Lulu Press, Inc Major Crime Unit - Operation Casablanca is inspired by the true story of a young Hispanic vice cop from Santa Ana, California, who is recruited into an elite unit to investigate the drug money-laundering

scheme of two powerful cartels. The undercover agents infiltrated both Mexican and Colombia drug cartels, transporting millions of dollars for them in sting to bust banks around the world that were laundering drug money. The ultimate bust was successful beyond expectation and carried off in a manner right out of a movie. The agents convinced drug cartel bankers that

they were buying a hotel and casino in order to trick them into entering the U.S. to capture them. Although the sting was a success, Mexican and U.S. politicians condemned the tactics carried out by the agents and for not informing them of the operation. *The Day the Dead Rose from the School* Createspace Independent Publishing Platform Twelve-year-old twins Eva and Hector go
