Mary and a few of her old college friends are invited to an almost forgotten friend's home. All are surprised to see how well their classmate has done.

Victoria has a huge house with a big swimming pool, a large garden and a not entirely secret barn. The years had proved kind to them all. But none so kind as to Victoria. By all accounts she was more beautiful than her friends had remembered. And exceptionally more busty. Naturally busty in a way that money alone would never provide. What was expected to be a weekend of relaxation and reminiscing soon turns into something more expansive to the exquisite delight of everyone involved. By weekend's end Mary's friends are reveling in their expanding bosoms, rivaling even Victoria's. But at what price? As her friend's busts grew, their minds slowly dripped away. Yet Mary's seemed not to drip at all. Will she figure out a way to save her friends from such

a fate? Will she save them, and herself from becoming mindless bimbo milk cows for Victoria's farm? Will she want to?

Changing Abigail An Erotic

Transformation Story Abigail was simply humoring her roommate Tessa. It was hard not to simply let the energetic brunette have her way, and this time was no different. Sure, Abigail liked to party from time to time, but she had to

study sometimes too. Tonight, though, she let Tessa drag her to a special party, one where something extraordinary was supposed to be on order. When she bumped into her beefy lab partner Jack, Abigail felt relieved. Tessa would no doubt leave her to chase after the first hot guy walked by, but she could keep Jack interested as long as she wanted to. Just as they were starting to get settled in, the host showed up and after giving a little speech, he grew a pair of wolf ears and a tail! Special nanobot patches were passed around, and Tessa came back, this time as some half-cow woman with a raging libido and a massive new chest. Abigail just couldn't resist joining in, and decided to take the plunge along with her hunky classmate. After she turned into a frisky cat-girl, Jack was ready to

help her have a wild night that she's not going to soon forget!

Warning: Big Sky is DARK literary erotica meant for an emotionally mature, adult audience. This work is not romance. Nor is it "50 Shades". Do not expect an HEA. If you are familiar with this author's work and enjoyed Comfort Food, you may also enjoy this title. If you are unfamiliar with this author, you might first want to try

some of her tamer/lighter works such as Blood Mate or Mafia Captive to see if her style might be for you. Big Sky is a work of fiction and neither the author nor the publisher condone the behavior of any characters in real life. Description: Veronica Cason lives in a small apartment with no clear view of the sky. It's uncertain which might crush her first: her debt or the buildings squeezed in so tight that they surround her like ominous sentinels. She can't breathe in the city. Her success is a lie, and her debt is coming to collect her--unless someone else gets there first. When a stranger offers her a job at a ranch, it feels like salvation, but it could also mean her death if his motives aren't pure. Which door has the tiger behind it? The claustrophobia of the city or ranch life

under an open sky? What Readers are Saying about Big Sky: "Kitty Thomas writes amazing dark erotica, so what, you ask, did I learn about myself from reading her latest book? I learned that I must be getting jaded and I am a sucker for a grieving man." -JillyP "Preface to say that this is dark edgy erotica, not for those looking for pure romance. But if this is your genre, then Big Sky is a must read. Well-crafted story with complex characters. I am hooked on Kitty Thomas!" -K. Victoria Smith "Big Sky was a good dark erotic story by Kitty Thomas and I think one of the darkest ones that she has written. I highly recommend Big Sky to all fans of dark erotica." -AsianCocoa "Kitty writes fictional stories that are dark erotica, so going into this novel I knew what to expect. While this

book definitely has some dark and twisted things happening in it that I don't personally agree with, I couldn't help but justify everything that happened. In a lot of ways, I felt that Luke really was saving Veronica and giving her a do-over. Only Kitty Thomas can take something so morally wrong and make it seem right." - KC Book Girl "If you are a Kitty Thomas fan, this is a must-read. If you've never read Kitty Thomas before, and you think you can handle reading dark erotica, don't start here. Go read Comfort Food, and if you love it, come back and read Big Sky. It's perfect." Amazon Customer "This is one of the strangest erotic novels I have ever read, and trust me, that is really saying something. I don't even know how to describe the book. I guess it's best described as a dark erotic

novel, but that just doesn't seem quite enough." - Charles M Smith II "Kitty Thomas had done it again. She's ensnared me in her web of dark and disquieting words. The dark subject matter of BIG SKY rivals that of COMFORT FOOD (a book that still haunts my thoughts years after reading). Let's just say that the antagonist/hero in BIG SKY makes Master from COMFORT FOOD seem like a well-adjusted individual. ;-)
And, yes, in Kitty's world, the hero and antagonist are usually the same person." -Book of Secrets "The writing was brilliant and I loved how the author went there and I commend her for that. Just some of the scenes were too much and in the end I felt truly sorry for Veronica. I guess her only savior is that beautiful blue sky. Out of a 5 I'm giving this book

3 stars. Prepare yourself this book is not for everyone, but if you do read please go in with an open mind. This book was very good." - Lynne "In the end, I was struck by the sadness of unrequited love of two individuals, which to me was the theme of the story. Not the fetishism or the dark themes, but two very lonely and broken people trying to heal the only way they knew how. Thomas' stories aren't about shock value, they're about broken people. Yes, this one covers entirely new territory, and it's not for everyone, but it has a wonderfully bittersweet ending." - Candice Bundy "Big Sky is a sexual fantasy scenario packaged in realism, written in a way so that if the scenario could indeed be brought to life, how would it then play out in the most realistic fashion? And in

my opinion, this is what Kitty Thomas does best. She IS able to merge fantasy with reality in a way that I think few authors of this genre can, and still make it layered and thoughtful with moments of real emotion." -iPollux "I bought and inhaled this book immediately after reading Comfort Food. Wow. Kitty Thomas is a gutsy author, and I love that." - D. Green-Norris More dark literary erotica by Kitty Thomas: Erotic novels: Comfort Food Guilty Pleasures Tender Mercies The Last Girl Mafia Captive Blood Mate Submissive Fairy Tales Erotic novellas: Awakening The King's Pleasure The Auction Note: This work is not 50 Shades of Grey, however, if you enjoy work like 50 Shades of Grey, you may also enjoy Kitty Thomas. If you like Kitty Thomas, consider trying some

of these other great authors: CJ Roberts, Tiffany Reisz, Annabel Joseph, Pepper Winters, Anna Zaires, Aleatha Romig, Skye Warren, Cherise Sinclair Kitty writes dark literary erotica, usually with a kinky master/slave theme and a hint of bdsm and captive erotica elements.
