*Run for God - The 5k Challenge* Knowthis Media  
 The guide to shortening your execution cycle down from one year to twelve weeks Most organizations and individuals work in the context of annual goals and plans; a twelve-month execution cycle. Instead, The 12 Week Year avoids the pitfalls and low productivity of annualized thinking. This book redefines your "year" to be 12 weeks long. In 12 weeks, there just isn't enough time to get complacent, and urgency increases and intensifies. The 12 Week Year creates focus and clarity on what matters most and a sense of urgency to do it now. In the end more of the important stuff gets done and the impact on results is profound. Explains how to leverage the power of a 12 week year to drive improved results in any area of your life Offers a how-to book for both individuals and organizations seeking to improve their execution effectiveness Authors are leading experts on execution and implementation Turn your organization's idea of a year on its head, and speed your journey to success.  
*Mayo Clinic Guide to a Healthy Pregnancy* John Wiley & Sons  
 The book Lifehack calls "The Bible of business and personal productivity." "A completely revised and updated edition of the blockbuster bestseller from 'the personal productivity guru'"—Fast Company Since it was first published almost fifteen years ago, David Allen's *Getting Things Done* has become one of the most influential business books of its era, and the ultimate book on personal organization. "GTD" is now shorthand for an entire way of approaching professional and personal tasks, and has spawned an entire culture of websites, organizational tools, seminars, and offshoots. Allen has rewritten the book from start to finish, tweaking his classic text with important perspectives on the new workplace, and adding material that will make the book fresh and relevant for years to come. This new edition of *Getting Things Done* will be welcomed not only by its hundreds of thousands of existing fans but also by a whole new generation eager to adopt its proven principles.

*The Church Planting Wife* Penguin  
 The brain ... There is no other part of the human anatomy that is so intriguing. How does it develop and function and why does it sometimes, tragically, degenerate? The answers are complex. In *Discovering the Brain*, science writer Sandra Ackerman cuts through the complexity to bring this vital topic to the public. The 1990s were declared the "Decade of the Brain" by former President Bush, and the neuroscience community responded with a host of new investigations and conferences. *Discovering the Brain* is based on the Institute of Medicine conference, Decade of the Brain: Frontiers in Neuroscience and Brain Research. *Discovering the Brain* is a "field guide" to the brain—an easy-to-read discussion of the brain's physical structure and where functions such as language and music appreciation lie. Ackerman examines: How electrical and chemical signals are conveyed in the brain. The mechanisms by which we see, hear, think, and pay attention—and how a "gut feeling" actually originates in the brain. Learning and memory retention, including parallels to computer memory and what they might tell us about our own mental capacity. Development of the brain throughout the life span, with a look at the aging brain. Ackerman provides an enlightening chapter on the connection between the brain's physical condition and various mental disorders and notes what progress can realistically be made toward the prevention and treatment of stroke and other ailments. Finally, she explores the potential for major advances during the "Decade of the Brain," with a look at medical imaging techniques—what various technologies can and cannot tell us—and how the public and private sectors can contribute to continued advances in neuroscience. This highly readable volume will provide the public and policymakers—and many scientists as well—with a helpful guide to understanding the many discoveries that are sure to be announced throughout the "Decade of the Brain."

*House Arrest* Anchor  
 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on?

*She Reads Truth* tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, *She Reads Truth* is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.

 Get more words on the page with this proven and popular system  
 The 12 Week Year for Writers: A Comprehensive Guide to Getting Your Writing Done is an easy-to-implement and practical framework for writers to get more work done in less time. You'll answer big picture questions—What is my vision for the future? What are my writing goals?—while enacting a comprehensive system to plan and execute your writing. You'll create a 12 Week Plan and a Model Week, collaborate with a weekly writing group, keep score, and learn to stick to a weekly execution routine. The book will also show you how to: Manage multiple writing projects at the same time Develop a prolific writer's mindset and increase your output with the 12 Week Year system Deal with actionable specifics, like when and where to write Ideal for writers in all genres and fields, The 12 Week Year for Writers is the perfect hands-on guide for academic and business writers, authors, students, columnists, bloggers, and copy and content writers who seek to increase their productivity and get more quality words on the page.

*Occupational Outlook Handbook* Post Hill Press  
 Timothy is on probation. It's a strange word—something that happens to other kids, to delinquents, not to kids like him. And yet, he is under house arrest for the next year. He must check in weekly with a probation officer and a therapist, and keep a journal for an entire year. And mostly, he has to stay out of trouble. But when he must take drastic measures to help his struggling family, staying out of trouble proves more difficult than Timothy ever thought it would be. By turns touching and funny, and always original, *House Arrest* is a middlegrade novel in verse about one boy's path to redemption as he navigates life with a sick brother, a grieving mother, and one tough probation officer.

By closing the "knowing-doing gap," you'll discover how to execute on what you already know and greatly expand the boundaries of your capabilities. Learn to: Create your personal and business visions with step-by-step tips Develop your own 12 week plan by applying what you know to what you do Put over 10 years of field-tested content, exercises, and templates to work for you Build a 12 week commitment and apply the system to your own life and business Take back your life, improve your thinking, and advance your business or career by implementing real-world, hands-on methods in *The 12 Week Year Study Guide*.

*How to Be a Great Boss* John Wiley & Sons

Forget everything you've ever been told about cellulite—it's a myth! Ashley Black, fascia pioneer, and body guru to the stars, unveils never before known secrets to obliterating cellulite and changing your personal health paradigm. For years we've been conditioned to believe that cellulite is a fat problem, yet skinny girls have it, active girls have it, sedentary girls it, curvy girls have it, older women have it and, guess what, so do younger women. In fact, 90% of women struggle with it . . . you are not alone! The appearance of fat is affected by the sticky webbing of tissue it's housed in called fascia—which can be manipulated. Get ready for the most radical shift in health and beauty of the century! Obliterate cellulite, transform your body, and revolutionize your life!

When you step back and look at your life, do you see an ever-widening gulf between where you are and where you want to be? Do you feel stuck? Do you feel like your dreams are slowly slipping away? No matter where you are on your path, *Designing Your Life Plan* will jolt you out of the routines and ruts of your day to day, spurring you on to set a clear plan for your future—one that will take you places you never thought you could go. Luz Canino-Baker, your encouraging but firm guide on this journey, shows you how to build and carry out a Life Plan, offering pieces of her own history and the stories of others along the way. Each chapter ends with a practical workbook-style exercise designed to take you tangible steps closer to your goals. Forged during Canino-Baker's years as an executive and life coach, the lessons and

exercises in this book will energize you, excite you, and set you on the path to the bright future you may have feared could never be realized.

*Things Fall Apart* B&H Publishing Group

Krakauer's page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. "Terrifying... Eloquent... A heart-rending drama of human yearning." —New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of *Into the Wild*. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless's innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, *Into the Wild* is a tour de force. The power and luminosity of Jon Krakauer's stoytelling blaze through every page.

**A Thousand Splendid Suns** Chronicle Books

**The Cellulite Myth Daily Companion Guide** Moody Publishers Learn how to Live the 4-Hour Workweek. Come enjoy the good life on the cheap in Thailand for 12 weeks or more. Instead of spending another month living paycheck to paycheck wouldn't you rather say: ""I spend my days laying under the warm sun with a coconut in my hand."" ""I started my fight camp 12 weeks ago, and last night, I won my first pro muay thai match."" ""I can't believe I actually get paid to take people scuba diving, this is the best job ever."" ""I spend less in an entire month traveling, getting massages, eating out, and living in Thailand than I spent on rent alone back home."" 12 Weeks in Thailand: The Good Life on the Cheap is a true story that follows the author Johnny F.D. from his home in Los Angeles, California to his first 3 week vacation to Thailand where he decides to give it all up in pursuit of a happier life under the sun. He goes home to sell everything he owns and comes straight back to Thailand for his first of many 12 week trips.

Random House

"Nothing in my life goes untouched by my husband's calling."

Christine Hoover's words in the first chapter describe so well the life of a church planter's wife, which is enormously difficult yet extraordinarily rewarding. To be married to a church planter is a calling of its own with a richness of its own. In *The Church Planting Wife*, Hoover explores and encourages the hearts of her readers while teaching what it means to have heart prepared for this unique ministry. She knows the challenges: A church planter's wife must develop a job description, be a wise helper to her husband, develop friendships within the church and community, deal with stress and discouragement, handle wounds, and more. Christine speaks candidly about these challenges while urging readers to grow a heart that wholly reflects Jesus. Spread throughout these pages are stories and interviews from church planting wives. Christine Hoover empathetically and pointedly builds from these testimonies to uplift the reader and offer lessons of hope in the midst of a challenging ministry.

*The 12 Week Year for Writers* BenBella Books, Inc.

The healing powers of traditional yoga, Oriental medicine, nutrition, and other mind/body techniques are accessible with this do-it-yourself manual for women who are struggling with infertility or just looking to improve their odds of conception. Natural methods based on Integrative Care for Fertility™ use a holistic approach to demonstrate how a home-based holistic fertility program can improve mind, body, and spirit, and in turn, maximize chances for conceiving. Photographs are provided to illustrate the proper yoga postures, and interspersed stories from yoga practitioners and experts present real-life struggles of infertility patients and victories that will inspire all women who are trying for a healthy pregnancy and birth. With more than 30 pages of new information, this updated edition also includes a study guide.

*Fully Fertile* Crossway

The *Knowing the Bible* series is a resource designed to help Bible readers better understand and apply God's Word. These 12-week studies lead participants through books of the Bible and are made up of four basic components: (1) reflection questions help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlight the gospel of grace throughout the book; (3) "Whole-Bible Connections" show how any given passage connects to the Bible's overarching story of redemption, culminating in Christ; and (4) "Theological Soundings" identify how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from an array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on every page of the Bible. The letter to the Ephesians is a source of great encouragement, clearly proclaiming the mystery of the gospel and the supremacy of Jesus while applying that theology to practical living. Made alive in Christ, believers have received a bountiful inheritance and lavish blessings from God, fueling us for holy living. In this study, Eric Redmond opens our eyes to Paul's teaching about God's astonishing grace—grace that enables us to walk in love, holiness, and wisdom as we become imitators of Christ.

**7 Full-Length MCAT Practice Tests: 5 in the Book and 2 Online** Post Hill Press

People take up running for many reasons, from weight loss to off-season conditioning for athletics to improved cardiovascular health. But did you know that running is an effective way to strengthen one's faith as well? Run for God—the 5K Challenge is a guide to running and a twelve-week training plan aimed at running a 5K, but with a Christian focus. Author Mitchell Hollis introduces runners to the similarities between running and witnessing for Christ. The workout plans, discussion questions, and Bible verses make it both a practical resource and a workbook for individuals and groups, especially beginning runners. From advice about shoes and Christian music for one's MP3 player to tips on race etiquette, the book will be useful and inspirational. Run for God is designed for all levels of runners, even those who have never run. Learn to spread the gospel of Jesus Christ while understanding the parallels in enduring a sport like running and enduring your faith.
