The Rough Guide to Sweden is the definitive travel guide with clear maps and coverage of the biggest and best known of all the Scandinavian countries, Sweden. Discover the vibrant regions of Sweden with expert tips on exploring all of the best Swedish attractions; from the wilds of Swedish Lapland to the most popular bars and restaurants in Sweden's cosmopolitan capital, Stockholm. Packed with the all the essential insider tips every traveller to Sweden needs; you'll find an authoritative background on Sweden's history and culture, detailed practical advice on what to see and do in Sweden whilst relying on up-to-date descriptions of the best hotels in Sweden, bars in Sweden, Swedish restaurants, shopping and entertainment for all budgets. Fully updated and expanded, The Rough Guide to Sweden covers everything from visiting the Hanseatic town of Visby, a former Viking site, to tips to seeing the country's latest attraction, ABBA The Museum, opening shortly in Stockholm. Explore all corners of Sweden with improved and enlarged maps of

Gothenburg, Sweden's second city, and new maps of Halmstad and Umeå. Make the most of your holiday with The Rough Guide to Sweden.

Prince of Stories Chronicle Books

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Pages: 22. Chapters: Adolf Hallman, Albert Engstrom, Anna Friberger, Anna Maria Thelott, Bertil Almqvist, Brita Granstrom, Caleb Althin, Carl Svante Hallbeck, Cecilia Torudd, Dan Zetterstrom, Einar Nerman, Elsa Beskow, Eugen Semitjov, Gustaf Tenggren, Hans Arnold, Helena Willis, Ilon Wikland, Inger and Lasse Sandberg, Inger Edelfeldt, Jan-Erik Garland, Jan Loof, Jenny Nystrom, Joakim Lindengren, Joakim Pirinen, Jockum Nordstrom, John Bauer (illustrator), Lars Hillersberg, Ossian Elgstrom, Pija Lindenbaum, Roland Svensson, Rolf Gohs, Signe Hammarsten-Jansson, Stig Claesson, Stig Lindberg, Thure de Thulstrup, Tony Cronstam, Ulf Lundkvist. Excerpt: Gustaf Adolf Tenggren (November 3, 1896 - April 9, 1970) was a Swedish-American illustrator. He is known for his Arthur Rackham-influenced fairy-tale style and use of silhouetted figures with caricatured faces. Tenggren was a chief illustrator for The Walt Disney Company in the late 1930s, in what has been called the Golden Age of American animation, when

animated feature films such as Snow White and the Seven Dwarfs, Fantasia, Bambi and Pinocchio were produced. Gustaf Tenggren was born in 1896 in Magra Parish (now part of Alingsås Municipality), in Västergötland County, Sweden. In 1913 he received a scholarship to study painting at Valand, the art school in Gothenburg, Sweden. Tenggren's early schooling and artistic influences were solidly grounded in Scandinavian techniques, motifs and myths; he worked with illustrating in the popular Swedish folklore and fairy tales annual Bland Tomtar och Troll ("Among Elves and Trolls"), where he succeeded illustrator John Bauer. After his first exhibition in 1920, Tenggren left Sweden and moved to Cleveland, Ohio, in the United States, where his sister lived, and from there, in 1922, to New York City. By 1923, he was illustrating children's...

Discover the secrets of the most iconic, mysterious and beautiful tarot decks ever created. The tarot is a treasury of divination, symbolism and self-knowledge. But who created its mysterious art and meaning, and why? What were they seeking? Does it originate in ancient esoteric wisdom or is this a vain fancy of the occultists? How has the interpretation and meaning of the cards evolved? In Iconic Tarot Decks, Sarah Bartlett (the international bestselling author) presents 50 of the most

iconic tarot decks – telling the powerful stories of how each was devised and designed and showcasing their most exemplary cards. Each of the fifty-six decks in this book holds its own unique symbolism and mystical beginnings: from Visconti-Sforza, the fifteenth-century deck that reveals the fates of two Italian dynasties, to the Sola Busca Tarot, with its esoteric alchemical codex; from the pioneering Rider-Waite-Smith deck to the occult riddles of English Magic Tarot. With an introduction to reading tarot and useful tips on deciphering the cards – this is the perfect book for collectors, cartomancers, designers, tattoo artists and anyone interested in the art and mystery of tarot.

Make the most of your time with *The Rough Guide to Sweden*.

The Hidden Art of Disney's Golden Age Redcrest Publishing

The human imagination gives rise to the most beautiful man-made structures and creations on Earth: architecture, literature, theatre, music, art, humanitarian initiatives, moon landings and space exploration, mythology, science, they all require a large dose of imagination. We all live surrounded by the results of the imagination of our peers, and the creations of our ancestors. Without imagination there is no compassion, no moral compass and no progress. But without imagination there is also no fear of death. There are no premeditated murders or terrorist attacks; these rely on the human ability to imagine, to call up images and test-drive possible scenarios in the human mind. Once we get out the magnifying glass, we discover that the imagination is a double-edged sword. All of us together, humanity as a collective, are creating very confused and mixed outcomes: world peace remains elusive, wars rage and children starve. Addictions and pollution proliferate. *Medicine of the Imagination: Dwelling in Possibility* examines these issues and suggests that if we are to transcend religious wars, homophobia and medical “cures” worse than the diseases we face then it that it is our moral duty to engage our imagination in service to other people.

Born in 1882 John Albert Bauer was a Swedish painter and illustrator. He studied at the Royal Swedish Academy of Arts and in 1904 he illustrated his first book, 'Lappland'. He is best known for his illustrations in early editions of 'Bland tomtar och troll' (Among Gnomes and Trolls), featuring stories of Swedish folklore and fairy tales. Bauer's troll illustrations were of a grotesque style but with a touch of humour, appealing to both children and adults alike. Most of his works are watercolours usually in muted colours over pen and ink line work. This enchanting compilation features 83 of Bauer's best works mostly from various editions of 'Bland tomtar och troll'. This superb collection is certain to delight lovers of fairy tale illustration and also Bauer admirers.

Art Masters is a book series by Kipepeo Publishing. # 169 - John Albert Bauer (4 June 1882 - 20 November 1918) was a Swedish painter and illustrator. His work is concerned with landscape and mythology, but he also composed portraits. He is best known for his illustrations of early editions of *Bland tomtar och troll* (Among Gnomes and Trolls), an anthology of Swedish folklore and fairy tales. Bauer was born and raised in Jonköping. At 16 he moved to Stockholm to study at the Royal Swedish Academy of Arts. While there he received his first commissions to illustrate stories in books and magazines, and met the artist Ester Ellqvist, whom he married in 1906. He traveled throughout Lappland, Germany and Italy early in his career, and these cultures deeply informed his work. He painted and illustrated in a romantic nationalistic style, in part influenced by the Italian Renaissance and Sami cultures. Most of his works are watercolors or prints in monochrome or muted colours; he also produced oil paintings and frescos. His illustrations and paintings broadened the understanding and appreciation of Swedish folklore, fairy tales and landscape. When Bauer was 36, he, Ester and their son, Bengt, drowned in a shipwreck on Lake Vattern." [Retold for the Young](#) Createspace Independent Publishing Platform

Trolls lurk under bridges waiting to eat children, threaten hobbits in Middle-Earth, and invade the dungeons of Hogwarts. Often they are depicted as stupid, slow, and ugly creatures, but they also appear as comforting characters in some children's stories or as plastic dolls with bright, fuzzy

hair. Today, the name of this fantastic being from Scandinavia has found a wider reach: it is the word for the homeless in California and slang for the antagonizing and sometimes cruel people on the Internet. But how did trolls go from folktales to the World Wide Web? To explain why trolls still hold our interest, John Lindow goes back to their first appearances in Scandinavian folklore, where they were beings in nature living beside a preindustrial society of small-scale farming and fishing. He explores reports of actual encounters with trolls—meetings others found plausible in spite of their better judgment—and follows trolls' natural transition from folktales to other domains in popular culture. Trolls, Lindow argues, would not continue to appeal to our imaginations today if they had not made the jump to illustrations in Nordic books and Scandinavian literature and drama. From the Moomins to Brothers Grimm and Three Billy Goats Gruff to cartoons, fantasy novels, and social media, Lindow considers the panoply of trolls that surround us and their sometimes troubling connotations in the contemporary world. Taking readers into Norwegian music and film and even Yahoo Finance chat rooms, *Trolls* is a fun and fascinating book about these strange creatures.

Johan Egerkrans long dreamed of illustrating the Norse mythology, and when he released *Norse Gods* in Swedish it was an immediate success. Egerkrans re-tells the most exciting and imaginative sagas of the Norse mythology: From the creation myth in which the first giant Ymer is hacked to pieces by Odin and his brothers, to the gods final destruction in Ragnarök. This is a gorgeously illustrated book in which gods, giants, dwarves, monsters and heroes are presented in all their glory. A book for those who already know and love these stories, as well as for those who have yet to discover Scandinavian mythology. A definitive work for readers of all ages. It is a pleasure to be enchanted by the suggestive visualizations of Angerboda, Hel, Freya, Utgarda-Loki, Mimer and Surt. Dick Harrison, Svenska Dagbladet Divine. LitteraturMagazinet

Over the past twenty years, Neil Gaiman has developed into the premier fantasist of his generation, achieving that rarest of combinations—unrivaled critical respect and extraordinary commercial success. From the landmark comic book series *The Sandman* to novels such as the *New York Times* bestselling *American Gods* and *Anansi Boys*, from children's literature like *Coraline* to screenplays for such films as *Beowulf*, Gaiman work has garnered him an enthusiastic and fiercely loyal, global following. To comic book fans, he is Zeus in the pantheon of creative gods, having changed that industry forever. For discerning readers, he bridges the vast gap that traditionally divides lovers of "literary" and "genre" fiction. Gaiman is truly a pop culture phenomenon, an artist with a magic touch whose work has won almost universal acclaim. Now, for the first time ever, *Prince of Stories* chronicles the history and impact of the complete works of Neil Gaiman in film, fiction, music, comic books, and beyond. Containing hours of exclusive interviews with Gaiman and conversations with his collaborators, as well as wonderful nuggets of his work

such as the beginning of an unpublished novel, a rare comic and never-before-seen essay, this is a treasure trove of all things Gaiman. In addition to providing in depth information and commentary on Gaiman's myriad works, the book also includes rare photographs, book covers, artwork, and related trivia and minutiae, making it both an insightful introduction to his work, and a true "must-have" for his ever growing legion of fans.

The science fiction and fantasy fields continue to evolve, setting new marks with each passing year. For the sixth year in a row, master anthologist Jonathan Strahan has collected stories to captivate, entertain, and showcase the very best the genre has to offer. Critically acclaimed, and with a reputation for including award-winning speculative fiction, *The Best Science Fiction and Fantasy of the Year* is the only major “best of” anthology to collect both fantasy and science fiction under one cover. Jonathan Strahan has edited more than thirty anthologies and collections, including *The Locus Awards* (with Charles N. Brown), *The New Space Opera* (with Gardner Dozois), and *Swords and Dark Magic: The New Sword and Sorcery*.
