## SILAS ALICE

*Peanut and the Big Feelings* Little, Brown Books for Young Readers  
 A New York Times Bestseller This edgy anthology teams up acclaimed YA authors and popular YouTubers to create 13 fairy tales and 13 inspired works--all from a "villain's" perspective, in the vein of Maleficent or Wicked. Leave it to the heroes to save the world--villains just want to rule the world. In this unique YA anthology, thirteen acclaimed, bestselling authors team up with thirteen influential BookTubers to reimagine fairy tales from the oft-misunderstood villains' points of

view. These fractured, unconventional spins on classics like "Medusa," Sherlock Holmes, and "Jack and the Beanstalk" provide a behind-the-curtain look at villains' acts of vengeance, defiance, and rage--and the pain, heartbreak, and sorrow that spurned them on. No fairy tale will ever seem quite the same again! Featuring writing from . . . Authors: Renée Ahdieh, Amerie, Soman Chainani, Susan Dennard, Sarah Enni, Marissa Meyer, Cindy Pon, Victoria Schwab, Samantha Shannon, Adam Silvera, Andrew Smith, April Genevieve Tucholke, and Nicola Yoon. BookTubers: Benjamin Alderson (Benjaminoftomes), Sasha Alsberg (abookutopia), Whitney Atkinson (WhittyNovels), Tina Burke (ChristinaReadsYA blog and

TheLushables), Catriona Feeney (LittleBookOwl), Jesse George (JesetheReader), Zoë Herdt (readbyzoe), Samantha Lane (Thoughts on Tomes), Sophia Lee (thebookbasement), Raeleen Lemay (padfootandprongs07), Regan Perusse (PeruseProject), Christine Riccio (polandbananasBOOKS), and Steph Sinclair & Kat Kennedy (Cuddlebuggerly blog and channel).

Do you know what the hardest thing for a Dutch learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students. Books that present many new problems to the reader and force them to search for

words in a dictionary every five minutes - it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book, we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the beautiful Dutch tongue. How Dutch Short Stories for Beginners works: - Each story is exciting and entertaining with realistic dialogues and day-to-day situations. - The summaries follow a synopsis in Dutch and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. - At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! - Finally, you'll be provided with a set of tricky questions in Dutch, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning the tongue; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Dutch Short Stories for Beginners and start learning Dutch right now!

**I Am a Cat** Pan Macmillan

At Dupont University, an innocent college freshman named Charlotte Simmons learns that her intellect alone will not help her survive.

**I am so over being a Loser** Bloomsbury Publishing USA

A simple housecat named Simon encounters some bigger cats: Lion, Puma, Panther, Tiger, and Cheetah. Each of the big cats has something to say about Simon not being "cat" enough. According to them, he just doesn't measure up. He doesn't have Lion's mane or Cheetah's spots. He doesn't sleep in trees like Panther or climb mountains like Puma. He's small and fuzzy, not big and strong. But ultimately, Simon shows the big cats that he's just like them . . . only smaller. A celebration of both individuality and community, *I Am a Cat* is a strong debut that shows we're all more alike than we think . . . if we look closely enough.

Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and Jennette would do anything to make her mother happy. So she went along with what Mom called "calorie restriction," eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, "Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?" She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi ("Hi Gale!"), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of

unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, I'm Glad My Mom Died is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Mr. Men meets The Color Monster--with a unicorn!--in the third book in this series that taps into the current trend of books about childhood emotions, this one about sadness. A little unicorn's rainbow-colored mane shifts to a single color when he's feeling a particularly strong emotion. It seems like a storm comes over him when he's sad, and his mane turns deep blue. But when he repeats a breathing exercise, the clouds clear and his rainbow returns--

and if he ever feels sad again, he'll know just what to do. This distinctive series about coping with strong feelings integrates a breathing exercise into the story, making these books perfect for parents who are seeking practical tools for their children. With accessible, mainstream artwork and unicorn character appeal, each book focuses on just one emotion, allowing parents and children to dive deeper into individual moods. Little Unicorn is Shy will release at the same time.

Reviews "immensely enjoyable"-ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "a fantastic book that has enchanted me"-Amazon Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet 1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book: ) Get it get it get it!"-Amazon Customer Review "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"-ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-
