HINES BATES

Force and Freedom Alfred A. Knopf
The true story of a great American and influential general from the Civil War First published in 1886, this remarkable story of General George B. McClellan was posthumously published by his wife, Ellen M. McClellan. The original full title is McClellan's Own Story: The War for the Union - The Soldiers Who Fought It - The Civilians Who Directed It - And His Relationship To It And To Them. This spectacular reprint includes the biographical sketch of George McClellan by W.C. Prime, LL.D., and numerous

digitally remastered illustrations from a pristine source. Historians and Civil War enthusiasts will enjoy this candid autobiography that tells McClellan's Civil War story from his point of view and includes numerous private letters and communications about battles, fellow generals, and President Abraham Lincoln. Remastered with the original period font and a new cover design fit for display in the finest reading rooms. Born in Philadelphia and destined to become the governor of New Jersey, George B. McClellan is known as one of the most significant Union generals early in the American Civil War. He played an important role in raising the Army of the Potomac and served as general in chief of

the Union army for a brief period. He was removed from command in 1862 and went on to a successful career in politics and writing. Table of Contents: Chapter 1: Causes of the war, principles of The Union, states rights and secession Chapter 2: Beginning of the war in the West, apathy at Washington, McClellan called to Washington Chapter 3: Private letters from General McClellan to his wife, June 21 to July 21, 1861 Chapter 4: Arrival at Washington, Reception by General Scott and the President, state of the army Chapter 5: Private letters from July 27 to September 30, 1861 Chapter 6: The defense of Washington, growth of an army, memorandum to the President Chapter 7: Details of the creation of The

Army of the Potomac Chapter 8: Various generals, scenes in his command Chapter 9: Conspiracy of the politicians, interview at the President's office, the President's military orders Chapter 10: Private letters, Oct. 1, 1896 to March 12, 1892 Chapter 11: Events in and around Washington, Ball's Bluff, Harper's Ferry Chapter 12: McClellan succeeds Scott in command of all the armies, Halleck and Grant Chapter 13: Evacuation of Manassas, McClellan removed from chief command, plan of advance on Richmond Chapter 14: Letters and despatches relating to subjects treated in the foregoing and following chapters Chapter 15: The Peninsular campaign, landing at Fortress Monroe Chapter 16: Effects of reduction of the army, siege of Yorktown Chapter 17: Letters and despatches Chapter 18: Private letters April 1 to May 5, 1862 Chapter 19: Confederate retreat, pursuit towards Williamsburg Chapter 20: Advance from Williamsburg, plan of the campaign, movements on this line Chapter 21: Private letters May 6 to May 18, 1861 Chapter 22: White House, bridges, neglect at Washington, McDowell's retention useless Chapter 23: Operations on the Chickahominy, Battle of Fair Oaks Chapter 24: Private letters May 20 to June 26, 1862 Chapter 25: Beginnings of the Seven Days, Battle of Gaines's Mill Chapter 26: Seven Days' battles, Savage's Station, Malvern Hill Chapter 27: Private letters June 26 to August 23, 1862 Chapter 28: Letters to General Halleck and General Burnside, Secretary Stanton And more...

Women of the Civil War Univ of California Press

This book follows the 22nd Maine Regiment from their formation through their part in General Nathaniel Banks' campaign in Louisiana and their return home for mustering out. Among other duties, the regiment took part in the fighting at Irish Bend and in the two ill-considered attacks at the Confederate bastion of Port Hudson. The book draws on first person accounts from private soldiers, a company commander, and the colonel of the regiment, in addition to official records and reports.

A Massacre in Memphis Icon Books
How America's high standard of living came to be and why future growth is under threat In the century after the Civil War, an economic revolution improved the American standard of living in ways previously unimaginable. Electric lighting, indoor plumbing, motor vehicles, air travel, and television transformed households and workplaces. But has that era of unprecedented growth come to an end? Weaving together a vivid narrative,

historical anecdotes, and economic analysis, *The Rise and Fall of American Growth* challenges the view that economic growth will continue unabated, and demonstrates that the life-altering scale of innovations between 1870 and 1970 cannot be repeated. Robert Gordon contends that the nation's productivity growth will be further held back by the headwinds of rising inequality, stagnating education, an aging population, and the rising debt of college students and the federal government, and that we must find new solutions. A critical voice in the most pressing debates of our time, *The Rise and Fall of American Growth* is at once a tribute to a century of radical change and a harbinger of tougher times to come. *The 16th Mississippi Infantry* Yale University Press

By analytically decoupling war and violence, this book explores the causes and dynamics of violence in civil war. Against the prevailing view that such violence is an instance of impenetrable madness, the book demonstrates that there is logic to it and that it has much less to do with collective emotions, ideologies, and cultures than currently believed. Kalyvas specifies a novel theory of selective violence: it is jointly produced by political actors seeking information and individual civilians trying to avoid the worst but also grabbing what opportunities their predicament affords them. Violence, he finds, is never a simple reflection of the optimal strategy of its users; its profoundly interactive character defeats simple maximization logics while producing surprising outcomes, such as relative

nonviolence in the 'frontlines' of civil war. **Slavery by Another Name** McGraw-Hill/Glencoe

A Pulitzer Prize-winning history of the mistreatment of black Americans. In this 'precise and eloquent work' - as described in its Pulitzer Prize citation - Douglas A. Blackmon brings to light one of the most shameful chapters in American history - an 'Age of Neoslavery' that thrived in the aftermath of the Civil War through the dawn of World War II. Using a vast record of original documents and personal narratives, Blackmon unearths the lost stories of slaves and their descendants who journeyed into freedom after the Emancipation Proclamation and then back into the shadow of involuntary servitude thereafter. By turns moving, sobering and shocking, this unprecedented account reveals these stories, the companies that profited the most from neoslavery, and the insidious legacy of racism that reverberates today.

General McClellan's Own Story: Illustrated Special Edition ABDO

Celebrate the women who played a pivotal role in the American Civil War. *Women of the Civil War* gives a detailed, contemporary look at the women who fought, served, aided, mended, and supported the efforts of both the Union Army and the Confederacy. In many cases they followed their brothers and husbands to the field of battle and into enemy prisons; some ventured to the edge of the fight to rescue the wounded or comfort the dying. They came from all walks of life and exhibited persistence, endurance, faith, and compassion. Initially written by Frank Moore in 1866, this spectacular book sheds light on many of the forgotten heroes of the Civil War. Presented in this enlarged special edition format, *Women of the Civil War* authentically reproduces the original, classic type font with digitally scanned engravings from the source. Thousands of women labored in the field and city hospitals, and on the hospital boats where the most severely wounded men were received. They penetrated the lines of the enemy on dangerous missions and organized great charities. They pushed American sanitary enterprises and served as angels of mercy in situations untold. Table of Contents: Chapter 1 - Mrs. Fanny Ricketts Chapter 2 - Mrs. Mary A. Brady Chapter 3 - Kady Brownell Chapter 4 - Mrs. P.B. Hurd Chapter 5 - Margaret E. Breckinridge Chapter 6 - Mrs. Elida Rumsey Fowle Chapter 7 - Bridget Divers Chapter 8 - Mrs. Isabella Fogg Chapter 9 - What We Did At Gettysburg Chapter 10 - Mrs. Mary W. Missouri Then And Now Arcadia Publishing

Would you ever run off to join the army, leaving your family behind? That's what nine-year-old John Lincoln Clem does in 1861. Determined to fight for his country, Johnny sneaks onto a train filled with men from the 3rd Ohio Union Regiment. Taken in by the older soldiers, Johnny becomes a drummer boy, and later, takes up his own musket. As the war rages on, Johnny experiences the brutalities of battle as well as the rampant illness and gnawing hunger in between. But the most dangerous part of Johnny's journey is yet to come. Based on a True Story books are exciting historical fiction about real children who lived through extraordinary times in American History. This title has Common Core connections.

Remarks of the President to a Joint Session of the Congress Univ. Press of Mississippi

From its origins in the 1750s, the white-led American abolitionist movement adhered to principles of "moral suasion" and nonviolent resistance as both religious tenet and political strategy. But by the 1850s, the population of enslaved Americans had increased exponentially, and such legislative efforts as the Fugitive Slave Act and the Supreme Court's 1857 ruling in the Dred Scott case effectively voided any rights black Americans held as enslaved or free people. As conditions deteriorated for African Americans, black abolitionist leaders embraced violence as the only means of shocking Northerners out of their apathy and instigating an antislavery war. In *Force and Freedom*,

Kellie Carter Jackson provides the first historical analysis exclusively focused on the tactical use of violence among antebellum black activists. Through rousing public speeches, the burgeoning black press, and the formation of militia groups, black abolitionist leaders mobilized their communities, compelled national action, and drew international attention. Drawing on the precedent and pathos of the American and Haitian Revolutions, African American abolitionists used violence as a political language and a means of provoking social change. Through tactical violence, argues Carter Jackson, black abolitionist leaders accomplished what white nonviolent abolitionists could not: creating the conditions that necessitated the Civil War. *Force and Freedom* takes readers beyond the honorable politics of moral suasion and the romanticism of the Underground Railroad and into an exploration of the agonizing decisions, strategies, and actions of the black abolitionists who, though lacking an official political voice, were nevertheless responsible for instigating monumental social and political change.

Memoirs of General W.T. Sherman Volume 2 Pen and Sword Military
 Published by OpenStax College, U.S.
 History covers the breadth of the chronological history of the United States and also provides the necessary depth to ensure the course is manageable for instructors and students alike. U.S. History is designed to meet the scope and sequence requirements of most courses. The authors introduce key forces and major developments that together form the American experience, with particular attention paid to considering issues of race, class and gender. The text provides a balanced approach to U.S. history, considering the people, events and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience).

A Thousand Splendid Suns Feiwel & Friends

On the hot summer evening of July 2, 1863, at the climax of the struggle for a Pennsylvania hill called Little Round Top, four Confederate regiments charge up the western slope, attacking the smallest and most exposed of their Union foe: the 16th Michigan Infantry. Terrible fighting has raged, but what happens next will ultimately—and unfairly—stain the

reputation of one of the Army of the Potomac's veteran combat outfits, made up of men from Detroit, Saginaw, Ontonagon, Hillsdale, Lansing, Adrian, Plymouth, and Albion. In the dramatic interpretation of the struggle for Little Round Top that followed the Battle of Gettysburg, the 16th Michigan Infantry would be remembered as the one that broke during perhaps the most important turning point of the war. Their colonel, a young lawyer from Ann Arbor, would pay with his life, redeeming his own reputation, while a kind of code of silence about what happened at Little Round Top was adopted by the regiment's survivors. From soldiers' letters, journals, and memoirs, this book relates their experiences in camp, on the march, and in battle, including their controversial role at Gettysburg, up to the surrender of Gen. Robert E. Lee at Appomattox Court House.

Model Rules of Professional Conduct BRILL

The Civil War is the central event in the American historical consciousness. While the Revolution of 1776-1783 created the United States, the Civil War of 1861-1865 preserved this creation from destruction and determined, in large measure, what sort of nation it would be. The war settled two fundamental issues for the United States: whether it was to be a nation with a sovereign national government, or a dissoluble confederation of sovereign states; and whether this nation, born of a declaration that all men are created with an equal right to liberty, was to continue to exist as the largest slaveholding country in the world. The Constitution of 1789 had left these issues unresolved. By 1861 there was no way around them; one way or another, a solution had to be found. - Preface.

Enslavement in Memphis MSU Press

Fight in World War II, 1941-1945 Chapter 28 Post-War Prosperity and Cold War Fears, 1945-1960 Chapter 29 Contesting Futures: America in the 1960s Chapter 30 Political Storms at Home and Abroad, 1968-1980 Chapter 31 From Cold War to Culture Wars, 1980-2000 Chapter 32 The Challenges of the Twenty-First Century *U.S. History* Univ of North Carolina Press This book provides a comprehensive narrative history of Liberia's first civil war, from its origins in the 1980s right through the conflict and up to the peace agreement and conclusion of hostilities in 1997. The first Liberian Civil War was one of Africa's most devastating conflicts, claiming the lives of more than 200,000 Liberians, and sending shockwaves across the world. Drawing on a wide range of local and international sources, the book traces the background of the war and its long-term and immediate causes, before analysing the detail of the unfolding conflict, the eventual ceasefire, peace agreement and subsequent elections. In particular, the book shines a light on hitherto unseen first-hand Roman Catholic indigenous and missionary sources, which offer a rare intimacy to the analysis. Detailing the impact of Liberia's individual warlords and peacemakers, the book also explains the roles played by non-governmental agencies, national, regional and international actors, by the UN, ECOWAS and the Organisation of African Unity, and by nations with special interests and influence, such as the USA and other West African states. This book's detailed narrative analysis of the Liberian conflict will be an important read for anyone with an interest in the Liberian conflict, including researchers within African studies, political science, contemporary history, international relations, and peace and conflict studies.

Independent Publishing Platform

Created as a companion for the popular fourth-grade textbook *Missouri Then and Now* by Perry McCandless and William E. Foley, this workbook provides students additional insight into Missouri's rich history with cognitive activities and writing assignments. "Missouri Then and Now" Activity Book coordinates perfectly with the Grade 4 Benchmark and the new Content Specifications for Statewide Assessment and Grade Level Expectations. Using a mixture of traditional learning activities along with open-ended constructed response questions, this book promotes the kind of imaginative thinking that is required for students taking the MAP (Missouri Assessment Program) test. Each chapter has Vocabulary and

Objectives pages. Students are encouraged not only to look up the definitions of the vocabulary words, but also to use them in sentences and draw accompanying illustrations. The Objectives pages are perfect for note-taking during class and while reading chapters of Missouri Then and Now. These pages take the place of the traditional fill-in-the-blank study guides of the past, and students become responsible for their learning. Also included are Assessment pages for use at the end of each chapter. Utilizing short questions and answers, as well as multipart questions, they cover all the material taught in the chapter. Some chapters also have cause-and-effect charts and timelines. In the teacher's edition, scoring guides are provided for the writing assignments, diagrams, and other projects. They are designed so that teachers can decide the criteria to be scored and the points they wish to award each item. The scoring guides can be adapted by teachers who decide to assign other activities. Blank history trading cards, which can be used with any chapter a teacher chooses, are also provided. "Missouri Then and Now" Activity Book challenges students at the same time that it allows for flexibility in teaching and scoring. Teachers decide when students may use the textbook as a reference, as well as whether to use the scoring guides in scoring responses. The activity book also lets the student have flexibility. For many of the activities, students can choose the type of response or diagram they wish to use to

demonstrate their knowledge. With its stimulating activities, this book is the perfect accompaniment to Missouri Then and Now. Students will benefit greatly as they become familiar with the rich history of their state, and teachers will find it extremely useful as a learning tool because it encourages students to broaden their thinking processes. Men Who Fought in the Civil War Princeton University Press

Civil War Wests Chump Change

An unprecedented account of one of the bloodiest and most significant racial clashes in American history. In May 1866, just a year after the Civil War ended, Memphis erupted in a three-day spasm of racial violence that saw whites rampage through the city's black neighborhoods. By the time the fires consuming black churches and schools were put out, forty-six freed slaves had been murdered. Congress, furious at this and other evidence of white resistance in the conquered South, launched what is now called Radical Reconstruction, policies to ensure the freedom of the region's four million blacks—and one of the most remarkable experiments in American history. Stephen V. Ash's *A Massacre in Memphis* is a portrait of a Southern city that opens an entirely new view onto the Civil War, slavery, and its aftermath. A momentous national event, the riot is also remarkable for being "one of the best-documented episodes of the American nineteenth century." Yet Ash is the first to mine the sources available to full effect. Bringing postwar Memphis, Tennessee to vivid life, he takes us among newly arrived Yankees, former Rebels, boisterous Irish immigrants, and striving freed people, and shows how Americans of the period worked, prayed, expressed their politics, and imagined the future. And how they died: Ash's harrowing and profoundly moving present-tense narration of the riot has the immediacy of the best journalism. Told with nuance, grace, and a quiet moral passion, *A Massacre in Memphis* is Civil War-era history like no other.
