FARLEY JENNINGS

America Harper Collins

PULITZER PRIZE WINNER • NATIONAL BESTSELLER • A landmark work of history explores how a group of greatly gifted but deeply flawed individuals—Hamilton, Burr, Jefferson, Franklin, Washington, Adams, and Madison—confronted the overwhelming challenges before them to set the course for our nation. “A splendid book—humane, learned, written with flair and radiant with a calm intelligence and wit.” —The New York Times Book Review The United States was more a fragile hope than a reality in 1790. During the decade that followed, the Founding Fathers—re-examined here as Founding Brothers—combined the ideals of the Declaration of Independence with the content of the Constitution to create the practical workings of our government. Through an analysis of six fascinating episodes—Hamilton and Burr’s deadly duel, Washington’s precedent-setting Farewell Address, Adams’ administration and political partnership with his wife, the debate about where to place the capital, Franklin’s attempt to force Congress to confront the issue of slavery and Madison’s attempts to block him, and Jefferson and Adams’ famous correspondence—Founding Brothers brings to life the vital issues and personalities from the most important decade in our nation’s history.

Colonial America Anchor

From the "preeminent historian of Reconstruction" (New York Times Book Review), a newly updated edition of the prize-winning classic work on the post-Civil War period which shaped modern America, with a new introduction from the author. Eric Foner's "masterful treatment of one of the most complex periods of American history" (New Republic) redefined how the post-Civil War period was viewed. Reconstruction chronicles the way in which Americans—black and white—responded to the unprecedented changes unleashed by the war and the end of slavery. It addresses the ways in which the emancipated slaves' quest for economic autonomy and equal citizenship shaped the political agenda of Reconstruction; the remodeling of Southern society and the place of planters, merchants, and small farmers within it; the evolution of racial attitudes and patterns of race relations; and the emergence of a national state possessing vastly expanded authority and committed, for a time, to the principle of equal rights for all Americans. This "smart book of enormous strengths" (Boston Globe) remains the standard work on the wrenching post-Civil War period—an era whose legacy still reverberates in the United States today.

The Works of Jonathan Edwards, Vol. 4 Cengage Learning

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, Give Me Liberty! delivers an authoritative, accessible, concise, and integrated American history. Updated with powerful new scholarship on borderlands and the West, the Fifth Edition brings new interactive History Skills Tutorials and Norton InQuizitive for History, the award-winning adaptive quizzing tool.

Reprint of the original, first published in 1859. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

Poor Richard's Almanac Oxford University Press

What will you do when they come to take your guns? Earl Turner and his fellow patriots face this question and are forced underground when the U.S. government bans the private possession of firearms and stages the mass Gun Raids to round up suspected gun owners. The hated Equality Police begin hunting them down, but the patriots fight back with a campaign of sabotage and assassination. An all-out race war occurs as the struggle escalates. Turner and his comrades suffer terribly, but their ingenuity and boldness in devising and executing new methods of guerrilla warfare lead to a victory of cataclysmic intensity and worldwide scope. The FBI has labeled The Turner Diaries "the bible of the racist right." If the government had the power to ban books, this one would be at the top of its list. The Turner Diaries is the most controversial book in America today—and it's a book unlike any you've ever read!

Give Me Liberty! An American History Princeton Review

"This is History Book. It explored the grand scheme of world history as a product of real-life human beings pursuing their individual and collective interests. It also offered a global perspective on the past by focusing on both the distinctive characteristics of individual societies and the connections that have linked the fortunes of different societies. It has combined a clear chronological framework with the twin themes of traditions and encounters, which help to make the unwieldy story of world history both more manageable and more engaging. From the beginning, Traditions & Encounters offered an inclusive vision of the global past—one that is meaningful and appropriate for the interdependent world of contemporary times"—

The Killer Angels Modern Library

The complete text of one of the most important speeches in American history, delivered by President Abraham Lincoln during the Civil War. On November 19, 1863, Abraham Lincoln arrived at the battlefield near Gettysburg, Pennsylvania, to remember not only the grim bloodshed that had just occurred there, but also to remember the American ideals that were being put to the ultimate test by the Civil War. A rousing appeal to the nation's better angels, The Gettysburg Address remains an inspiring vision of the United States as a country "conceived in Liberty, and dedicated to the proposition that all men are created equal."

5 Steps to a 5: AP U.S. History 2021 Stanford University Press

"Give me Liberty, or give me Death!" is a famous quotation attributed to Patrick Henry from a speech he made to the Virginia Convention. It was given March 23, 1775, at St. John's Church in Richmond, Virginia, ..

The Turner Diaries Open Road Media

Interpreting the Great Awakening of the 18th century was in large part the work of Jonathan

Edwards, whose writings on the subject defined the revival tradition in America. This text demonstrates how Edwards defended the evangelical experience against overheated zealous and rationalistic critics.

Pamphlets; Sermons BoD – Books on Demand

THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1–41); Volume 1: To 1877 (Chapters 1–22); Volume 2: Since 1865 (Chapters 22–41). Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The Stamp Act W. W. Norton & Company

Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.

Princeton Review AP Biology Premium Prep 2021 Test Prep Books
