ASSASSINS OF ALLANSIA iBooks

Fighting Fantasy gamebooks have sold over 17 million books worldwide, in over 30 languages. But when Steve Jackson and Ian Livingstone sat down to write The Warlock of Firetop Mountain they had

no idea this one book would go on to spawn another eighty or more titles, and have an immeasurable impact on a generation of children growing up in the 1980s. Part history, part celebration, YOU ARE THE HERO chronicles more than three decades of Fighting Fantasy. Written by Jonathan Green (author of seven Fighting Fantasy titles), this mighty tome will appeal to anyone who ever wiled away a washed-out summer holiday with only two dice, a pencil, and an eraser for company. This is a fixed format PDF eBook, with all of the same stunning, full-colour artwork as the hardback and paperback. Best viewed on a colour screen of 7" upwards, as a daily reader to keep your precious hardback safe. "YOU ARE THE HERO is as read-under-the-covers immersive as its subject matter; great characters, amazing stories and a surprise behind every door. 5 stars!" -- SCIFI Now "The most comprehensive history of the Fighting Fantasy phenomenon I've ever seen. With its maps, notes, art and photographs it's not just a celebration but a fascinating resource." -- SFX "How many thousands of heroes did these books create? And how many lost their lives with a bad roll of the dice? A publishing phenomenon, without which computer games wouldn't be what they are today. About time these books were celebrated. Now go to page 45 and face your nemesis." -- Charlie Higson
