### MADALYNN ELLISON

The Fraternitas Saturni Simon and Schuster

The most in-depth work in English on the most influential secret magic group of 20th-century Germany, the Fraternitas Saturni, or Brotherhood of Saturn • Explores the history of the Order from its founding the late 1960s • Transcribes many rituals and practices in such detail that readers will be able to undertake their own experiential work • Examines the Order's teachings on cosmology, the Kabbalah, the Saturnian Sacraments, electrical magic, and sexual mysticism--the Yoga of the Dark Light • Includes biographies of prominent members, including founder Gregor A. Gregorius, Karl Spiesberger (Frater Eratus), and Albin Grau (Master Pacitius) The most influential magical group in Germany during the 20th century, the Fraternitas Saturni, or Brotherhood of Saturn, is still the most active and important magical society in Germany today. But from its formal beginnings in 1926 in Weimar Berlin until around 1970 it was almost totally secret. Most of what is known about the Order in the English-speaking world is fragmentary and focuses exclusively on the sensational sex-magic practices and Luciferian tendencies of this magical lodge. Presenting the most in-depth work in English on the Fraternitas Saturni, Stephen Flowers examines the history of the Order from the mid-1920s to the late 1960s when the Order was fundamentally reformed. He details their path of initiation, secret doctrines, ritual practices, and magical formulas and offers biographies of the

Order's most prominent members, including founder Gregor A. Gregorius, Karl Spiesberger (Frater Eratus), Albin Grau (Master Pacitius), and Franz Saettler (Dr. Musallam). Exploring the Brotherhood's guiding principles, he shows that at the heart of Saturnian ideology is the idea of Saturn-Gnosis: the interplay of opposing forces in the universe leading to the realization of the individual self as a god-like entity. He examines the Order's teachings on cosmology, the Kabbalah, the Saturnian Sacraments, electrical magic, sexo-cosmology, sex-magic rites, and sexual mysticism--the Yoga of the Dark Light--and transcribes many of their actual rituals and practices, including the highly controversial Gradus Pentalphae, in such detail that readers will be able to undertake their own experiential work. Explaining the meanings of all 33 grades of the Order, the author also looks at the infamous Freemasonic Order of the Golden Centurium, the cult of Adonism, the links between Thelema and the Fraternitas Saturni, and the rare teachings of Master Pacitius (Albin Grau), the visual genius behind the film Nosferatu. He also includes rare reports by Aleister Crowley concerning his interaction with some of the forerunners to the Order and letters from the Order's founder, Gregor A. Gregorius, to the "Great Beast."

The German Cambridge University Press

Traces America's endeavor to break the German naval code Enigma, in 1942, describing the secret work of unassuming engineer Joe Desch to design the Desch Bombe code-breaking machine. 25,000 first printing.

**Dostoevsky's Secrets** Random House Incorporated

A comprehensive two-volume overview and analysis of all facets of espionage in the American historical experience, focusing on key individuals and technologies. \* Includes over 750 entries in chronologically organized sections, covering important spies, spying technologies, and events \* Written by

an expert team of contributing scholars from a variety of fields within history and political science \* Provides a chronology of key events related to the use of espionage by the United States or by enemies within our borders \* A glossary of key espionage terms \* An extensive bibliography of print and electronic resources for further reading \* Photos of key individuals plus maps of geographical locations and military engagements where espionage played an important role

[The Encounter by Ambassador Thulani Dlomo](#) Goldtouch Press, LLC

"The interrelationship of fascism and sexuality has attracted a great deal of interest for some time now. This collection offers fresh perspectives by leading scholars on the history of sexuality under national socialism on such topics as the persecution of Jewish-gentile sex in the "race defilement" trials, homophobic propaganda and the prosecution of same-sex activity within the Wehrmacht and SS, representations of female sexuality in film, prostitution on home and battle fronts, sexual relations between Germans and foreign forced laborers, and reproductive practices among Jewish survivors. Moreover, the authors provide new insights into the relationships between Nazi sexual politics and antisemitism and challenge assumptions of Nazism as sexually repressive ; instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder." --book jacket.

[Spy Sites of New York City](#) Disinformation Books

Through every era of American history, New York City has been a battleground for international espionage, where secrets are created, stolen, and passed through clandestine meetings and covert communications. Some spies do their work and escape, while others are compromised, imprisoned, and--a few--executed. Spy Sites of New York City takes you inside this shadowy world and reveals the places where it all happened. In 233 main entries as well as listings for scores more spy sites, H. Keith Melton and Robert Wallace weave incredible true stories of derring-do and double-crosses that put even the best spy fiction to shame. The cases and sites follow espionage history from the Revolutionary War and Civil War, to the rise of communism and fascism in the twentieth century, to Russian sleeper agents in the twenty-first century. The spy sites are not only in Manhattan, Brooklyn, Queens, and the Bronx but also on Long Island and in New Jersey. Maps and 380 photographs allow readers to follow in the footsteps of spies and spy-hunters to explore the city, tradecraft, and operations that influenced wars hot and cold. Informing and entertaining, Spy Sites of New York City is a must-have guidebook to the espionage history of the Big Apple.

[The Secrets of Sexual Fantasy](#) ABC-CLIO

Set during the height of World War II, The German examines the effect a series of ritualistic murders has on a small, Texas community. A killer preys on the young men of Barnard, Texas, leaving cryptic notes written in German. As the panic builds all eyes turn toward a quiet man with secrets of his own, who is trying to escape a violent past. Ernst Lang fled Germany in 1934. Once a brute, a soldier, a leader of the Nazi party, he has renounced aggression and embraces a peaceful obscurity. But Lang is haunted by an impossible past. He remembers his own execution and the extremes of sex and violence that led to it. He remembers the men he led into battle, the men he seduced, and the men who betrayed him. But are these the memories of a man given a second life, or the delusions of a lunatic?

Embarking on yet another journey, Suzanne writes about her experiences and tries to make some sense of this confusion we call American education. With a European perspective, she will develop the best of both worlds, by outlining the best of both educational systems. To balance this rather serious subject, she will insert poetry to lighten the way to a different paradigm shift. What programs are better, how are they instituted, and where can they be rearranged to enhance the educational experience? That part of the study will presently unfold.

[The Secrets Your Mama Didn't Tell You about Men](#) Xlibris Corporation

Direct the tremendous amount of power released during sexual intercourse to magical and practical ends with the aid of the occult secrets in this book! Techniques and exercises explain how to transfer sexual energy to heal your partner, magically charge amulets and much more -- frankly and explicitly!

Simon and Schuster

From her cheerful Berlin kitchen, Luisa Weiss shares more than 100 rigorously researched and tested recipes, gathered from expert bakers, friends, family, and time-honored sources throughout Germany, Austria, and Switzerland. German baking has influenced baking traditions around the world for generations and is a source of great nostalgia for those of German and Central European heritage. Yet the very best recipes for Germany's cookies, cakes, tortes, and breads, passed down through generations, have never before been collected and perfected for contemporary American home bakers. Enter Luisa Weiss, the Berlin-based creator of the adored Wednesday Chef blog and self-taught ambassador of the German baking canon. Whether you're in the mood for the simple yet emblematic Streuselkuchen, crisp and flaky Strudel, or classic breakfast Brötchen, every recipe you're looking for is here, along with detailed advice to ensure success plus delightful storytelling about the origins, meaning, and rituals behind the recipes. Paired with more than 100 photographs of Berlin and delectable baked goods, such as Elisenlebkuchen, Marmorierter Mohnkuchen, and Schwarzwälder Kirschtorte, this book will encourage home bakers of all skill levels to delve into the charm of Germany's rich baking tradition. Classic German Baking is an authoritative collection of recipes that provides delicious inspiration for any time of day, whether it's for a special breakfast, a celebration with friends and family, or just a regular afternoon coffee-and-cake break, an important part of everyday German life.

[The Meanings of Sex Difference in the Middle Ages](#) Rowman & Littlefield

This thoroughly revised and updated edition of The German Polity provides a comprehensive introduction to contemporary Germany, one of the world's leading economic and political powers. Looking back, Eric Langenbacher and David P. Conradt trace the country's transformation since the seminal turning points of 1945 after World War II and 1990 after reunification. Looking to the present, the authors explain and assess its major

institutions, actors, and issues. Looking forward, they explore the looming economic, security, and demographic challenges the political system must address in the years to come.

[Secrets, Lovers & Lies](#) Ten Speed Press

All is fair in love and war. At least the Nazis thought so. They deployed sex like any other weapon in the service of the Third Reich. Al Camino examines many shocking cases, where brothels were hotbeds of bugging and blackmail, and pillow talk could topple nations. Cases include: • The bugging of Salon Kitty, a high-class brothel in Berlin which was taken over by the SS. • Nazi spy Lilly Stein, a 'good-looking nymphomaniac' who slept with US men in order to blackmail them. • Princess Stephanie Julianne von Hohenlohe, who used her intimate relationship with Lord Rothermere to get the British newspaper Daily Mail to support the Nazis in the 1930s Full of intrigue and surprise, Nazi Sex Spies presents a fascinating history of a little-known aspect of World War II.

[Secrets of the Cold War](#) Alpha Books

When Fyodor Dostoevsky proclaims that he is a "realist in a higher sense," it is because the facts are irrelevant to his truth. And it is in this spirit that Apollonio approaches Dostoevsky's work, reading through the facts--the text--of his canonical novels for the deeper truth that they distort, mask, and, ultimately, disclose. This sort of reading against the grain is, Apollonio suggests, precisely what these works, with their emphasis on the hidden and the private and their narrative reliance on secrecy and slander, demand. In each work Apollonio focuses on one character or theme caught in the compromising, self-serving, or distorting narrative lens. Who, she asks, really exploits whom in Poor Folk? Does "White Nights" ever escape the dream state? What is actually lost--and what is won--in The Gambler? Is Svidrigailov, of such ill repute in Crime and Punishment, in fact an exemplar of generosity and truth? Who, in Demons, is truly demonic? Here we see how Dostoevsky has crafted his novels to help us see these distorting filters and develop the critical skills to resist their anaesthetic effect. Apollonio's readings show how Dostoevsky's paradoxes counter and usurp our comfortable assumptions about the way the world is and offer access to a deeper, immanent essence. His works gain power when we read beyond the primitive logic of external appearances and recognize the deeper life of the text.

[Pagan Portals - Sexual Dynamics in the Circle](#) Casemate Publishers

Magical phenomenon, pagan worship, sorcery, and religion have all at one time been thought of as witchcraft. Witches, were labeled magical wizards, or sorcerers who had powers to conjure ill feeling or will toward non-magical people. These ideas predate the Anglo-Saxon period. This engaging and meticulously illustrated atlas reveals cultural ideas, from a global perspective, about witches and witchcraft, their place in their society, and the sometimes cruel punishments they were subjected to. Sidebars and boxes highlight interesting facts, glossary, an index, and resources for further study conclude this fascinating book.

[Witches and Witchcraft](#) Springer

Sex between two adults in a loving relationship is, according to Dr. Ruth, one of the most natural things in the world. And although you don't have to know very much if all you're trying to do is procreate, it's a whole other story if you're trying to get the most pleasure. We're all unique individuals and so the way we get the most out of sex is slightly different for each of us. So in order to engage in sex that maximizes pleasure, some guidelines are necessary. That's especially true if one or both partners have a special need of some sort, which is not uncommon. Also, every couple changes over time, and if you're not familiar with the approaching speed bumps, they can turn into barriers. And you shouldn't fight change, she says, you should embrace it. Change can help push boredom aside, provided your prepared and willing to head off in the right direction. In this wise book, the beloved sex therapist boils down her life teaching to ten basic secrets, including: Make Sex a Priority Know Yourself Know Your Partner Know the Kama Ruthra Kick Boredom out of the Bedroom Remember the Romance Afterplay is as Important as Foreplay Improve Communication Prepare for the Changes that Lie Ahead ...and others. "Once you have a good grasp of these rules," she concludes, "you'll be free to improvise...the only way you'll keep finding the pleasure that terrific sex can bring".

[Da Vinci Mole](#) ABC-CLIO

HARNESS THE MOST POWERFUL ENERGIES YOU HAVE EVER EXPERIENCED Unlock the powerful energies raised during the sex act and use them to manifest your deepest desires. During the sex act, your attention becomes focused into a "laser beam" of concentration. This power of concentrated thought is the foundation of all magical systems. Sex Magic's "secret" is that it's a tremendously powerful and easily learned way to consciously direct sexual energy and accomplish material and personal goals. Male and female energies are often entirely different and it would be folly to deny this; but experience shows that female magicians can be particularly successful in using and developing Sex Magic. Consequently, this book is aimed at both male and female readers unlike more traditional teachings written for men. Of all secret lore, Sex Magic has been reputed through the centuries to be the most dangerous. Today we know that this attitude was largely a reflection of the hostility held towards the flesh held by repressive religions. If we learn one thing from the shamanic cultures, it is the strong emphasis upon the role of the body in magic. Mind and Body are two facets of the One Thing in which Will, Imagination and Gnostic Trance are the three pillars of success. Contrary to the principles of Eastern Tantra, Western Sex Magic emphasizes the importance of actual orgasm, both male and female. Orgasm is the moment when the walls between consciousness and subconsciousness are sundered and direct access to the deeper levels of the psyche become possible, freeing up possible paranormal powers. Orgasm itself is sufficient to achieve gnostic trance provided that control is maintained and one does not simply lose consciousness, as most people do at the moment of ecstasy. Secrets Western Sex Magic teaches one of the oldest disciplines of this secret lore. It is a complete system of Sex Magic, in theory and practice - with exercises to develop related abilities for visualization, concentration, breath control, psychic energy arousal and flow along with full instructions on the projection of sexual energies for healing and manifestation, their use in Sigil Magic and the charging of Amulets & Talismans, Group Ritual, and the assumption of god-forms when working as a priestly couple, and the divine "Chymical Marriage" of ultimate union. This book is also an introduction to the entire field of practical magic, using our natural interest and involvement in sexual pleasure to illustrate and develop magical abilities and techniques.

His most enduring claim to fame is the crucial role he played in the transformation of spiritualism, a medium's passive reception of messages from the spirits of the dead, into occultism, the active search for personal spiritual realization and inner vision.

**The Templar Revelation** Lethe Press

From the espionage files, an American soldier is nearly recruited in a downtown bar to be a spy and a First Sergeant is lured by sex to be an unknowing participant in spying. Behind-the-lines images are historic and intriguing. See photographs of a French officer and a Soviet officer relaxing in the East German woods in a temporary unofficial peace; 'James Bond' type cars with their light tricks and their ability to leave their Stasi shadows 'wheel spinning' in the snow will amaze readers. A Russian translator for the presidential hotline recounts a story about having to lock his doors in the Pentagon, separating himself and his sergeant from the Pentagon Generals when a message comes in from the Soviets. When he called the White

House to relay the message to the President and stood by for a possible reply to the Soviet Chairman, he stopped working for the Generals and started working solely for the President.

**Sex, Freedom, and Power in Imperial Germany, 1880-1914** Bold Type Books

This book sheds light on those things that people in power—government, religious leaders, corporations, the rich and well connected—would just as soon wish you didn't know. To them secrets are power. And they'll do whatever it takes to keep them that way—suppressing the truth and covering up facts that might make the rest of us angry enough to challenge the powerful or at least to have a good laugh at their expense. Using careful research and impeccable sources, Kick uncovers the hidden truth. For example, self-appointed censors warn constantly about the dangers of pornography, but the fact is that pornography has existed since the first cave people carved dirty pictures on the walls. It's also true that two atomic bombs were dropped on North Carolina—although we managed to avoid nuking Greenland, Texas, Canada, Britain and Spain; George Washington embezzled government funds; 1 of 10 people is not fathered by the man they believe is dad; Barbie is based on a German sex doll; The American colonists practiced cannibalism, and much more. This is a combined edition of 50 Things You're Not Supposed to Know, volumes 1 and 2 first published in 2003 and 2004.
