In 1929, nearly four hundred years after the deaths of Saints Thomas More and John Fisher, G.K. Chesterton observed in words equally attributable to Fisher, "Blessed Thomas More is more important at this moment than at any moment since his death, even perhaps the great moment of his dying; but he is not quite so important as he will be in a hundred years." Judge Robert J Conrad, Jr. anticipates Chesterton's one-hundred-year mark in a collection of stories from the lives of More and Fisher, demonstrating how their sanctity and integrity carried them and those who loved them through tumultuous and heart-wrenching times which, perhaps surprisingly, bear a striking resemblance to the present epoch. At first blush, nothing could appear more different than the pre-industrial sixteenth century and the tech-centered modern era. But a closer examination presents a similar tale of political maneuvering and hostile hearings, legal corruption, viral pandemics, riots, suppression of speech, loss of religious liberty, and a profound indifference for truth. Judge Conrad effortlessly weaves together tales of both men and what made them who they were--family, faith, friendship, oaths, vocation, detachment, conscience--inviting those who strive for holiness down the same narrow path these two martyrs walked with a clarity founded upon the truth of Christ's Church, and a wit that charmed even their persecutors. Both these men refused to consent to the theological farce that would permit the king's divorce and remarriage and drive a wedge into the unity of the Christian world, and both paid for their convictions with their lives. More died the king's good servant and God's first. Fisher approached his execution with joy befit for a wedding. And yet, both stand today, long after they are gone, as models of courage in a time when it is desperately needed. Discover in this volume of powerful stories two saints whose lives could not be timelier for the present age.

A Guide to Christian Spiritual Formation TAN Books

ECPA Christian Book Award Finalist Your Battle against Porn Isn't about Porn. It's about Hope. Pornography may seem inescapable, but God can free us from its destructive power. The gospel replaces the dehumanizing lies of pornography with this surprising truth: God created us as royalty. How then can we reclaim our God-given identity to take a stand against—and ultimately starve—the predatory porn industry? In *The Death of Porn*, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories, Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. *The Death of Porn* inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

Saints Who Battled Satan Crossway

Most books on spiritual formation focus on the individual. But spiritual formation is at the heart of the church's whole purpose for existence. It must be a central task for the church to carry out Christ's mission in the world. This book offers an introduction to spiritual formation set squarely in the local church. The first edition has been well received and widely used as a textbook. The second edition has been updated throughout, incorporates findings from positive psychology, and reflects an Augustinian formation perspective. Foreword by Dallas Willard.

Everything You Need InterVarsity Press

The war is on. The Devil plots to defeat you. Meet some battle-tested warriors who fight at your side. Satan is real. He's a formidable foe who wants to snatch us away from God, and the thought of doing battle with him can seem daunting. Even so, the saints who have gone before us have engaged the Devil, armed with the power of Christ ... and emerged victorious! These fellow warriors in heaven now fight on our behalf. In *Saints Who Battled Satan*, Paul Thigpen, author of *Manual for Spiritual Warfare*, details the heroic combat of 17 saints who defeated the Enemy. In *Saints Who Battled Satan*, discover: How Satan attacks us through extraordinary assaults and everyday temptations. How these 17 saints used prayer, Scripture, the sacraments, and other spiritual weapons against the Enemy. How the virtues served these saints

as combat armor. How these victorious saints now offer their aid to those of us still battling on earth. Read the inspiring and triumphant stories of Padre Pio, Francis of Assisi, Catherine of Siena, Teresa of Avila, John Vianney, and a dozen other saints who battled Satan. You'll find the strength, the courage, and the faith to win your own war against the Enemy.

Prayers and Declarations That Open the Courts of Heaven TAN Books

His New York Times phenomenon *The Prayer of Jabez* changed how millions pray. Now Bruce Wilkinson wants to change what they do next. Anyone can do a good deed, but some good works can only happen by an act of God. Around the world these acts are called miracles--not that even religious people expect to see one any time soon. But what would happen if millions of ordinary people walked out each morning expecting God to deliver a miracle through them to a person in need? *You Were Born for This* starts with the dramatic premise that everyone at all times is in need of a miracle, and that God is ready to meet those needs supernaturally through ordinary people who are willing to learn the "protocol of heaven." In the straightforward, story-driven, highly motivating style for which he is known, Wilkinson describes how anyone can be a 'Delivery Guy' from heaven in such universally significant arenas of life as finances, practical help, relationships, purpose and spiritual growth. *You Were Born for This* will change how you see your world and show you what you can expect God to do through you to meet real needs. You will master seven simple tools of service, and come to say with confidence, "I want to deliver a supernatural gift from God to someone in need today--and I expect to!"

Real Suffering Liyla S

What if the Supernatural Became Normal and Natural in Your Life? How would your world change if you regularly experienced the miraculous? And what if this happened everywhere you went--in a way that attracted people to Jesus? It wouldn't just make a difference in your world ... it would make the world different. It might sound too good to be true ... but that's the Spirit Contemporary life. While working as a first responder in an

ambulance, Leon Fontaine longed to see God's power at work outside the four walls of the church. He learned through many life-changing experiences that we can all unlock the miraculous in a way that works anywhere-at home, in a hospital, at work-with anyone! The Spirit Contemporary way of life involves communicating with others as Jesus would ... using their language, stories, and settings. Leon draws on biblical truth and personal stories to reveal how this dynamic first-century faith can be yours when you live so in tune with God that you're guided in ways that are both natural and supernatural. "In a world seeking an authentic, transparent, and genuine touch of God, Leon equips us with a Christ-centered, Spirit-empowered, Bible-based, kingdom prescription."--Samuel Rodriguez, president, National Hispanic Christian Leadership Conference, author of Be Light "When 'Spirit' and 'Contemporary' are synergized, phenomenal outcomes will happen in the church! believe this valuable resource will help the church go to higher levels of impact and influence in the years ahead."-Dr. Elmer L. Towns, co-Founder of Liberty University Unleash the Miraculous in Your World! The Spirit Contemporary Life reveals the key to living an empowered life-one that connects your day-to-day existence with God's supernatural power. When faced with the realities of a hurting world as a first responder-EMT, Leon Fontaine developed a passion for seeing God's miraculous power at work-not only at the altar-but also in the back of his ambulance. And he wanted to do it in a way that wasn't strange or off-putting to those who didn't know Christ. Maybe you can relate! You want to hear from God

more clearly and see miracles happen in your everyday life. And you want to live your life in a way that attracts people to the Jesus you know and love. Using real-life examples, Leon demonstrates how you can access God's supernatural power without compromise, and do it in a way that draws others to Christ. If this sounds good, hang on, because you're in for the adventure of your life! This transformational shift won't just change you. It will change the world around you.

Conversation with Christ Cambridge University Press

St. Catherine of Siena's Dialogue describes the entire spiritual life through a series of conversations between God and the soul, represented by Catherine herself. Readers of The Dialogue of Saint Catherine of Siena, will find her revelations from God as informative - and formative - as those who recognized her sanctity during her life. The universally applicable yet intimately personal messages she received from God are as much for us as they were for Catherine. We can read God's communications to his beloved daughter with detached awe or we can receive His messages to us through her writings. Do you long for certainty that Divine Providence exists in the midst of our chaotic world? Does your prayer seem too dry, or too routine? Have you sought guidance for the challenges of your life from unhelpful people or things? Or has pride kept you from humble obedience to the Church? If so, The Dialogue will provide consolation, encouragement, and hope.

When their usual travel plans fall through, Lee Su Lin and her little brother, Su Yang, reluctantly spend their school holidays on Pulau Ubin instead. Along with their new friends, the sensible and smart Zizi, and the perpetually hungry Bus, they form the Sengkang Snoopers and discover a mysterious hut at the top of a quarry hill, where a hermit is rumoured to live. When they hear strange sounds coming from the hut, they just can't keep away, but what will they find there?

Pope Benedict XVI Destiny Image Incorporated

This wonderful book links all the elements of her life into one intimate, flowing and absolutely enthralling story - relating details of her beautiful, holy mother; her noble and pious father; her great and generous sisters, all of whom entered the convent; plus her own story - from her infancy to her early entrance into Carmel at 15, to her death at age 24. Toward the end of her life, St. Therese came to an understanding of her own spiritual advancement, for she made several predictions that all came true: That her Story of a Soul should be published as soon as possible, that she would let fall a shower of roses on the whole world when she died, that she would assist anyone who called upon her for aid, and finally, that the whole world will love her. And it does! The Little Flower is probably the best known and loved Saint of all time. Also explains St. Therese's devotion to the Holy Face - and shows how it made her a Saint. A great gift!
