Nakedness Is My End Penguin
Poetry. Edited and Translated from the Greek by Edmund Keeley.
A new translation of poetic masterpieces spanning Greece's
Archaic and Golden Age to Byzantium. In these beautiful
renderings Edmund Keeley displays his sensitivity as a translator
and his imagination as a poet. The verses spring to life for a new
generation of readers who will delight in the inventiveness, wit,
and honesty of essential ancient Greek voices such as Plato,
Leonidas, Callimachus, Meleager, Honestus, Strato, and Palladas.
One of the foremost translators of the 20th century, Edmund
Keeley has received international acclaim for his translations of
the Greek poets C.P. Cavafy, George Seferis, Yannis Ritsos, and

Odysseas Elytis. "The Ancients did not mince words when it came
to love and death. Edmund Keeley's stunning translation brings
Ancient Greek pith and urgency into the 21st Century: playful and
oracular, *NAKEDNESS IS MY END* is an essential study of human
life in lyric form."--Karen Emmerich "In Keeley's lucid translations,
we find just what we need: grace, humor, beauty, good advice,
and succor; all that poetry has been bringing us through the
darkness for these thousands of years. This expertly selected
collection will remind you to 'treat yourself entirely to what good
things there are.'"--Eleni Sikelianos

The instant New York Times bestseller featured on NPR's
Weekend Edition with Scott Simon! B. J. Novak (bestselling author
of *The Book With No Pictures*) described this groundbreaking

poetry collection as "Smart and sweet, wild and wicked, brilliantly funny--it's everything a book for kids should be." Lauded by critics as a worthy heir to such greats as Silverstein, Seuss, Nash and Lear, Harris's hilarious debut molds wit and wordplay, nonsense and oxymoron, and visual and verbal sleight-of-hand in masterful ways that make you look at the world in a whole new wonderfully upside-down way. With enthusiastic endorsements from bestselling luminaries such as Lemony Snicket, Judith Viorst, Andrea Beaty, and many others, this entirely unique collection offers a surprise around every corner. Adding to the fun: Lane Smith, bestselling creator of beloved hits like *It's a Book* and *The Stinky Cheese Man and Other Fairly Stupid Tales*, has spectacularly illustrated this extraordinary collection with nearly one hundred pieces of appropriately absurd art. It's a mischievous match made in heaven! "Ridiculous, nonsensical, peculiar, outrageous, possibly deranged--and utterly, totally, absolutely delicious. Read it! Immediately!" --Judith Viorst, bestselling author of *Alexander and the Terrible, Horrible, No Good, Very Bad Day*

Poetry. Asian & Asian American Studies. Women's Studies. Translated by Fiona Sze-Lorrain. In this remarkable English debut, award-winning Chinese contemporary poet Ye Lijun offers readers a lyrical diorama of nature and the inner world. By turns intimate and profound, Ye's poems in Fiona Sze-Lorrain's masterful translations make music of everyday silences, and illuminate the invisible openings in our lives. In this vital collection by one of China's essential literary voices, each encounter is an invitation, wherein a village, a nest, a telescope, or a book proves to be a transient guide to the unknown. "Fiona Sze-Lorrain brings her

sense of immediacy, and her lucid control of tone, to these inspired translations of Ye Lijun which capture, with unerring musicality, the rhythms of the original Chinese."--Martha Kapos "Ye Lijun's quiet, powerful poems accrete from places, memories, affect, and ideas unique to the poet. The distinctiveness of Ye's diction, metaphors, and associations make her imagination and intelligence anchor in ours. We come away from Ye's mountain, her house, her books, her loves, and return to those of our own with our senses made more acute. Translator Fiona Sze-Lorrain, a gifted poet herself, creates an English-language voice for Ye Lijun that has all the grace and surprise of the original."--Thomas Moran "[T]he joys revealed in *MY MOUNTAIN COUNTRY*, which bring together a selection of poems from her three books, elegantly translated by Fiona Sze-Lorrain, suggest that for an acute observer of the natural world every hour, secret or not, may become an occasion for opening, 'in clarity,' to the beloved, to nature, to the invisible--leaves and roses and flowering trees that at a moment's notice may awaken in her soul, alerting her once again to the mysterious bounty of life on earth."--

Poetry. Women's Studies. Greek Studies. Translated from the Greek by Sarah McCann. Maria Laina's debut English collection. Laina's poems carve symbolically rich images drawn from mythology and the natural world. *Rose Fear* follows in the Sapphic vein: fragmented, prophetic, and emotionally charged. Sarah McCann in her translations deftly captures the music and the vividness of Laina's scenes, which take their inspiration from regions as diverse as Japan, the Caribbean, and her native

Greece. Yet always behind the recognizable world lie the rhythms and lights of the fairytale, the fable, and the spell.

We have become used to looking at art from a stance of detachment. In order to be objective, we create a “mental space” between ourselves and the objects of our investigation, separating internal and external worlds. This detachment dates back to the early modern period, when researchers in a wide variety of fields tried to describe material objects as “things in themselves”—things, that is, without the admixture of imagination. Generations of scholars have heralded this shift as the Renaissance “discovery” of the observable world. In *Poetry in a World of Things*, Rachel Eisendrath explores how poetry responded to this new detachment by becoming a repository for a more complex experience of the world. The book focuses on ekphrasis, the elaborate literary description of a thing, as a mode of resistance to this new empirical objectivity. Poets like Petrarch, Spenser, Marlowe, and Shakespeare crafted highly artful descriptions that recovered the threatened subjective experience of the material world. In so doing, these poets reflected on the emergence of objectivity itself as a process that was often darker and more painful than otherwise acknowledged. This highly original book reclaims subjectivity as a decidedly poetic and human way of experiencing the material world and, at the same time, makes a case for understanding art objects as fundamentally unlike any other kind of objects.

Poetry. Italian Studies. Translated by Geoffrey Brock. An essential new translation of one of Italian literature's most celebrated poets. Giovanni Pascoli stands as a towering figure at the threshold of modern Italian poetry, yet he is little known in English. He wrote his best poems in the last decade of the nineteenth century and the first few years of the twentieth, in an extraordinary burst that included his three most important collections, *Myricae*, *Canti di Castelvecchio*, and *Primi poemetti*. In this volume, translator Geoffrey Brock offers a personal anthology that conveys the wide-eyed spirit and formal beauty of the originals. "This collection is a revelation. In Geoffrey Brock's impeccable versions, Pascoli becomes a poet who demands to be read out loud. Time and again I found myself stopping to savor a phrase, a line break, a rhyme, a stanza. And then reading the poem over from the start. 'The Sleep of Odysseus' is heart-stopping. It's difficult to overstate my admiration for that tact, grace, and formal imagination that shape these remarkable translations."--Clare Cavanagh "A champion of childlike intuition, muted tones, and 'small things,' Pascoli has until now been confined to his corner of the map. In this personal anthology, poet and translator Geoff Brock conveys to us the best of Pascoli. His Pascoli is the author of subtle, bewitching poems that look both inward and outward, celebrating the natural world and the inner life of humble objects: kites, walking sticks, the little nests of spring. Brock has kept the rhymes and meters, and his deeply intelligent remakings breathe new life into the old idiom."--Will Schutt

Poetry. Women's Studies. Translated by Rika Lesser. Written after

the tragic and unexpected loss of her young husband, this spare and startling collection by celebrated Swedish poet and novelist Elisabeth Rynell offers a raw elegy in which everything lived--a visit with a therapist, a memory of lovemaking, a venture into the wilderness--becomes an expression of grief. Unflinching in their refusal of irony, these poems are elegantly rendered in Rika Lesser's translation, which is the first appearance of Rynell's verse in English.

Poems from the Greek Anthology University of Chicago Press Poetry. Jewish Studies. What good luck to finally have in English the writings of the brilliant Jerzy Ficowski, the poet who lived at least seventeen lives, fighting in the Warsaw Uprising, and later

traveling for years with the Roma people through the roads of Poland, opposing his government, and watching the authorities ban his poems, a poet who translated from Spanish and Romanian and Yiddish and Roma, but most of all from the tongue of silence...Beautifully translated by Jennifer Grotz and Piotr Sommer, these poems also document the tragedy of the Holocaust, with the direct and uncompromising voice with which he reminds us of the great poets such as Różewicz and Świrszczyńska, while remaining, all the while, himself. Read a piece such as 'I was unable to save / a single life' in a bookstore, and I guarantee you will want to take this book with you, to keep

it for the rest of your life.--Ilya Kaminsky Thanks to these brilliant, careful, inspired translations, we can now read Jerzy Ficowski, one of Poland's best kept secrets. This book is a marvel in its weird clarity and extraordinary range of styles and subjects, from the perfectly unassuming paradox of the title, all the way through to its final poems about bumblebees and Satie and mother nature, who scratches herself and 'shudders / with a tsunami.' How fortunate we are to have the unassailable evidence that all along, there was yet another genius of 20th century Polish poetry.--Matthew Zapruder
