Nutraceuticals: An Overview, S.K. Kim, E. Mendis, and F. Shahidi
 Omega-3 Oils: Sources, Applications, and Health Effects, F. Shahidi
 Omega-3s and Their Impact on Brain Health, G. Young and J. Conquer
 Omega-3 Fatty Acids in Treatment of Neurodegenerative Diseases through Anti-Inflammation and Neuroprotection: A Review of Studies in Animal Models, C ... [PDF]
 Marine Nutraceuticals And Functional Foods | Scinapse
 The Special Issue is devoted to recent research in marine nutraceuticals, our understanding of the requirements and benefits of nutraceutical supplementation, the cost-effective production of bioactives, the use of innovative technologies in extracting and stabilising marine bioactives, and their application as functional food.
 Special Issue "Marine Nutraceuticals and Functional Foods" Bringing together widely scattered literature, Marine Products for Healthcare: Functional and Bioactive Nutraceutical Compounds from the Ocean discusses the importance of marine products as a ... (PDF)
 Marine Nutraceuticals - ResearchGate
 There is a great deal of consumer interest in natural bioactive substances due to their

health benefits. Offering the potential to provide valuable nutraceuticals and functional food ingredients, marine-derived compounds are an abundant source of nutritionally and pharmacologically active agents, with both chemical diversity and complexity. Functional ingredients derived from marine algae ...
 Marine Nutraceuticals: Prospects and Perspectives - 1st ...
 Marine nutraceuticals can be broadly classified into Marine lipids (microalgal origin), polysaccharides derived from macroalgae, marine probiotics, ...
 Nutraceuticals, including functional foods and dietary supplements, have tremendous market potential.
