-building mission and how it revealed God presence, which remains with us today. Helpful discussion questions are provided for personal and group study. This newly expanded edition of the study originally titled The Mystery of the Kingdom: On the Gospel of Matthew is an outstanding introduction to the first gospel.

Christology Paulist Press

Rev. ed. of: True God, true man. Includes bibliographical references (p. 103-106). The witness of the New Testament -- Seeking the life history of Jesus -- Christology and the first ecumenical councils -- Further christological beliefs -- Images of Jesus Christ in Catholic spirituality -- Christ with us today --

Jesus Christ: Lord of the future.

Jesus Christ as Ancestor Ignatius Press

This is the teachers guide edition to this great study of the fundamental beliefs of the Christian faith. With topics ranging from "God: His Character

and Attributes" to "The Church: Fellowship and Worship," this study is ideal to disciple new believers or to realize afresh what it means to believe in Jesus. The teachers guide contains all the answers to the 13 lessons taught in the accompanying students edition along with excellent teaching notes to prepare the leader to guide the group.

Fundamentals of Christology : Including a Reader's Guide and Update and St. Bernard's Christology Ignatius Press

This revised and expanded second edition of Father Kereszty's widely used Christology text is equipped with recommended readings, study questions and updated bibliography. In dialogue with contemporary concerns and controversies, it presents a penetrating and integral approach to the mystery of Christ, with broad appeal to Roman Catholics, Protestants and Orthodox Christians alike. In it they will find an articulation of their common faith in Jesus, the Christ, true God and true man. Though written as a Christology text on the graduate level, the book should interest any educated reader who seeks to know Jesus.

Nature, Reality and Mission Loyola Press

This book is a popular introduction to each of the 73 books of the Bible designed to help the reader grow in the knowledge and love of God's Word. The introduction to each book includes the time frame and author, the theme, a summary of the contents and some comments about the context in which it was written, the theology of the book, an outline, and a prayer taken from the book. Fr. Baker provides quick access to essential information the daily or occasional reader of sacred scripture should find helpful. The book may also be of help to more advanced students who wish to refresh their memory of a particular book of the Bible. By carefully reading Inside the Bible one can have a thumbnail summary of each book of the Bible at

his fingertips. "Many Catholics revere the Bible without reading it. They find themselves paralyzed, not knowing where to start reading. Fr. Kenneth Baker comes to the rescue. In brief synopses of the 73 books he guides new readers through the threshold and shows them how they can move forward on their own.

Fundamentals of Christology CUA Press

This study is a historical retrieval of particular authors and their discussions of Christ as priest, discussions that often emanated from age-old tensions. The Lord's priesthood—an important but often neglected theme in Christology— may provide a prism for any current renewal in both the baptismal and ministerial dimensions of the priesthood of Jesus Christ. He is the original model, the one from whom we always learn what being priestly is all about.

Towards a Systematic Dialogue between Christology in Africa and Pope Benedict XVI's Christological Conception Oxford University Press

Bringing to a new generation a resource that has been used in theology & church history courses for more than 30 years, this volume features translations of the most important primary documents, introductions to the context of each text & new supplementary materials.

Christ and Evolution Moody Publishers

The Oxford Handbook of Christology brings together 40 authoritative essays considering the theological study of the nature and role of Jesus Christ.

This collection offers dynamic perspectives within the study of Christology and provides rigorous discussion of inter-confessional theology, which would not have been possible even 60 years ago. The first of the seven parts considers Jesus Christ in the Bible. Rather than focusing solely on the New Testament, this section begins with discussion of the modes of God's self-communication to us and suggests that Christ's most original incarnation is in the language of the Hebrew Bible. The second section considers Patristic Christology. These essays explore the formation of the doctrines of the person of Christ and the atonement between the First Council of Nicaea in 325 and the eve of the Second Council of Nicaea. The next section looks at Medieval theology and tackles the development of the understanding of who Christ was and of his atoning work. The section on "Reformation and Christology" traces the path of the Reformation from Luther to Bultmann. The fifth section tackles the new developments in thinking about Christ which have emerged in the modern and the postmodern eras, and the sixth section explains how beliefs about Jesus have affected music, poetry, and the arts. The final part concludes by locating Christology within systematic theology, asking how it relates to Christian belief as a whole. This comprehensive volume provides an invaluable resource and reference for scholars, students, and general readers interested in the study of Christology.

An Approach to a Spiritual Christology Paulist Press

Daily life in Ancient Israel - Great prophets including, Hosea, Amos, Isaiah - People and lands of the Old Testament.

The Catholic Church Through the Ages St Augustine PressInc

Walter Kasper is already well-known and loved throughout the English-speaking world. He has held high office in the Vatican but until his recent retirement has felt constrained from publishing what he really thinks and his vision of the Church for the future. Kasper brings to conclusion a project that has been pursued for years, as it joins together his greatest monographs on the subject of God's teaching and Christology. The book covers three main topics: Nature, Reality and the Mission of the Church. The introductory section is autobiographical and the reader can see Kasper's personal and theological way in to and with the Church. He develops the actual ecclesiological exegesis - for Kasper the representation of the Being of the Church is not about empirical description, but rather a testimony of being. He emphasizes that nobody is able to apply the stereotypical and idealistic image of the heavens to the critical acknowledgement of the church's present. The program of the Church is ultimately not self-directed but rather remains oriented towards the finalization of the arrival of the kingdom of God and the spiritual healing of the human race.

Jesus Christ - True God and True Man Wipf and Stock Publishers

The figure of Christ is at the heart of Christian faith and self-understanding, whether conservative or liberal. In this volume, widely acclaimed theologian Celia Deane-Drummond sets out to develop an understanding of Christ that is far more conscious of the evolutionary history of humanity and current evolutionary theories about the natural world. It argues that the concepts of wisdom and wonder have special roles in both theology and science and can point to an integrated, inclusive spirituality and a fuller vision of life and the universe. Book jacket.

Fundamental Theology Jesus ChristFundamentals of Christology

Provides an accessible, short, selected and up-to-date bibliography for most of the chapters and to highlight certain areas to facilitate the reader's grasp of the material. Since the publication of the book, many new titles have been published on Christological topics, especially those concerning the problems of the historical Jesus which needed to be answered. Certain clarifications likewise needed to be made to better articulate some of the presuppositions and conclusions in the original text. Review questions for each chapter are provided to help focus the reader's attention and finally, the Supplement concludes with a chapter on the correlation of anthropology and Christology in the writings of St. Bernard of Clairvaux.

[A Supplement to Jesus Christ](#) Saint Pauls/Alba House

The polarization in the Church today can be traced back to a more fundamental crisis in theology, one which has failed to connect our mundane experiences and the mysteries of the Christian faith with the person of Jesus Christ. Ecclesial discourse on the so-called 'hot- button issues' of the day too often take place without considering the foundation and goal of the Church. And this is unfortunately due to a similar tendency in the academic theology that informs that ecclesial discourse. In short, much of post-conciliar Catholic theology is adrift, floating aimlessly away from the center of the Christian faith, who is Christ. The Center is Jesus Christ Himself is a collection of essays which anchor theological reflection in Jesus Christ. These diverse essays share a unified focal point, but engage with a variety of theological subdisciplines (e.g., dogmatic, moral, Biblical, etc.), areas (e.g., Christology, Pneumatology, missiology, etc.), and periods (e.g., patristic, medieval, and modern). Given the different combinations of sub-disciplines,

areas, and periods, theology is susceptible to fragmentation when it is not held together by some principle of unity. A theology in which the person of Jesus Christ serves as that principle of unity is a Christocentric theology. Together, the essays illustrate not only what Christocentric theology looks like, but also what the consequences are when Christ is dislodged from the center, whether by a conspicuous silence on, or by a relativization of, his unique salvific mission. The volume is published in honor of Emeritus Professor of Systematic Theology at Boston College, Rev. Dr. Robert P. Imbelli, who dedicated his teaching and writing to bringing Christ back to the center of Catholic theological discourse.

13 Lessons to Grow in the Grace and Knowledge of Jesus Christ Paulist Press

Pope Francis has called mandatory priestly celibacy a "gift for the Church," but added "since it is not a dogma, the door is always open" to change. As this Church discipline continues to be debated, it is important for Catholics to delve into the theological and not merely pragmatic reasons behind its continuation. Priestly Celibacy: Theological Foundations, therefore, fills a critical gap in the current theological literature on this important topic of ecclesial ministry and life, and also helps to contribute to the advancement of the rather underdeveloped theology of priestly celibacy.

A Textbook of Catholic Theology Paulist Press

This one-volume survey of the history of the Catholic Church--from its beginning through the pontificate of John Paul II--explains the Church's progress by using Christopher Dawson's division of the Church's history into six distinct "ages," or 350-400 year periods of time.

A Handbook on Christology for Non-Theologians InterVarsity Press

In this fully revised and updated second edition of his accessible account of systematic Christology, Gerald O'Collins continues to challenge the contemporary publishing trend for sensationalist books on Jesus that are supported neither by the New Testament witness nor by mainline Christian beliefs. This book critically examines the best biblical and historical scholarship before tackling head-on some of the key questions of systematic Christology: does orthodox faith present Jesus the man as deficient and depersonalized? Is his sinlessness compatible with the exercise of a free human will? Does up-to-date exegesis challenge his virginal conception and personal resurrection? Can one reconcile Jesus' role as universal Saviour with the truth and values to be found in other religions? What should the feminist movement highlight in presenting Jesus? This integral Christology is built around the resurrection of the crucified Jesus, highlights love as the key to redemption, and proposes a synthesis of the divine presence through Jesus. Clear, balanced, and accessible, this book should be valued by any student reading systematic theology, anyone training for the ministry in all denominations, as well as interested general readers.

Jesus Christ Langham Publishing

This modern spiritual classic by Frank Sheed, the renowned author, publisher and lecturer, is brought back into print for the benefit of new generations of readers to develop a deeper, more profound knowledge of Jesus Christ. Sheed's concern with the Gospels is to come to know Christ as he actually lived among us, interacted with all the various people he encountered from his infancy to his passion and death--the God-man who was like us in all things except sin. Sheed has tried especially to see Our Lord in his effect upon others--seeing how they saw him, trying to see why they saw him so. There is much about Mary and Joseph in their task of bringing up a baby who was literally adorable; about John the Baptist; about Mary of Bethany and Mary Magdalen; about Nicodemus; about people we meet only for a moment, like the man born blind and the owners of the drowned swine; and why the Pharisees, not only the worst of them but some of the best, would not accept Christ. Faith, doctrine, prayer, worship--all the content and consequences of Christian belief--rest on the person of Christ Jesus as recorded in the Gospels. In this classic study, Frank J. Sheed employs wide learning, theological sophistication, spiritual insight, and a lucid style to bring the reader to a personal encounter with the living Lord. To Know Christ Jesus has been justly called "one of the most satisfying studies of the Gospel ever made." Frank J. Sheed had a distinguished career as a publisher, lecturer, street-corner evangelist, and popular writer. He and his wife Maisie Ward were the founders of the publishing house Sheed & Ward. His many books include *Christ in Eclipse*, *What Difference Does Jesus Make?*, *Theology and Sanity*, and *A Map of Life*.

[The Center is Jesus Christ Himself](#) Wipf and Stock Publishers

It is about winning friends, not arguments. It is about shedding light, not heat. It's about reframing the argument so hearts can be opened and minds can be inspired. *How to Defend the Faith without Raising Your Voice* is a new sort of apologetics. It is for those moments when you are thrust into the spotlight as the token Catholic whether the spotlight is simply at the office water cooler or whether it is front and center at the in-laws Thanksgiving celebration. *How to Defend the Faith without Raising Your Voice* gives Catholics a fresh way of explaining the Church's teaching on contentious issues humanly, compellingly, and succinctly. But this book does not pretend to suggest it is as simple as memorizing a speech. Every conversation is different. Every day's news cycle will bring new arguments and new challenges. Instead, it is a book about what the issues really are and where the criticisms are coming from so you can understand and communicate effectively. It is the fruit of a group of speakers and experts brought together by a single idea: to make sure that Catholics and the Church were represented properly in the media when Pope Benedict came to visit the UK in 2010. Their original and thoughtful approach helped make that visit a triumph and now it can be expanded for a much broader use. Whether read in groups or alone, studied in schools or parishes, *How to Defend the Faith without Raising Your Voice* offers the same thorough briefings on hot topics and the same top tips for effective communication which helped make the project such a success.

[Wedding Feast of the Lamb](#) Augsburg Fortress

Thomas McGonigle and James Quigley present us with a history of Christian belief and institutions from the Reformation to Vatican II and beyond.

Fundamentals of Christology Fortress Press

Christianity 101 is an introductory text for college level courses in Christian theology. The text provides a history of Christian thought in each of the key areas of Christian theology and discusses the major debates and thinkers in the tradition.
