Houghton Mifflin Harcourt

The first book of bestselling author Orson Scott Card's Women of Genesis series—a unique re-imagining of the biblical tale Sarai was a child of ten years, wise for her age but not yet a woman, when she first met Abram. He appeared before her in her father's house, filthy from the desert, tired and thirsty. But as the dirt of travel was washed from his body, the sight of him filled her heart. And when Abram promises Sarai to return in ten years to take her for his wife, her fate was sealed. Abram kept his promise, and Sarai kept hers. They were wed, and so joined the royal house of Ur with the high priesthood of the Hebrews. So began a lifetime of great joy together, and greater peril: and with the blessing of their God, a great nation would be built around the core of their love. Bestselling author Orson Scott Card uses his fertile imagination, and uncanny insight into human nature, to tell the story of a unique woman—one who is beautiful, tough, smart, and resourceful in an era when women had little power, and are scarce in the historical record. Sarah, child of the desert, wife of Abraham, takes on vivid reality as a woman desirable to kings, a devoted wife, and a faithful follower of the God of Abraham,

chosen to experience an incomparable miracle. Women of Genesis Sarah Rebekah Rachel and Leah At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

This collection contains all four novels in the series, plus the digital original novella *The Magic Thief: A Proper Wizard*. *The Magic Thief: Conn* should have dropped dead the day he picked Nevery's pocket and touched the wizard's locus magicalicus, a stone used to focus magic and work spells. But Conn has little time to search for his stone between wizard lessons and helping Nevery discover who—or what—is stealing the city of Wellmet's magic. *The Magic Thief: Lost*: Conn may only be a wizard's apprentice, but even he knows it's dangerous to play with fire . . . especially around magic. But Conn is drawn to the murmurs he hears every time he sets off an explosion—something is trying to talk to him, to warn him. When none of the wizards listen, Conn takes matters into his own hands. His quest to protect everything he loves brings him face-to-face with a powerful sorcerer-king and a treachery beyond even his vivid imagination. *The Magic Thief: Found*: Sneaking out of prison isn't easy, unless you are a thief, or a wizard. Luckily, Conn is both! Trouble is, once he's out, where does he go? His home is a pile of rubble since he blew it up doing magic. His master, the wizard Nevery, is not happy with him. Worst of all, Conn's been exiled, and staying in the city will mean his death. *The Magic Thief: A Proper Wizard*: When Verent, a young apprentice from neighboring Danivelle, comes to Wellmet to ask for Conn's help with his city's magical problems, he is less than impressed with Conn. Will Verent be able to overcome his misgivings about Conn in order to help his town? And with Conn's help, will Verent become a proper wizard? *The Magic Thief: Home*:

Duchess Rowan has promoted Conn to ducal magister, but the other wizards see him only as a thief. But something sinister is brewing, as magicians' locus stones are being stolen and magical spells are going awry. As Conn faces old enemies and powerful magical forces, is he strong enough to save the city he calls home?
