Client-Centric Definition

Customer Centricity is one of those much talked about, almost much hyped, business concepts, that has been around a long time, but somehow has not really found it's place in most businesses. Sure customers are important, but most organizations focus on the money. What they fail to see is that there is a better way to make more money.

Customer Focus Customer focus is the principle where businesses plan, operate, and even get measured in terms of the customer. This approach is used frequently in marketing, product development, as well as customer service. Here, organizations view their customers as individuals with different likes and dislikes.
