The global church is facing a discipleship crisis. Here is how we move forward. Pastors and church leaders want to see lives changed by the gospel. They work tirelessly to care for people, initiate new ministries, preach creatively, and keep up with trends. Sadly, much of this effort does not result in deeply changed disciples. Traditional discipleship strategies fail because they do not: Slow down people's lives so they can cultivate a deep, personal relationship with Jesus. Challenge the values of Western culture that have compromised the radical call to follow the crucified Jesus. Integrate sadness, loss, and vulnerability, leaving people defensive and easily triggered. Measure

our spiritual maturity by how we are growing in our ability to love others. In Emotionally Healthy Discipleship, bestselling author Pete Scazzero lays out how to create an emotionally healthy culture and multiply deeply-changed people in every aspect of church life—including leadership and team development, marriage and single ministry, small groups, preaching, worship, youth and children's ministry, administration, and outreach. Complete with assessments and practical strategies, Emotionally Healthy Discipleship will help you move people to the beneath-the-surface discipleship that actually has the power to change the world.

Moses pioneered a Spirit-led leadership paradigm that Christian leaders do well to emulate today
Moses didn't want to be a

leader. He had been raised as a prince of Egypt, but now at 80, he was content to be a simple shepherd, watching sheep on the slopes of Sinai. Then, God spoke from the burning bush and Moses' world changed. How do you lead a multitude of people through impossible situations, badgered by a storm of criticism from within the camp, and threatened by deadly peril from without? Moses the reluctant leader has much to teach both disciples and leaders today. This Bible study leads you through Moses' life covering several chapters in each lesson so you can see the big picture. It slows down, however, to examine key passages in Exodus and Numbers that give insight into God's instruction to Moses. One lesson surveys the tabernacle, the priesthood, and the sacrifices that God revealed through Moses. This book explores Moses' life in 9 lessons with discussion questions, and can be used for personal enrichment, by small groups and classes, and by teachers and

preachers for sermon preparation.

Five Essential Practices for Leaders to Multiply

Leaders Relevant Books

A major problem in the local church today is lack of leadership. Simply put, we have more needs than we have leaders to meet those needs. So, how do we train better leaders faster? The truth is, very few churches really have a well-thought-out leadership development plan. Growth requires continually adding healthy new leaders, who carry the church culture forward and embody its core values. Everyone knows it, but how do we achieve it? In *Empowering Leadership* author and leadership consultant Michael Fletcher says leaders like this can't simply be bought, nor can they be hired from someone else's leadership assembly line. Developing leaders at every level, to create an environment that attracts potential leaders, and to build better leaders faster, an organization needs more

than a pipeline. It needs a culture that develops leaders organically.

Finding the right kind of leaders to guide your church on a path of continual growth comes out of keeping the right focus, and that focus is not just on the leaders. In fact, as Fletcher says, It isn't about the leader. It never was about the leader. It will never be about the leader. It will always and only be about Jesus and his people. It's about the people. True leadership development includes the often messy, but necessary, interaction of life upon life. So hiring pastors and key staff roles from within the church is the very best policy—people who "breathe" the culture of the church and who have helped create the culture you want to maintain. If your church or organization needs a good leadership development structure, then you're holding the right book. *Empowering Leadership* details Michael's greatest insights on how to build better leaders faster by creating a leadership development culture in your church or organization—naturally, organically, continually. Empower your church or organization through

great leadership. This book will show you how!

Effective Pastoral

Leadership CreateSpace

What is a Christian? At the most basic level, a Christian is a disciple of Jesus Christ. And yet many Christians today couldn't tell you what a disciple of Jesus Christ is, or would even think of themselves as disciples. And yet in the Great Commission, Jesus specifically called us to make disciples.

Everything else is secondary. *The Cost of Cheap Grace* is an extended, sweeping, bold, and bracing call to repentance for where we've let secondary things subvert our commitment to discipleship, and a compelling vision for discipleship as the basis of the gospel in all its world-changing, subversive power.

The book you hold resonates with this conviction: that leaders such as you have the potential to be the most influential forces on planet Earth. Yours is the staggering responsibility and the matchless privilege of rallying

believers and mobilizing their spiritual gifts in order to help people who are far from God become fully devoted followers of Christ. Life transformation and the eternal destinies of real people depend on the redemptive message entrusted to the local church. Are you willing to do whatever it takes to lead your church effectively so God's message of hope can change the world? Then this book is for you. *Courageous Leadership* is Bill Hybels' magnum opus, a book far too important to be written before its time. Only now, after nearly thirty years leading his own church from a handful of people with a burning vision into a globe-spanning kingdom force—only after almost three decades of victories and setbacks, of praying hard and risking big—is Hybels ready at last to share the lessons he has learned, and continues to learn, about Christian leadership. Too much is at stake for you not to maximize your spiritual gift of leadership, insists Hybels. In this passionate, powerful book, he unpacks the tools, tasks, and challenges of your calling. You'll discover the power of vision and how to turn it into action.

You'll gain frontline insights for developing a kingdom dream team, discovering your leadership style, developing other leaders, making decisions, walking with God, embracing change, staying your God-given course, and much, much more. Drawing on his own richly varied life experiences, Hybels fleshes out vital principles with riveting firsthand stories. This is far more than another book on leadership strategies and techniques. You'll find those topics in here, to be sure. But beyond them, you'll find the very essence of one of today's foremost Christian leaders—his fervent commitment to evangelism and discipleship and his zeal to inspire fellow church leaders even as he seeks to keep growing as a leader himself. If unchurched people matter to you . . . if you love seeing believers serve passionately with their spiritual gifts . . . if God's heartbeat for the church is your heartbeat as well . . . then this book is a must. *Courageous Leadership* will convince you to lead with all your might, all your skill, and all your faith. And it will give you the tools to do

just that.

Church growth models have often been long on promises and short on disciple-making. We continue to watch consistent church attendance shrink, and our desire to reach the lost is infected with a need for self-validation by growing our numbers at any cost. If we believe that God wants his church to grow, where do we go from here? What is the future of the church? Drawing from his 20 years and 15,000 hours of consulting, author Will Mancini shares with pastors and ministry leaders the single most important insight he has learned about church growth. With plenty of salient stories and based solidly on the disciple-making methods found in Scripture, *Future Church* exposes the church's greatest challenge today, and offers 7 transforming laws of real church growth so that we can faithfully and joyfully fulfill Jesus's Great Commission. *Christian Education Leadership* Moody Publishers

"Authors Eric Geiger and Kevin Peck argue that churches that consistently produce leaders have a strong conviction to develop leaders, a healthy culture for leadership development, and helpful constructs to systematically and intentionally build leaders. This set includes all three books of the J. Oswald Sanders' spiritual growth series: *Spiritual Leadership*, *Spiritual Discipleship*, and *Spiritual Maturity*. In *Spiritual Leadership*, J. Oswald Sanders, a Christian leader for decades and the author of more than forty books, presents the key principles of leadership in both the temporal and spiritual realms. He illustrates those principles throughout with examples from godly figures like Moses, Nehemiah, the apostle Paul, David Livingstone, Charles Spurgeon, and others. In *Spiritual Discipleship*, Sanders points out that true discipleship is more than intellectual assent to a belief in Christ; it

involves the whole person and lifestyle. This book will help you embody that truth. It examines Jesus' teaching on what it means to follow Him, helping you become the kind of Christian Jesus wants you to be—not one devised by man or even other Christians. For anyone who wants to be not just a believer in Christ, but an imitator of Him, this book is a treasured resource. In *Spiritual Maturity*, Sanders explores the primary source of continual growth. In three parts, structured around the persons of the Trinity, he provides clear direction for those desiring to grow strong spiritually. Complete with scriptural principles for spiritual development and study questions at the end of the text, this classic handbook is a timeless treasure.

Great Commission Leadership NavPress Publishing Group
Leading a small group can literally change the world. We have been commissioned to make disciples who make disciples, and Jesus showed us that the best way to carry that out is through small groups of believers. Just like the first-century church, small groups form the

foundation to take the gospel to the ends of the earth. Chris Surratt, Discipleship and Small Groups Specialist for LifeWay Christian Resources, and author of *Small Groups for the Rest of Us*, wants to help you get from here to there. Regardless of whether you have never lead a small group or have been leading one for years, all of us want to know how to create environments where spiritual growth takes place and communities are changed. *Leading Small Groups* walks the reader through the stages of gathering, launching, leading, and multiplying a gospel-centered small group. There are also follow-up questions for discussion and reflection at the end of each section, and practical resources that can be implemented immediately by the small group leader. Jesus left his followers with a task—the Great Commission. This book will help small group leaders and churches in their obedience to this task.

spiritual discernment and the character of God. *Enduring Church Growth* Createspace Independent Publishing Platform
Most churches are in a current state of plateau or declining. Although there are several variables that contribute to this status, a lack of willing and qualified disciplers have contributed to it. Why is there a lack of willing and qualified disciplers? Do pastors understand their biblical role as equippers? Does the church understand their role in ministry? Through the result of this research, the researcher will propose a biblical-based discipleship plan as well as other biblical recommendations to ameliorate the areas identified with deficiencies to improve leadership as well as the discipleship-making process.

Discipleship and Leadership Lessons The Discipleship and Leadership Workbook
Welcome to *Introduction to Leadership: Growing in the Call*. This workbook is the second of a series of three workbooks designed for Christians seeking to go deeper and high school students who want to learn more about what the Bible has to say about discipleship, Christian

leadership, and living a meaningful and impacting life. The workbooks focus on three aspects of maturing as a Christian leader:* *Introduction to Discipleship: Responding to the Call - CHARACTER** *Introduction to Leadership: Growing in the Call - COMPETENCIES** *Introduction to Life Planning: Achieving the Call - CALLING* Each of these workbooks is a stand-alone study but they are also designed to complement each other. In this workbook, you will be helped to discover what the Bible has to say about the character, competencies, and calling that are part of maturing as a Christian leader who honors God and influences others in kingdom impacting ways. At the core, leadership is influence. We all influence others in small or large ways. You do not have to be in a leadership role to be a leader. Becoming a mature leader starts with influencing those in your current sphere of influence. *Introduction to Leadership: Growing in the Call* is formatted using the IDEA approach of discovery learning for life transformation. Each chapter begins with an Introduction (I), followed by Discovery (D),

Explanation (E), and Application (A) sections. The goal of the IDEA approach is to facilitate the "gracious work" of God through his Word and Spirit to help transform you "into his likeness with ever increasing glory..." (II Corinthians 3: 18, NIV) so that you can become the type of leader that honors God and influences others for God's purposes.

"A must-read for every leader." —Dan T. Cathy, Chairman and CEO at Chick-fil-A, Inc. Preston Poore has spent decades in corporate America. Despite all the excellent advice he was given for growing in leadership, there was something missing: a way to bring his Christian beliefs to bear in his professional life, not just his personal life. So Preston sought his own answer to how his faith could impact his management of hundreds of employees. What he discovered was this: the first step wasn't adjusting his leadership style. Instead, he needed to let God change him before he could effect real change in his workplace. And in order to model discipleship to his team, he needed to first be

discipled by the Spirit. Here, in the day-to-day practice of being a disciple of Jesus Christ, Poore found where his faith and exceptional leadership intersect. Through personal stories, biblical principles, and hands-on workplace guidance, Poore offers readers a unique look at this seldom-discussed connection. He challenges struggling leaders to engage in the hard work of daily discipleship. And he charges experienced leaders to return to the fundamentals of their faith, encouraging them to disciple other Christians with leadership potential. For anyone wrestling with how to bring faith to the workplace, whether it be a cubicle or a boardroom, *Discipled Leader* reveals that leadership doesn't begin behind the desk--it begins in the soul.

Making Disciples in the 21st Century Church

Ashley Powell

The *Discipleship and Mentoring Workbook* is designed to help leaders establish a biblical understanding of discipleship and disciple-making (spiritual mentoring) for life and leadership. This workbook is part of The Leadership Development Series of

workbooks designed to facilitate "transformational learning" for establishing a foundation that will stand the test of time and help us to meet the challenges of learning how to be "lovers in a dangerous time" (musician Bruce Cockburn). Jesus stated that, "God is spirit, and his worshippers [Disciples and Mentors] must worship in Spirit [Spirit-Empowered] and in truth [Bible-Centered]" John 4:24, NIV. From this passage I developed The Leadership Development Series that includes this workbook plus *The Bible-Centered Leader Workbook*; *The Spirit-Empowered Leader Workbook*; and *The Discipleship and Leadership Workbook* (that is a "best of" or introductory overview of the content in the other three workbooks in this series for younger emerging leaders). The *Discipleship and Mentoring Workbook* is designed as a stand-alone and/or companion to other workbooks in this series. Each of these workbooks is formatted using the IDEA approach to transformational learning. The goal of the IDEA approach is to

facilitate the "gracious work" of God through his word and spirit to transform us "into his likeness with ever increasing glory..." (II Corinthians 3:18, NIV) Each chapter will begin with an Introduction (I) followed by Discovery (D), Explanation (E), and Application (A) sections.

Each chapter can be worked through as a unit or in sequence as a whole with a variety of process options including individual, small groups, and various course applications. Take your time and prayerfully and carefully read, study, discuss, apply, and evaluate your progress. Remember that becoming

a disciple and mentor is not an objective as much as it is a process or lifestyle. We do not obtain these as much as we become them. Over the years, we will be transformed by God (discipleship) in order help others (spiritual mentoring) in their transformation process.
