"Every parent of a Black or brown girl should buy this book, read it to their child, and pass it along to the other parents in their circle."--Evette Dionne, National Book Award longlisted and Coretta Scott King honor-winning author of *Lifting as We Climb*
 Perfect for graduation gifts and other transitional milestones, this guide is for girls of color looking to find their voice and claim space as they prepare for high school, college, and their careers, from the bestselling author of *The Memo: What Women of Color Need to Know to Secure a Seat at the Table*. When you're a girl of color, figuring out how to find your voice and make sure everyone around you can hear it is essential. CEO and bestselling author Minda Harts knows--she's been there. And she's ready to walk you through it all with her own stories of success and the missteps that helped her grow--from running for high school student council when she was barely tall enough to reach the podium, to starting her own company, The Memo LLC, that helps women of color advocate for themselves and their careers. Now she's here to hype you up and be real with you about: - Building your squad: what to look for in a friend, finding mentors, and setting boundaries for healthy relationships - Saying what you mean without saying it mean: prepping yourself for self-advocacy, negotiations, and tough conversations - Leaning into courage: affirming yourself, dealing with no's, and speaking up even when you feel like the "only one" With lots of practical advice and real-life anecdotes, as well as questions for reflection and further resources, this book is all about finding your own unique path to success--at school, at work, at home, and beyond. Success is far from magical, but you've already got the tools you need to figure out your next best moves. And your stand-in big sis Minda is here to help you every step of the way!

A Shoplifter's Guide to Magic Book 4 CRC Press

An imaginative story of a woman caught in an alternate world—where she will need to learn the skills of magic to survive
 Nora Fischer's dissertation is stalled and her boyfriend is about to marry another woman. During a miserable weekend at a friend's wedding, Nora wanders off and walks through a portal into a different world where she's transformed from a drab grad student into a stunning beauty. Before long, she has a set of glamorous new friends and her romance with gorgeous, masterful Raclin is heating up. It's almost too good to be true. Then the elegant veneer shatters. Nora's new fantasy world turns darker, a fairy tale gone incredibly wrong. Making it here will take skills Nora never learned in graduate school. Her only real ally—and a reluctant one at that—is the magician Aruendiel, a grim, reclusive figure with a biting tongue and a shrouded past. And it will take her becoming Aruendiel's student—and learning magic herself—to survive. When a passage home finally opens, Nora must weigh her “real life” against the dangerous power of love and magic. For lovers of Lev Grossman's *The Magicians* series (*The Magicians* and *The Magician King*) and Deborah Harkness's *All Souls Trilogy* (*A Discovery of Witches* and *Shadow of Night*).

Little Guide to Protection Magic Shoplifter's Guide to Wizardry, A

Jennifer Knight is in danger of losing everything and everyone important to her. After battling warrior elves and high wizards on Magus, she thinks she might have an edge when she returns to Earth; she is wrong. LaPointe and her wizards are threatening to close the portals between worlds, and they need Jennifer to make it happen. The best thing she can do is lie low, but that is not her style. With no word about her missing werewolf boyfriend, and her house under gnome surveillance, Jen strikes out on her own to infiltrate the wizards and find answers. Her plans go awry because of an impulsive decision, and not even the help of friendly elves or a determined troll can forestall the terrible consequences. Despite augmenting her deadly skills, Jen soon discovers that Earth's magic is fickle, and trusting anyone is nearly impossible when wizards can control minds. In the aftermath of a terrible showdown with the werewolves, Jen learns the consequences of using Careless Magic.

It's been some time since Vincent has had a good day. Sitting on the bus, he still doesn't know that his life is about to change. Forever. At that moment, outside the bus, Lady lets a little smile escape when recalling an anecdote about tomatoes. Vincent sees the smile and his world turns upside down. Now, armed with his nerdy RPG friends (not counting Bu, who is like a sister to Vincent and full of solid wisdom), an impressive magic act, and an insatiable love of roast beef sandwiches (no pickles, Vincent hates pickles), he must learn how to navigate his first non-platonic love and what may happen if things don't go as planned (as they often do in the life of Vincent).

Lights. Camera. Inaction. Ivy Wilde, the laziest witch in the West, is still entangled with the Hallowed Order of Magical Enlightenment. That's not a bad thing, however, because it gives her plenty of excuses to spend more time with sapphire eyed Raphael Winter, her supposed nemesis. And when he comes knocking because he needs her to spy on the latest series of Enchantment, she jumps at the chance. Hanging around a film set can't be hard ... or dangerous ... right?

Mrs. B's Guide to Household Witchery Clay Bridges Press

Forget about David Copperfield, cruise ship illusionists, and birthday party magicians. They're so old school, so 20th century. The conjuring that people starting out in magic today want to do is edgier, grittier, quick, visual, and maybe a little dangerous - magic to the max. Welcome to the world of street magic! *The Complete Idiot's Guide to Street Magic* will teach you how to do it! Even some of the simplest stunts, if performed effectively, have the same strong potential to amaze onlookers as the more challenging feats. Out of the literally thousands of tricks that can be included, only those that are the most direct and have the greatest impact, both visually and psychologically, will appear in the book. Each magical effect will be rated on a scale from one-to-three stars, easy to difficult, according to how hard it is to learn and/or to perform.

Slouch Witch The Thinking Woman's Guide to Real Magic A Novel

Learn how magic works and how to get consistent results. There are lots of books about magic, but how many of them actually explain how magic works or more importantly how to get a consistent result that meaningfully changes your life? The Process of Magic strips away the glamour and image of magic to focus on the reality of how magic works and what you can do to customize your magical workings. Instead of relying on prescriptive spells and rituals, why not learn the fundamental mechanics of magic and design your own workings? With the Process of Magic you'll learn exactly that and much more: · What the 11 principles of magic are and how they create your magical workings. · What the 8 types of magic workings are and how to customize them. · How to methodically approach magic as a process that produces results. · How to troubleshoot and fix your magical workings. · How to get results that last. If you've ever gotten results that don't stick, or tried to do a working and come away feeling like nothing
