### VAZQUEZ GWENDOLYN

Penguin

"A bold and subversive retelling of the goddess's story," this #1 New York Times bestseller is "both epic and intimate in its scope, recasting the most infamous female figure from the Odyssey as a hero in her own right" (Alexandra Alter, The New York Times). In the house of Helios, god of the sun and mightiest of the Titans, a daughter is born. But Circe is a strange child -- not powerful, like her father, nor viciously alluring like her mother. Turning to the world of mortals for companionship, she discovers that she does possess power -- the power of witchcraft, which can transform rivals into monsters and menace the gods themselves. Threatened, Zeus banishes her to a deserted island, where she hones her occult craft, tames wild beasts and crosses paths with many of the most famous figures in all of mythology, including the Minotaur, Daedalus and his doomed son Icarus, the murderous Medea, and, of course, wily Odysseus. But there is danger, too, for a woman who stands alone, and Circe unwittingly draws the wrath of both men and gods,

ultimately finding herself pitted against one of the most terrifying and vengeful of the Olympians. To protect what she loves most, Circe must summon all her strength and choose, once and for all, whether she belongs with the gods she is born from, or the mortals she has come to love. With unforgettably vivid characters, mesmerizing language, and page-turning suspense, Circe is a triumph of storytelling, an intoxicating epic of family rivalry, palace intrigue, love and loss, as well as a celebration of indomitable female strength in a man's world. #1 New York Times Bestseller -- named one of the Best Books of the Year by NPR, the Washington Post, People, Time, Amazon, Entertainment Weekly, Bustle, Newsweek, the A.V. Club, Christian Science Monitor, Refinery 29, BuzzFeed, Paste, Audible, Kirkus, Publishers Weekly, Thrillist, NYPL, Self, Real Simple, Goodreads, Boston Globe, Electric Literature, BookPage, the Guardian, Book Riot, Seattle Times, and Business Insider.

Fifty leading writers retell myths from around the world in this dazzling follow-up to the bestselling *My Mother She Killed Me, My Father He Ate Me*. Icarus flies once more. Aztec jaguar gods again stalk the earth. An American soldier designs a new kind of Trojan horse—his remains in a bullet.

Here, in beguiling guise, are your favorite mythological figures alongside characters from Indian, Punjabi, Inuit, and other traditions. Aimee Bender retells the myth of the Titans. Elizabeth McCracken retells the myth of Lamia, the child-eating mistress of Zeus. Madeline Miller retells the myth of Galatea. Kevin Wilson retells the myth of Phaeton, from Ovid's *Metamorphoses*. Emma Straub and Peter Straub retell the myth of Persephone. Heidi Julavits retells the myth of Orpheus and Euridice. Ron Currie, Jr. retells the myth of Dedalus. Maile Meloy retells the myth of Demeter. Zachary Mason retells the myth of Narcissus. Joy Williams retells the myth of Argos, Odysseus' dog. If "xo" signals a goodbye, then xo Orpheus is a goodbye to an old way of mythmaking. Featuring talkative goats, a cat lady, a bird woman, a beer-drinking ogre, a squid who falls in love with the sun, and a girl who gives birth to cubs, here are extravagantly imagined, bracingly contemporary stories, heralding a new beginning for one of the world's oldest literary traditions. [How to be both](#) Simon and Schuster

A *Romeo & Juliet* tale for Hamilton! fans. In post-American Revolution New York City, Theodosia Burr, a scholar with the skills of a socialite, is all about charming the right people on behalf of her father—Senator Aaron Burr, who is determined to win the office of president in the pivotal election

of 1800. Meanwhile, Philip Hamilton, the rakish son of Alexander Hamilton, is all about being charming on behalf of his libido. When the two first meet, it seems the ongoing feud between their politically opposed fathers may be hereditary. But soon, Theodosia and Philip must choose between love and family, desire and loyalty, and preserving the legacy their flawed fathers fought for or creating their own. Love, Theodosia is a smart, funny, swoony take on a fiercely intelligent woman with feminist ideas ahead of her time who has long-deserved center stage. A refreshing spin on the Hamiltonian era and the characters we have grown to know and love. It’s also a heartbreaking romance of two star-crossed lovers, an achingly bittersweet “what if.” Despite their fathers’ bitter rivalry, Theodosia and Philip are drawn to each other and, in what unrolls like a Jane Austen novel of manners, we find ourselves entangled in the world of Hamilton and Burr once again as these heirs of famous enemies are driven together despite every reason not to be.

**Render Unto Caesar** A&C Black

It is the early 1950s. A nameless man is found on the steps of the hospital in Iasi, Romania. He is deaf and mute, but a young nurse named Safta recognizes him from the past and brings him paper and pencils so that he might draw. Gradually, memories appear on the page: the man is Augustin, the cook’s son at the manor house at Poiana where Safta was the privileged daughter. Born six months apart, they had a connection that bypassed words, but while Augustin’s world stayed the same size, Safta’s expanded to embrace languages, society, and a fleeting love one long, hot summer. But then came war, and in its wake a brutal Stalinist regime, and nothing would remain the same. Georgina Harding’s kaleidoscopic new novel will appeal to readers of Anne Michaels, Michael Ondaatje, and Sandor Marai. It is as intense and submerging as rain, as steeped in the horrors of our recent history as it is in the intimate passions of the human heart.

**On Chapel Sands** Small Beer Press

This propulsive post-apocalyptic thriller “in which Agatha Christie’s *And Then There Were None* collides with Stephen King’s *The Shining*” (NPR) follows a group of survivors stranded at a hotel as the world descends into nuclear war and the body of a young girl is discovered in one of the hotel’s water tanks. Jon thought he had all the time in the world to respond to his wife’s text message: I miss you so much. I feel bad about how we left it. Love you. But as he’s waiting in the lobby of the L’Hotel Sixieme in Switzerland after an academic conference, still mulling over how to respond to his wife, he receives a string of horrifying push notifications. Washington, DC, has been hit with a nuclear bomb, then New York, then London, and finally Berlin. That’s all he knows before news outlets and social media goes black—and before the clouds on the horizon turn orange. Two months later, there are twenty survivors holed up at the hotel, a place already tainted by its strange history of suicides and murders. Jon and the rest try to maintain some semblance of civilization. But when he goes up to the roof to investigate the hotel’s worsening water quality, he is shocked to discover the body of a young girl floating in one of the tanks, and is faced with the terrifying possibility that there might be a killer among the group. As supplies dwindle and tensions rise, Jon becomes obsessed with discovering the truth behind the girl’s death. In this “brilliantly executed...chilling and extraordinary” post-apocalyptic mystery, “the questions Jameson poses—who will be with you at the end of the world, and what kind of person will you be?—are as haunting as the plot itself.” (Emily St. John Mandel, nationally bestselling author of *Station Eleven*).

A Washington Post, Chicago Review of Books, Kirkus, and Christian Science Monitor Best Book of the Month “Inventive, funny and moving.” —The New York Times Book Review Translated from the German by Damion Searls Winner of the German Book Prize, Saša Stanišić’s inventive and surprising novel asks: what makes us who we are? In August, 1992, a boy and his mother flee the war in Yugoslavia and arrive in Germany. Six months later, the boy’s father joins them, bringing a brown suitcase, insomnia, and a scar on his thigh. Saša Stanišić’s *Where You Come From* is a novel about this family, whose world is uprooted and remade by war: their history, their life before the conflict, and the years that followed their escape as they created a new life in a new country. Blending autofiction, fable, and choose-your-own-adventure, *Where You Come From* is set in a village where only thirteen people remain, in lost and made-up memories, in coincidences, in choices, and in a dragons’ den. Translated by Damion Searls, it’s a novel about homelands, both remembered and imagined, lost and found. A book that playfully twists form and genre with wit

and heart to explore questions that lie inside all of us: about language and shame, about arrival and making it just in time, about luck and death, about what role our origins and memories play in our lives.

**People We Meet on Vacation** The Song of Achilles

Award-winning author Jill McCorkle takes us on a splendid journey through time and memory in this, her tenth work of fiction. *Life After Life* is filled with a sense of wonder at our capacity for self-discovery at any age. And the residents, staff, and neighbors of the Pine Haven retirement center (from twelve-year-old Abby to eighty-five-year-old Sadie) share some of life’s most profound discoveries and are some of the most true-to-life characters that you are ever likely to meet in fiction. Delivered with her trademark wit, Jill McCorkle’s constantly surprising novel illuminates the possibilities of second chances, hope, and rediscovering life right up to the very end. She has conjured an entire community that reminds us that grace and magic can—and do—appear when we least expect it.

**Life After Life** A&C Black

An honest and deeply reported account of five women and the opportunities and frustrations they face in the year following their graduation from an elite university. Recent Princeton graduate Caroline Kitchener weaves together her experiences from her first year after college with that of four of her peers in order to delve more deeply into what the world now offers a female college graduate, and how the world perceives them. Each of the five girls in this diverse group were expected to attend college—but most had no clear expectations for their futures post-graduation. And as Kitchener follows each member of the group, it becomes harder to reduce them to stereotypes, harder either to defend or to judge their choices. Kitchener navigates expertly between the very personal and the wider sociological perspectives as she outlines a chronological year in the lives of all five women, illuminating and clarifying each one of their choices, victories, and foibles. Both a broad and an intensely individual exploration, *Post Grad* is a portrait of the shifting environment of that important year after graduation, as well as an intimate look at how a select group of very different individuals handles its challenges—navigating family tensions, relationships, jobs, and that ever-elusive notion of independence.
