Optimo Genere Oratorum, "On the Best
Kind of Orators", is a work from Marcus
Tullius Cicero written in 46 BCE between
two of his other works, Brutus and the
Orator ad M. Brutum. Cicero attempts to
explain why his view of oratorical style
reflects true Atticism and is better than
that of the Roman Atticists "who would
confine the orator to the simplicity and
artlessness of the early Attic orators." This
short treatise professes to be the
introduction to a translation of a speech by
DemosthenesDe Optimo Genere Oratorum
