collection with ABCs of Kindness, 123s of Thankfulness, and Happiness is a Rainbow!

All Things Work Together Simon & Schuster/Paula Wiseman Books
Blue follows three roommates as they navigate life and love in their post-college years. Tash Daniels, the former party girl, falls for deejay Aidan. Always attracted to the wrong guy, what happens when the right one comes along? Jason Woo, a lighthearted model on the rise, uses the club scene as his personal playground. While he's adept at helping Tash with her personal life, how does he deal with his own when he meets a man that defies his expectations? Penelope, a reserved and earnest graduate student slips under the radar, but she has a secret no one suspects. As the characters' stories unfold, each is forced to confront their life choices or complacency and choose

which version of themselves they want to be. *Blue* is a novel about identity, friendship, figuring out who we are during the “in-between” phases of life, and the search for people who “get us.” The characters in *Blue* show how our interactions with people often bump up against backstage struggles we know nothing of. Visual art, television and film, appear as signposts throughout the narrative, providing a context for how we each come to build our sense of self in the world. With a tribute to 1980s pop culture, set against the backdrop of contemporary New York, *Blue* both celebrates and questions the ever-changing cultural landscape against which we live our stories, frame by frame. Although fictional, *Blue* is grounded in interview research, teaching and personal observations. It can be read entirely for pleasure or used as supplemental reading in a variety of courses in women’s/gender studies, sociology, psychology, communication, popular culture, media studies, qualitative inquiry, narrative inquiry or arts-based research. The protagonist, Tash Daniels, originally appeared in the best-selling novel *Low-Fat Love* (*Blue* is set several years later). *Blue* can be read as a stand-alone novel. *Blue* is a joyful, inspiring and painfully beautiful novel written by gifted scholar and writer, Patricia Leavy.” Norman Denzin, Ph.D., University of Illinois at Urbana-Champaign I love it. Tash is so familiar and yet unique. I get her discontents and I am rooting for her. I find the novel to be cool, hip, and awesome! It would be fantastic in any number of college courses. Young adults should read this. BRAVO, Patricia Leavy!” Laurel Richardson, Ph.D., The Ohio State University An engaging piece of public scholarship, *Blue* provides rich food for thought about the pop culture landscape and how it shapes our own stories. This will be a

useful and fun teaching tool.” Sut Jhally, Ph.D., University of Massachusetts at Amherst; Founder & Executive Director, Media Education Foundation Patricia Leavy, Ph.D., is an award-winning independent sociologist and best-selling author.

A Novel/ Tyndale House Publishers, Inc.

Learning the importance of love is as easy as A-B-C with this sweet board book that fosters social emotional development. A is for always--that's how long I'll love you for. Betrayed! Rodale Kids

Tracy must make a difficult decision as a junior high student when her best friend Kelly is scorned by the popular clique that Tracy wished to join.

ABCs of Love Yearling

KT's friendship with her two best friends is threatened when KT is selected for the talented and gifted program at school.

Shooting Stars Enslow Publishing, LLC

Alaskan bachelor, Thad Tucker is a hunting and fishing guide in the fertile Mat-Su valley of South Central Alaska. When buttons keep popping off his shirts, an old friend orders him to find a wife to do his mending. Leah Grant is restless and longs to break away from family expectations and the annoying attentions of Rusty Glick. Palmer beckons, and Pittsburgh answers!

Fair-Weather Friend Vintage

When eleven-year-old Sam visits her grandfather's ranch for the first time, she finds a new life very different from the one she has known with her vagabond mother and discovers what really matters most to her.

Lily's Crossing Rodale Kids

This is a continuation of "Patricia's Story" of building confidence and self-esteem. Patricia has low vision (Nystagmus). Patricia learns that everyone needs help sometimes and should not be shy or afraid to receive help or ask for help.

Portrait of a Friendship : Pauli Murray, Eleanor Roosevelt, and the Struggle for Social Justice Children's Press

Anna has studiously avoided her Aunt Rose—the woman she once loved more than anyone else in the world—ever since the night Rose betrayed Anna and her mother, Rose's own fatally ill sister. In the sixteen years that have passed, Anna has built another life for herself far from her hometown on Maryland's eastern shore, but she can't forgive or forget. Now another betrayal, by a faithless lover, has brought Anna back to her family's restaurant, where Rose needs her estranged niece's help—and trust—more than ever before. Determined to leave as soon as the struggling business is back on its feet and her own hurt is healed, Anna joins Rose in the kitchen of the Bella Sorella, resolved to remain unaffected by Rose's longing to undo the past. But Anna's resistance could blind her to a true and unexpected love that's reaching out to grab her by the heart. New York Times bestselling author Patricia Gaffney's *Flight Lessons* is a poignant, funny, and wise story of truth, loyalty, and the bonds that shape, sustain, and ultimately uplift us.

Holes in the Sky Yearling Books

A finalist for the Andrew Carnegie Medal for Excellence in Nonfiction, and longlisted for the National Book Award, *The Firebrand and the First Lady* is the riveting history, two decades in the making, of how a brilliant writer-turned-activist and the first lady of the United States forged an enduring friendship that helped to alter the course of race and racism in America. In 1938, the twenty-eight-year-old Pauli Murray wrote a letter to the President and First Lady, Franklin and Eleanor Roosevelt, protesting racial segregation in the South. Eleanor wrote back. So began a friendship that would last for a quarter of a century, as Pauli became a lawyer, principal strategist in the fight to protect Title VII of the 1964 Civil Rights Act and a co-founder of the National Organization of Women, and Eleanor became a diplomat and first chair of the United Nations Commission on Human Rights. Lillian Smith Book Award Finalist Georgia Author of the Year Nominated Zora Neale Hurston/Richard Wright Legacy Award

Cut Scholastic Inc.

This book is a necessary work to liberate people from the bondage of erroneous beliefs about friendships. It will exploit the false expectations we so readily impose on our friends so that we will all refrain from unrealistic presuppositions. This work will further provide the Biblical apologetic for God's design for friendships in order to eradicate Satan's destructive vices in these relationships. Only then can we more easily recognize that any friendship not framed by God's design and purpose is dangerous and toxic. Lastly, it will allow us to examine the many facets of Godly friendships with the hope of ultimately understanding the truth that one of the greatest sources of

spiritual strength in the believer's life is found in wholesome Christian friendships. For your further edification, I have included discussion questions at the end of each chapter. I encourage you to engage them privately and in group study. Dr. McLeod is a Pastor in Training in full time ministry at the International Gathering at Beth Rapha in New York. She serves as Director of Christian Education and Vice President of Beth Rapha Christian College & Theological Seminary, Inc. She received her Bachelor of Science degree from Virginia State University and Masters in Educational Supervision & Administration from Bowling Green State University. She also holds Masters and Doctorate Degrees in Christian Education Administration from Beth Rapha Christian College & Theological Seminary. Dr. Trish is happily married to General Davis McLeod and is the proud stepmother of two. They have been blessed with six lovely grandchildren and a host of Godchildren!

The Bridge Club Simon and Schuster

Patricia's Story WestBow Press

Friendship Book is a book designed to be passed among your child's friends, providing space for them to write a little bit about themselves. It gives them a chance to keep their childhood memories for a lifetime. This book will also encourage the art of reading and writing in the midst of this digital era.

Who Will Bell the Cat? Rodale Kids

In 1954, when desegregation comes to Kirkland, Missouri, ten-year-old Rosemary faces many changes and challenges at school and at home as her parents separate.

Someone to Count On Simon and Schuster

In eighteenth-century West Africa, a boy raised by his blacksmith father and the Mother Elements--Wind, Fire, Water, and Earth--is captured and taken to America as a slave.

Alaska Beckons Schwartz & Wade

"A simple biography about Martin Luther King, Jr. for early readers"--Provided by publisher.

With Audio Recording Harper Collins

Some men aren't meant for safe pastures. Home cooking, a warm bed, family -- all these things Tyler's father, Black Jack Bohannon, gave up for an unknown destiny. Now, at fourteen, Tyler is following in his father's footsteps. He's leaving his comfortable home in Sweet Creek, Missouri, for the frontier of the unsettled West. Luckily he's not going alone. Isaac Peerce, Tyler's best friend and a newly freed slave, is going with him. Both boys are looking for adventure and new beginnings. But the frontier is an

unforgiving place, and one mistake lands the boys in a heap of trouble. And just when they need each other the most, their

friendship is tested. They must find a way to work together, or Tyler and Isaac could become two more victims of the rugged American West.
