Every Tenant's Legal Guide Nolo

A Best Book of the Year: NPR and Boston Globe Finally a novel that puts the "pissed" back into "epistolary." Jason Fitger is a beleaguered professor of creative writing and literature at Payne University, a small and not very distinguished liberal arts college in the midwest. His department is facing draconian cuts and squalid quarters,

while one floor above them the Economics Department is getting lavishly remodeled offices. His once-promising writing career is in the doldrums, as is his romantic life, in part as the result of his unwise use of his private affairs for his novels. His star (he thinks) student can't catch a break with his brilliant (he thinks) work Accountant in a Bordello, based on Melville's Bartleby. In short, his life is a tale of woe, and the vehicle this droll and inventive novel uses to

tell that tale is a series of hilarious letters of recommendation that Fitger is endlessly called upon by his students and colleagues to produce, each one of which is a small masterpiece of high dudgeon, low spirits, and passive-aggressive strategies. We recommend Dear Committee Members to you in the strongest possible terms. *The New Rules of Work* John Wiley & Sons Written by award-winning African novelist Mariama Bâ and translated from

the original French, *So Long a Letter* has been recognized as one of Africa's 100 Best Books of the 20th Century. The brief narrative, written as an extended letter, is a sequence of reminiscences—some wistful, some bitter—recounted by recently widowed Senegalese schoolteacher Ramatoulaye Fall. Addressed to a lifelong friend, Aissatou, it is a record of Ramatoulaye's emotional struggle for survival after her husband betrayed their marriage

by taking a second wife. This semi-autobiographical account is a perceptive testimony to the plight of educated and articulate Muslim women. Angered by the traditions that allow polygyny, they inhabit a social milieu dominated by attitudes and values that deny them status equal to men. Ramatoulaye hopes for a world where the best of old customs and new freedoms can be combined. Considered a classic of contemporary African women's

literature, *So Long a Letter* is a must-read for anyone interested in African literature and the passage from colonialism to modernism in a Muslim country. Winner of the prestigious Noma Award for Publishing in Africa. [Academic Vocabulary](#)

St. Martin's Griffin
Michael Santos helps audiences understand how to overcome the struggle of a lengthy prison term. Readers get to experience the mindset of a 23-year-old young man that goes into prison at the start of America's War on Drugs. They see

how decisions that Santos made at different stages in the journey opened opportunities for a life of growth, fulfillment, and meaning. Santos tells the story in three sections: Veni, Vidi, Vici. In the first section of the book, we see the challenges of the arrest, the reflections while in jail, the criminal trial, and the imposition of a 45-year prison term. In the second section of the book, we learn how Santos opened opportunities to grow. By writing letters to universities, he found his

way into a college program. After earning an undergraduate degree, he pursued a master's degree. After earning a master's degree, he began work toward a doctorate degree. When authorities blocked his pathway to complete his formal education, Santos shifted his energy to publishing and creating business opportunities from inside of prison boundaries. In the final section, we learn how Santos relied upon critical-thinking skills to position himself for a

successful journey inside. He nurtured a relationship with Carole and married her inside of a prison visiting room. Then, he began building businesses that would allow him to return to society strong, with his dignity intact. Through *Earning Freedom!* readers learn how to overcome struggles and challenges. At any time, we can recalibrate, we can begin working toward a better life. Santos served 9,135 days in prison, and another 365 days in a halfway house before

concluding 26 years as a federal prisoner. Through his various websites, he continues to document how the decisions he made in prison put him on a pathway to succeed upon release.

A big novel about a small town... When Barry Fairbrother dies in his early forties, the town of Pagford is left in shock. Pagford is, seemingly, an English idyll, with a cobbled market square and an ancient abbey, but what lies behind the pretty façade is a town at war. Rich at war with poor, teenagers at war with their parents, wives

at war with their husbands, teachers at war with their pupils...Pagford is not what it first seems. And the empty seat left by Barry on the parish council soon becomes the catalyst for the biggest war the town has yet seen. Who will triumph in an election fraught with passion, duplicity, and unexpected revelations? A big novel about a small town, *The Casual Vacancy* is J.K. Rowling's first novel for adults. It is the work of a storyteller like no other. *Writing Recommendation Letters* Wolters Kluwer
