Talk to anybody who has ever lived in Dublin, and they'll be able to tell you about some of the strange characters who have roamed this city's streets throughout the ages. With cheeky narration from storyteller Bobby Aherne and amusing illustrations by Ruan Van Vliet, *D'You Remember Yer Man?* tells the stories of over 100 of Dublin's most peculiar citizens, and takes you down the side-streets of the city which you'd usually try to avoid. [Always Remember How Special You Are to Me](#) New York Review of Books

Pedro Gomez of ESPN was a beloved figure in the world of baseball and his death from sudden cardiac arrest on Feb. 7, 2021, unleashed an outpouring of heartfelt tributes. He was 58, both a hard-nosed reporter and a smiling ambassador of the sport. These 62 personal essays soar beyond sports to delve into life lessons. Pedro, a proud Cuban American, was known for his dramatic reporting from Havana. Fully and fluidly bilingual, he did as much as anyone to bridge the wide gap that had existed between U.S.-born players and the Latin Americans now so important to the game's vitality and future growth. He was also a family man who loved to talk about his three children, Sierra, Dante and Rio, a Boston Red Sox prospect. Pedro was universally known as a smiling presence who brought out the best in people. His humanity and generosity of spirit shaped countless lives, including one of his ESPN bosses, Rob King, who was so moved by Pedro's advice to him--

"Remember who you are"--that he printed up the words and posted them on the wall of his office in Bristol. King is one of a diverse collection of contributors whose personal essays turn Pedro's shocking death into an occasion to reflect on the deeper truths of life we too often overlook. Part *The Pride of Havana* and part *Tuesdays With Morrie*, part *The Tender Bar* and part *Ball Four*, this is the rare essay collection that reads like a novel, full of achingly honest emotion and painful insights, a book about friendship, a book about standing for something, a book about joy and love. Former New York Times writer Jack Curry writes about Pedro's passion for live music, and former Sports Illustrated writer Tim Kurkjian

brings alive spring-training basketball games with executives like Sandy Anderson and Billy Beane and Pedro right in the mix. Detroit manager AJ Hinch and former Texas manager Ron Washington both reveal that in their darkest hours Pedro gave them some of the best advice of their lives. Hall of Famers Dennis Eckersley, Tony La Russa, Peter Gammons, Ross Newhan, Tracy Ringolsby and Dan Shaughnessy are among the contributors. So are likely future Hall of Famers Max Scherzer and Dusty Baker. Pulitzer-Prize-winning Washington Post war correspondent Steve Fainaru, award-winning writers from Howard Bryant and Mike Barnicle to Tim Keown, Ken Rosenthal and Dave Sheinin also contribute. Rounding out the mix are current and former ESPN stars including Rachel Nichols, Shelley M. Smith, Peter Gammons, Bob Ley and Keith Olbermann. This is a book to rekindle in any lapsed fan a love of going to the ballpark, but it's also a wakeup call that transcends sports. To any journalist, worn down by the demands of a punishing job, to anyone anywhere, pummeled by pandemic times and the dark mood of the country in recent years, these essays will light a spark to seize every opportunity to make a difference, in your work and in the lives of people who matter to you.

**A Portrait of Dublin's Famous Characters** Knopf Books for Young Readers

This book will help you to remember who you truly are, and to be your true, authentic self, in its entirety, to unlock the beautiful spirit and essence of you. You have a soul mission: it's time to wake up to it and fulfill your destiny and be everything you ever dreamed of being, your soul and spirit self really are, unafraid to shine in a world that all too often might seem might seek to undermine or limit you...You are filled with infinite possibilities and great gifts. Many of us are waking up from the illusion of fear, lower consciousness and vibration that we have been trapped in. Though times may be dark, the light can prevail and by holding on to our dreams and visions, we will emerge with a higher consciousness. We will shed all the restrictions of the past, and break the chains of the judgmental and fear-based systems which have ruled and limited our lives in so many ways, to take a jump and leap of faith and really be the full expression of our unique and special souls. "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul.... I believe Sally is a gifted soul on a mission to genuinely help & empower people. It is a

book I will treasure" "What a beautiful book; one that touches you and works on so many levels." "It doesn't matter where you are on your journey, in this book you will find something new, something to remind you of who and where you are, why you are following the path you have chosen and affirmation that you are not alone, the Universe is always supporting you. I found the book easy to read, to me the energy of the words just flow off the page, and hit the spot. Read it from cover to cover, dip in and out, the choice is yours and the book supports you in whatever way you wish to connect with it. Bursting with information and workable ways to experiment and include in your spiritual practice. Sally has worked really hard to make this work appeal to as wider audience as possible and I feel she has pulled it off with a flourish. Well done Sally, when's the next one?" "I really love this book. As soon as I started reading it, it felt like it was talking directly to my soul and I felt curiously emotional. *Don't Forget to Remember* Conari Press  
Each of us is born with a connection to a divine essence. When we look at women's lives across cultures and life-stages, we can see that spiritual essence. Yet, in our everyday lives, we often lose connection. For each of us, rediscovering our shared and particular essence is our true life's work. *Remember Who You Are* is a book to help us do just that. In *Remember Who You Are*, Linda Carroll shares her own discoveries and wisdom gleaned from other women's lives and art, especially poetry, to guide us on a seven-stage journey of recollection, reconnection, and recovery. The stages, Forgetting, Remembering, Exploring, Practicing, Shadows on the Path, Reclaiming, all lead to Accepting, a condition woven throughout the stages. It is the knowledge that we never completely "arrive." We are always on the path. We are always forgetting, exploring, practicing, struggling, becoming, and remembering who we are.

Every morning for the thirteen years he was on *Law & Order*, Jerry Orbach wrote his wife a short love poem and placed it next to her coffee cup before he left for work. Over the years Jerry wrote hundreds of notes -- all of which Elaine cherished and preserved. Now dozens of Jerry's most meaningful poems to Elaine, along with stories from his amazing career and their enduring romance, tell the tale of their life

With essays from some of Jerry's dearest friends and a foreword by Sam Waterston, Elaine created a collection of funny and moving poetry and a tribute to a wonderful marriage and a dearly loved man.
