It's puzzle nirvana for crossword lovers who have just a few minutes to spare, but still crave a challenge. Adapted from the

popular Mensa 10-Minute Crossword Puzzles Page-A-Day Calendar, Mensa 10-Minute Crossword Puzzles strikes a perfect balance: The puzzles are tough enough to be sanctioned by Mensa, the internationally famous high-IQ society, but are designed to be solvable in ten minutes or less. Expertly written by puzzle master Fred Piscop, Mensa member, author of the Mensa calendar, and frequent crossword contributor to both The New York Times and The Washington Post, these cleverly themed crossword puzzles will appeal to both seasoned solvers and novices looking to hone their skills. They are an addictive addition to your morning routine

(just add coffee); perfect for evening downtime; just right for your commute on the subway, or while waiting at the doctor's office or sitting in a restaurant—anytime you need a mental pick-me-up. The book's chunky format, which works so well for puzzle books like The Original Sudoku series, fits easily into a purse or bag. An answer key is included at the back of the book.

Numbers is the most electrifying new kind of puzzle to come along in many years. These beguiling puzzles already have millions of devoted fans in Japan, where they were invented years ago. And now *Art Puzzles by Numbers* has been introduced to the United States where its popularity is growing enormously. A Student Recommended Resource for Math and Pre-Algebra by Utah Textbook Commission. "You may never, but the ability to think through a problem that needs to be solved will be invaluable in whatever career you pursue," and I often ask "When will I use Algebra, Geometry..." and my response has become-"You may never, but the ability to "You may never, but

the ability to think through a problem that needs to be solved will be invaluable in whatever career you pursue," and I feel that these puzzles help in that process. The concept is cleverly simple. You start with an empty grid. The numbers to the side and above tell you how many squares to fill in the columns and rows. The trick is that the numbers don't tell you which squares to fill in that's for you to decide through logical reasoning and by operating back and forth between the columns and the rows.

From *Square One* is Dean Olsher's captivating and in-depth exploration of the cultural history, psychology, and even metaphysics of crosswords -- their

promise of a world without chaos and uncertainty. It is often repeated that more than 50 million Americans do crossword puzzles on a regular basis. Skeptical of that claim, Dean Olsher does his own research and finds that the number is nearly dead-on. Filled with lively, original reporting, *From Square One* disputes the widely held belief that solving crosswords helps prevent Alzheimer's; in fact, the drive to fill in empty spaces is more likely a mental illness than a cure. While "puzzle addiction" is usually meant as a lighthearted metaphor, the term contains more than a nugget of truth. Olsher looks into the origins and traditions of this popular

pastime, which made its debut in a New York newspaper in 1913. Or did it? Along the way, he takes readers inside the making of a crossword. He also revives the quest of musical-theater legend and puzzle constructor Stephen Sondheim to find an American audience for a British crossword style that demands a love of verbal playfulness over knowledge of arcane trivia. Informative, engaging, and often surprising, *From Square One* is a unique and enjoyable read for puzzlers and nonpuzzlers alike. *Bulletin* Simon and Schuster

Since the accident that nearly took her life, Chloe suffers from acute agoraphobia. Living alone above her family's bookstore, she spends restless nights terrified by strange visions . . . until a mysterious stranger appears and offers her salvation. Chloe is drawn to the ethereal, gorgeous Nathaniel-but her haunted soul warns her there is more to him than meets the eye. An archangel who roams Earth collecting souls of the newly departed, Nathaniel is the sole witness to the accident that should have taken Chloe's life. Seduced by the purity of her soul, he defies Providence by saving her life. But his attempt at kindness marks Chloe for damnation, and makes her an unwitting pawn

in a game of unholy ambition. Now together they must fight the demons of Hell itself- for a love that defies the boundaries of Heaven and Earth. "4 STARS. Edwards mines the world of fallen angels for her new Wicked Kin series, beginning with Soul Weaver, a rich romance you'll loose yourself in..this race-against-time romance between a bookseller, who suffers from agoraphobia after a life-threatening accident, and the man she has no idea is a fallen angel will have hearts melting. Edwards is off to an excellent start with this series." -- RT Book Reviews 86,000 words
