Mitchell Beazley
Written by two of the world's leading

beer experts, with the help of a team of international contributors, The Pocket Beer Book takes you from the Bock beers of Germany to the Trappist beers of Belgium, the complex bitters and stouts of Britain to the cutting-edge brews of North America. This expert selection covers the extraordinary

variety the world's beers now have to offer. Tasting notes, organised by country, provide succinct commentary on the chosen beers and cover the brewery and each beer's key characteristics. With 4,300 beers featured, this book encompasses more familiar established beers as well as exciting new discoveries from the myriad craft breweries that are emerging around the world, covering 80 countries. Punctuating the tasting notes is information on "beer destinations", specific places where you can best experience a beer in situ. An extensive introductory chapter to the book also covers styles of beer and food and beer pairings.

Concrete Manual Dramatic Publishing Poetry. *SIMPLE VERSES* is the first complete English translation of the classic collection *VERSOS SENCILLOS*, written by the Cuban poet Jose Marti (1853-1895) in the United States during his years of exile and revolutionary struggle. This great political and literary figure of the nineteenth century has been one of the most influential men in all the Americas. A spiritual autobiography, *SIMPLE VERSES* captures in each poem an experience, a feeling or a moment that formed the poet and the man. The poet, the soldier, the troubadour, the legislator, the searcher for truth, the enraptured and the disenchanted lover, the defender of poetry and its transformer, the genius

and the man - all alternate in a modulated and musical flow like life itself, which it embodies. The translations of Manuel Tellechea, a Cuban American living in Union City, New Jersey, have been published by the

University of Pittsburgh, Freedom House, Transaction Publishers, and others.
