Mexican Postcards New Directions Publishing

AVAILABLE FOR THE FIRST TIME IN eBOOK! General Simon Bolivar, "the Liberator" of five South American countries, takes a last melancholy journey down the Magdalena River, revisiting cities along its shores, and reliving the triumphs, passions, and betrayals of his life. Infinitely charming, prodigiously successful in love, war and politics, he still dances with such enthusiasm and skill that his witnesses cannot believe he is ill. Aflame with memories of the power that he commanded and the dream of continental unity that eluded him, he is a moving exemplar of how much can be won—and lost—in a life.

The General in His Labyrinth Penguin Books India

"One of the major poets of our time here probes and defines Mexican character and culture in a series of essays. Silence, irony, the formalization of social life -- these are the masks that permit the Mexican to conceal his personality. Far more than an interpretation of his own country alone, this book is also a penetrating commentary on the plight of Latin America today as a whole, an enlightening view of the North American -- "who wanders in an abstract world of machines, fellow citizens, and moral precepts"--And a universally applicable evaluation of the situation of contemporary man." [Back cover].

Itinerary Penguin Books, Limited (UK)

A moving tale of grief, community and the possibility of starting over, by an award-winning Australian author

Octavio Paz 's The Labyrinth of Solitude Manchester University Press

A contemporary reimagining of the Daphne and Apollo myth, *The Latinist* is a page-turning exploration of power, ambition, and the intertwining of love and obsession. Tessa Templeton has thrived at Oxford University under the tutelage and praise of esteemed classics professor Christopher Eccles. And now, his support is the one thing she can rely on: her job search has yielded nothing, and her devotion to her work has just cost her her boyfriend, Ben. Yet shortly before her thesis defense, Tessa learns that Chris has sabotaged her career—and realizes their relationship is not at all what she believed. Driven by what he mistakes as love for Tessa, Chris has ensured that no other institution will offer her a position, keeping her at Oxford with him. His tactics grow more invasive as he determines to prove he has her best interests at heart. Meanwhile, Tessa scrambles to undo the damage—and in the process makes a startling discovery about an obscure second-century Latin poet that could launch her into academic stardom, finally freeing her from Chris's influence. A contemporary reimagining of the Daphne and Apollo myth, *The Latinist* is a page-turning exploration of power, ambition, and the intertwining of love and obsession.

Life and Thought in Mexico Vintage

Collects samplings of the writings of thirty-five influential Mexican poets ranging from the sixteenth to twentieth centuries

The Labyrinth of Solitude: Life and Thought in Mexico Bloomsbury Publishing

"The days of the pure whites, the victors of today, are as numbered as were the days of their predecessors. Having fulfilled their destiny of mechanizing the world, they themselves have set, without knowing it, the basis for the new period: The period of the fusion and the mixing of all peoples." -- from *The Cosmic Race* In this influential 1925 essay, presented here in Spanish and English, José Vasconcelos predicted the coming of a new age, the Aesthetic Era, in which joy, love, fantasy, and creativity would prevail over the rationalism he saw as dominating the present age. In this new age, marriages would no longer be dictated by necessity or convenience, but by love and beauty; ethnic obstacles, already in the process of being broken down, especially in Latin America, would disappear altogether, giving birth to a fully mixed race, a "cosmic race," in which all the better

qualities of each race would persist by the natural selection of love. "This bilingual edition of *The Cosmic Race* by José Vasconcelos gives the reader a clear and concise introduction to contents that have caused much critical controversy. Didier T. Jaén places this essay in perspective, discussing theories relevant to Vasconcelos's thought... [and] also provides an historical context for Vasconcelos's evolving ideas." -- *Hispania*

A Study in the Making of the Chicano Mind and Character New York : Grove Press ; London : Evergreen Books

As well as the nine essays on his country's psyche and history that make up *The Labyrinth of Solitude*, this highly acclaimed volume also includes *The Other Mexico*, Paz's heartfelt response to the government massacre of over three hundred students in Mexico City in 1968, and *Return to the Labyrinth of Solitude*, in which he discusses his famous work with Claude Fell. The two final essays contain further reflections on the Mexican government.

The Labyrinth of Solitude: and Other Writings University of Arizona Press

Now in paperback, the definitive, life-spanning, bilingual edition of the poems by the Nobel Prize laureate *The Poems of Octavio Paz* is the first retrospective collection of Paz's poetry to span his entire writing career from his first published poem, at age seventeen, to his magnificent last poem. This landmark bilingual edition contains many poems that have never been translated into English before, plus new translations based on Paz's final revisions. Assiduously edited by Eliot Weinberger—who has been translating Paz for over forty years—*The Poems of Octavio Paz* also includes translations by the poet-luminaries Elizabeth Bishop, Paul Blackburn, Denise Levertov, Muriel Rukeyser, and Charles Tomlinson. Readers will also find Weinberger's capsule biography of Paz, as well as notes on many poems in Paz's own words, taken from various interviews he gave throughout his long and singular life.

Modern Mexican Mythology JHU Press

New York Times Bestseller Winner of the Women's Prize for Fiction World Fantasy Awards Finalist From the New York Times bestselling author of *Jonathan Strange & Mr Norrell*, an intoxicating, hypnotic new novel set in a dreamlike alternative reality. Piranesi's house is no ordinary building: its rooms are infinite, its corridors endless, its walls are lined with thousands upon thousands of statues, each one different from all the others. Within the labyrinth of halls an ocean is imprisoned; waves thunder up staircases, rooms are flooded in an instant. But Piranesi is not afraid; he understands the tides as he understands the pattern of the labyrinth itself. He lives to explore the house. There is one other person in the house—a man called *The Other*, who visits Piranesi twice a week and asks for help with research into *A Great and Secret Knowledge*. But as Piranesi explores, evidence emerges of another person, and a terrible truth begins to unravel, revealing a world beyond the one Piranesi has always known. For readers of Neil Gaiman's *The Graveyard Book* and fans of *Madeline Miller's Circe*, Piranesi introduces an astonishing new world, an infinite labyrinth, full of startling images and surreal beauty, haunted by the tides and the clouds.

Alternating Current Bloomsbury Publishing USA

Much good criticism of Mrquez came in the wake of *One Hundred Years of Solitude* and the perception of his fiction has been dominated by that novel. It seemed the implicit goal to which the earlier fiction has been striving. By concentrating on the later novels, including *The General in His Labyrinth*, this study brings out the internal dialogue between the novels so that *One Hundred Years of Solitude* then stands out, like *Don Quixote* in Cervantes' oeuvre, as untypical yet more deeply

representative. Behind the popular impact of its 'magical realism' lies Marquez' abiding meditation on the nature of fictional and historical truth.

If you're unprepared for a book that makes faith come alive in practice, that makes past come alive in the present--and offers these gifts only if you're willing to spend significant time learning about the church's powerful, active spiritual heritage (and your place in it), then put this book down now. Still with us? Good! Because we really don't want you to miss this book. Soul Shaper is hands-down the most comprehensive primer on the study and use of spiritual and contemplative practices for the benefit of your teenagers--and especially your own soul. Inside, author Tony Jones gives wings to his critically acclaimed debut, *Postmodern Youth Ministry*, by lucidly explaining how you can put postmodern ideas to work by learning powerful disciplines such as--Sacred ReadingThe Jesus PrayerThe Ignatian ExamenThe Daily OfficeStations of the CrossSabbathSilence and SolitudeCentering PrayerSpiritual DirectionThe LabyrinthPilgrimageService...and eventually implement them into the life of your youth ministry! But Jones cautions us all: 'These are not gimmicks. This isn't an Ideas book or a discussion starter book or a great-games-for-over-50-kids-in-a-gym book. This is a strange book. Although it's about spiritual exercises and their application in the practice of youth ministry, please practice them before you implement them! You won't come close to learning everything you need to know after reading this book. In fact, you may be a few years from utilizing any of these practices in your youth ministry. But if you find one or two that you incorporate into your rule of life, I'm quite sure that you--and the students God has put into your care--will be eternally changed as a result.' Complete with unparalleled instruction, deep and rich resources, and a look into Jones' research, travels, and personal journals as he bathed in the serene light of contemplative Christian spirituality, *Soul Shaper* is your next best step on the postmodern path.

[The Labyrinth of Solitude](#) Cambridge University Press

Examines the history and national characteristics of modern Mexico, discussing the contradictions of its politics, its complicated relationship with the United States, and its possible future direction. Reprint.

[The Labyrinth of Solitude: Life and Thought in Mexico](#). Tr. by Lysander Kemp Vintage

One of the 20th century's enduring works, *One Hundred Years of Solitude* is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo

through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, *One Hundred Years of Solitude* weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

[The Autumn of the Patriarch](#) W. W. Norton & Company

Providing a historical and modern context for the unique spiritual discipline of walking a labyrinth, Travis Scholl weaves his own journey with a prayerful study of the Gospel of Mark, guiding readers to powerful encounters with God, even in the midst of quiet solitude, repetition and stillness. These 40 reflections are ideal for daily reading--during Lent or any time of the year.

[A Place to Pray and Seek God](#) Text Publishing

In its front-page review of *Alternating Current*, The New York Times Book Review called Octavio Paz "an intellectual literary one-man band" for his ability to write incisively and with dazzling originality about a wide range of subjects. This collection of his essays is divided into three parts. Part 1 sets forth his credo as an artist and poet, steeped in his knowledge of world literature and Mexican art and history and buttressed by readings of writers from Mexican poet Luis Cernuda to D. H. Lawrence, Malcolm Lowry, André Breton, and Carlos Fuentes. Part 2 deals with themes such as Western individualism versus plurality and flux in Eastern philosophy, atheism versus belief, nihilism, liberated man, and versions of paradise. In Part 3, Paz writes of politics and ethics in essays on revolt and revolution, existentialism, Marxism, the third world, and the new face of Latin America. A scintillating thinker and a prescient voice on emerging world culture, Paz reveals himself here as "a man of electrical passions, paradoxical visions, alternating currents of thoughts, and feeling that runs hot but never cold" (Christian Science Monitor).

[Love and Eroticism](#) Penguin

Mexico Since Independence brings together six chapters from Volumes III, V and VII of the Cambridge History of Latin America to provide in a single volume an economic, social and political history of Mexico since independence from Spain in 1821. This, it is hoped, will be useful for both teachers and students of Latin American history. Each chapter is accompanied by a bibliographical essay.
