ventures to a film script, composed of dynamic narrative, wit, and irony. An aspiring architect from the age of five, Bönan attended Florence's Accademia di Belle Arti, which he credits with compelling his freedom of expression. Bönan's first great success came at twenty, when a magazine published his work for the home of famous tennis player friend Adriano Panatta and other high-profile clients immediately took notice. Whether for private clients or public buildings, Bönan's designs

-- ranging among hotels, restaurants, estates, and even yachts -- each possess a distinctive virtuosic excellence. His aesthetic incorporates modern elements and luxuries; but historical architecture, particularly that of his native Florence, always informs his style choices...Notable projects highlighted in this beautifully illustrated edition include the J. K. Place Hotels in Capri, Rome, and Florence; the Hôtel Marquis Faubourg Saint-Honoré in Paris; Palazzo Tornabuoni in

Florence; Jagdgut Wachtelhof Hotel in Austria; and many more"-- Publisher's description. Fodor's Rome A love letter to Rome, with beautiful food and location photography, classic recipes, and stories from the heart of the Eternal City. Rome is an open-air museum; it's a modern-day marvel of a city that has seen centuries of emperors, popes, movements, triumphs, and tragedies. It's a city where the present and past sit side by side and interact in a

beautiful, yet sometimes complex, kind of way. Rome begs to be uncovered at every turn. Through quirky local stories and glorious pictures, I Heart Rome takes you on an inspiring journey through the Rome that tourists rarely get to see. In a country justifiably famous for its food, Rome boasts its own fascinating and unique cuisine that is intrinsically tied to its history. Influences from Ancient Rome through to more recent events are reflected in the food

culture of the Eternal City today. And given the passionate nature of Romans as a people, it's no wonder that dining is taken so seriously. From carbonara recipes to artichoke-frying techniques, just about everything food-related is up for--and causes much--debate in Rome. You too will heart Rome after delving into this book.

A city of love, food, music and passion - this is a novel for anyone who fell in love with LA DOLCE

VITA. Rome in the 1950s, there's nowhere quite like it. The narrow stone streets, the fountains and piazzas full of life in the heat of the day, the cafes and bars full of music and desire by night... This is where Serafina calls home. Having grown up with her sisters in a tiny apartment tucked in the top of a tumbledown building, she has watched her mother get by on next to nothing, and turn herself beautiful with a sweep of eyeliner and a hand-sewn dress. When her mother goes out,

Serafina and her sisters go singing in the nearest piazza, busking for spare change and cinema tickets. The girls long to meet their matinee idols and Serafina daydreams of Mario Lanza and his spellbinding voice. But the sisters will grow up quickly and for Serafina, a choice opens between the world she knows and the life she dreams of. - Perfectly interpreted in a

contemporary, enriching manner, The Grand Tour takes the viewer on an inspirational journey through Italy's most individual hotels scattered all over the peninsula, all whilst letting readers discover the myriad of culture that there is to learn from every corner of this great country - The Grand Tour proposes a distinct way of traveling, becoming an invaluable travel companion or a unique window on the world in the making. Beginning in the late 16th century it became

fashionable for the aristocracy to visit Italy; from Venice to Florence and Rome as the culmination of their classical education. Thus, the idea of The Grand Tour was born; a practice which taught art, architecture and culture to the noblemen of the time. In England, where grand architecture was increasingly seen as an aristocratic pursuit, gentlemen often applied what they had learnt from the villas of Palladio in Veneto, the evocative ruins of Rome and the

grand churches in Florence, to their own country houses and gardens, purchasing antiquities and paintings whilst in Italy. The Italy of today still remains a romantic destination. In this book, each reader will be able to travel on a modern-day Grand Tour, staying in the most inspiring and unique properties of the country, absorbing their infinite culture, majestic beauty, unique designs and charming stories. A journey through Italy in its full splendor.
