### **Greek Myths** Doubleday Books for Young Readers

An illustrated encyclopedia of Greek mythology like no other, Mythologica features startlingly beautiful and exquisitely otherworldly portraits of mythological characters in eye-popping color from artist Victoria Topping and authoritative text from Classics scholar and Greek mythology expert Dr. Stephen Kershaw. Uncover the colorful lives of 50 powerful gods and goddesses, earth-dwelling mortals, and terrifying monsters as you journey back in time to ancient Greece. From the fearless Athena and her meddlesome ways to the brave and bold Odysseus and his remarkable journey home, discover why these incredible stories are still a part of our culture today. Listed alphabetically, each boldly designed spread presents a figure from the myths, including their name in Greek, their defining attributes, and a summary of their story, along with multiple sidelights that provide additional facts. Interspersed with the profiles are summaries of famous mythological tales and historical events, like the Odyssey, the Trojan War, and the story of the Argonauts. An electrifying visual portrayal of each figure transports you directly into their wild world. Victoria Topping's artwork is a fusion of technological and traditional techniques that combines photography, painting, and cut-paper collage to perfectly express the blending of human and fantastic traits from which mythical beings are made. The thrilling images and digestible text provide the perfect introduction to the lively world of Greek mythology. Prepare to be amazed as you uncover the epic, heroic, and sometimes terrible lives of mortals, monsters, and gods.

### **A Project Approach to Language Learning** Open Road Media

Elaborate facsimile journal of a Greek mythology primer from the early nineteenth century.

### **Heroes, Gods and Monsters of Ancient Rome and Greece**

Heroes, Gods and Monsters of the Greek Myths

The hero Momotaro, the sun goddess Amaterasu, and the Buddha are important subjects of Japanese mythology. Japanese Gods, Heroes, and Mythology explores the gods, heroes, creatures, and

stories of Japanese mythology, in addition to examining their influence today. Aligned to Common Core Standards and correlated to state standards. Core Library is an imprint of Abdo Publishing, a division of ABDO.

### **Monsters of Greek Mythology Volume One** Wide Eyed Editions

Gorgeous Collector's Edition. From the legends of Odin, Thor, Loki, Freya and all the gods of Asgard come the 'The Treasure of the Dwarf King', 'Ragnarok' and many other thrilling tales of the Vikings and their Norse gods fighting a constant battle with nature. Their landscape, with its stark mountains and long nights, created a particularly robust mythology, with profound contrasts and unforgettable heroes, great gods who leap out from the movies, streaming services and comics, to great fiction and epic poetry. This fabulous new book offers all the main stories with an introduction to the characters and the land that inspired them. Flame Tree Collector's Editions present the foundations of speculative fiction, authors, myths and tales without which the imaginative literature of the twentieth century would not exist, bringing the best, most influential and most fascinating works into a striking and collectable library. Each book features a new introduction and a Glossary of Terms.

### **Heroes, Gods and Monsters of the Greek Myths** Andrews UK Limited

"Features more mythological sagas from Apollodorus' Library and additional excerpts from his other work, including the stories of Deucalion, Dionysus, Bellerophon, Kadmos, and Tiresias" -- Publisher's website

### *Gods, Heroes and Monsters* Arcturus Publishing

Bulfinch's Mythology is a thorough overview of three major groups of mythology, and has long been cited as one of its definitive reference texts. It is broken up into three sections, covering classical mythology (primarily Greek and Roman, though Bulfinch also touches on eastern, Norse, and druidic myth), the legends of King Arthur, and the romances of the middle ages. It is both thorough and detailed, but is presented in a way that makes it accessible to all readers. Penguin Random House Canada is proud to bring you classic works of literature in e-book form, with the highest quality production values. Find more today and

rediscover books you never knew you loved.

### **Heroes, Gods & Monsters** Open Road Media

Provides retellings of the ancient Greek myths, arranged in four sections: the Gods, Nature Myths, Demigods, and Fables and includes a brief section on words from the Greek myths which are part of the English language. Reissue.

### **Meet the heroes, gods, and monsters of ancient Greece**

Penguin

A retelling of the greatest myths and legends of the ancient Greek gods and heroes for readers of all ages by a celebrated historical novelist. In the ancient past, the Gods and Goddesses of ancient Greece lived on Mount Olympus and ruled the world of mortals. Famous heroes shaped the course of history, beautiful women drew the gazes of gods and men alike, and the gods were both fickle in their favors and breathtakingly generous to those they smiled upon. From Midas' tragic gift to the exploits of Hercules and the curse of Pandora, renowned classicist and historical novelist Robert Graves brings the legends of ancient Greece to life in a lively, accessible way that's sure to appeal to everyone; from children to adults, and from casual readers to serious scholars.

### Gods, Heroes, and Monsters Penguin

Which Greek god makes the best parent? Would you want to be one of Artemis' Hunters? Why do so many monsters go into retail? Spend a little more time in Percy Jackson's world—a place where the gods bike among us, monsters man snack bars, and each of us has the potential to become a hero. Find out: • Why Dionysus might actually be the best director Camp Half-Blood could have • How to recognize a monster when you see one • Why even if we aren't facing manticores and minotaurs, reading myth can still help us deal with the scary things in our own lives Plus, consult our glossary of people, places, and things from Greek myth: how

Medusa got her snake hair extensions, why Chiron isn't into partying and paintball like the rest of his centaur family, and the whole story on Percy's mythical namesake.

#### **Greek Gods and Heroes** Ballantine Books

The bestselling compendium of ancient Greece's timeless tales and towering figures of mythology from a classics expert. The world of Greek mythology contains some of the most exciting and imaginative stories ever told. In *Heroes, Gods and Monsters of the Greek Myths*, bestselling author Bernard Evslin shares his passion for these fabulous tales and the eternal themes they so beautifully express. In this accessible overview, you'll get to know the iconic gods, heroes, and tragic figures: Zeus, the all-powerful king of the gods; Hera, his cunning and jealous wife; King Midas, whose touch could turn anything into gold; the sculptor Pygmalion, who falls in love with his own creation; and many more. With each story, Evslin brings new life to these legendary characters and the magical world they inhabit. Translated into multiple languages, and with more than ten million copies sold, this invaluable resource has become a classic in itself.

#### From Aphrodite to Zeus, a Profile of Who's Who in Greek Mythology Flame Tree Collections

A beautifully illustrated and compelling collection of more than 30 ancient Norse myths for children. Exciting stories, extraordinary creatures, and compelling gods, goddesses, and heroes come together in this compendium of Norse myths--first told long ago by the Vikings. Perfect for children ages 7 to 9, this collection contains more than 30 enthralling new retellings. Read about Thor, the god of thunder and how he once disguised himself as a bride to seek revenge on a giant and retrieve his powerful hammer, Mjolnir; and how Sif, the goddess of fertility, had her long golden hair cut off by Loki, the trickster god. Each myth is told with thrilling immediacy, in language that is easy for children to understand, while retaining the awe, majesty, and intrigue of the original tales. Stunning illustrations by multi-award-winning artist Katie Ponder breathe new life into each story. Additional feature pages delve deeper into the mythical world, providing profiles of the featured gods and goddesses and giving the context behind the myths. The reference section provides key background information, such as Norse cosmology and facts about the incredible Norse characters, and comes complete with a pronunciation e-guide. Norse Myths is the perfect gift, featuring

foil on the cover and beautiful illustrations throughout. Children will love exploring the tales by themselves or as bedtime stories. This stunning ebook will be treasured forever.

#### Tales of Heroes, Gods & Monsters Black Dog & Leventhal

Prepare to enter twelve magical, mythological worlds full of an incredible array of gods, monsters, heroes, tricksters, and fantastical beasts! This atlas of mythology shows how twelve extraordinary cultures saw the world. For some, it was a giant tree or an upside-down mountain, while others believed they were living on the back of a giant turtle! Children will be fascinated as they travel the world and discover what cultures such as the Greeks, Egyptians, Hindus, Norse, Polynesian, Aztecs, and many more believed.

#### **Norse Myths & Legends** BenBella Books

Incredible gods possessing fantastic powers measurable only by the horrific monsters they battle, heroes and heroines faced with all manner of adversity and adventure, love stories that change the course of history and tragedies befitting the apocalypse - this is the stuff of ancient mythology and legends. Today, stories of gods residing in the sky and controlling the heavens and the earth are debunked by science and modern religion, but thousands of years ago they offered an understanding in a world filled with mystery. If you were a Greek planning to take a long journey across the seas, it was a good idea to make a sacrifice to Poseidon, the god of the waters, to ask for safe passage. If you were a Norseman heading out to war, it was a good idea to pray to Tyr, the god of war, and so on and so forth. The protocol was simple and, although there was no guarantee that your prayers would be heard, it was probably better than leaving it to chance. The gods also offered a code of conduct for mankind in societies that lacked law and order, for to be godly was to be great. It was important, however, to choose your role model wisely as some were more suitable than others. Take, for example, the Greek god Zeus who, in spite of his great powers and status, was selfish, jealous and perpetually unfaithful to his five wives. Consider his Norse counterpart, Thor, who was both fair and relatively faithful to his wife but tended to solve the vast majority of his issues with exceptional violence and an unbreakable hammer called Mjolnir. These were the best of the best yet by today's moral standards they would fall far short of the mark. But perhaps in their imperfections lies the very element that makes ancient

mythology and legend appealing today and into the foreseeable future. To enter a world of giants, murderous half-men and half-beasts, dragons and serpents capable of circling the earth, one must suspend belief and embrace a world created by the imagination of the society of its time. While the adventures are framed in a mythical environment, their message speaks to the very core of human nature. Mankind's challenge to master its greed, lust and hatred and become more loving, honourable and just are persistent throughout the narrative no matter how unlikely the scenario. Contrasting modern religions, the role of the good was not always to offer a path towards salvation or a punishment of the bad, it was simply to tell the story and let the audience make their own judgment. The gods, heroes, villains and monsters of ancient mythology and legend represented the very best and worst of their times. There is much we can learn from them and their impact on our understanding of history is significant. Above all, they make for some of the greatest stories known to man."

#### **Classical Mythology A to Z** Blueprint Editions

Discover the world of Greek mythology This illustrated book (in color) will immerse you in the world of the Gods of Olympus, the titans, the heroes and the mythical creatures. Learn a lot of things with the "Did you know?" anecdotes: Did you know that it is because of Artemis that the constellation of the Great Bear was born, and that the mint appeared in the Underworld? Did you know where the expression "having an Achilles heel" comes from, and what is the link between Heracles and the Milky Way?
