Numbered examples, Case in Points, sample answers, new reader-friendly Concept Summary Designs and helpful exhibits all work together to ensure reader comprehension. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Goldberg Torts Outline LexisNexis Tort law is a core element of every law degree in England and Wales. Unlocking Torts will ensure you grasp the main concepts with ease. This book explains in detailed, yet straightforward, terms:

Negligence and negligence related torts including occupiers' liability and employers' liability Land based torts such as trespass, nuisance and Rylands v Fletcher Liability for animals Torts relating to goods Trespass to the person Defamation and other torts relating to reputation Economic torts, breach of a statutory duty, vicarious liability, defences and remedies The fourth edition is fully up to date with the major recent cases including major developments in vicarious liability. It also includes changes after the Defamation Act 2013. The Unlocking the Law series is designed specifically to make the law accessible. Each chapter opens with a list of aims and objectives, contains activities such as quick quizzes and self-test questions, key facts charts to consolidate your knowledge, and diagrams to aid learning. Cases and judgments are

prominently displayed, as are primary source quotations. Summaries help check your understanding of each chapter, there is a glossary of legal terminology. New features include problem questions with guidance on answering, as well as essay questions and answer plans, plus cases and materials exercises. All titles in the series follow the same formula and include the same features so students can move easily from one subject to another. The series covers all the core subjects required by the Bar Council and the Law Society for entry onto professional qualifications as well as popular option units. The series website www.unlockingthelaw.co.uk provides free resources such as multiple choice questions, key questions and answers, revision mp3s and cases and materials exercises.

Past Minnesota Bar Examinations and Sample Answers Wolters Kluwer

Tried and tested by generations of students, Street on Torts provides a wide-ranging, clear and accurate explanation of the law of torts. Witting incorporates the latest learning on each of the torts covered in this book to provide a thoughtful account of the purposes, rules, and operation of the law. Coverage has been closely mapped to undergraduate law courses around the UK and updates and web links can be found on the accompanying Online Resource Centre. *Torts* Cengage Learning

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. *Business Law I Essentials* is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. *Business Law I Essentials* may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

Preparing and Writing to Win Cengage Learning

JumpStart is a new study aid series covering the first-year course areas. Each title is a short book, roughly 170 pages, that addresses a problem students experience as they navigate their first year courses. Often first year students are

expected to learn substantive law by reading judicial opinions without a framework or process to help them comprehend what they are reading. The JumpStart series supplies the context and prepares students to apply the rules in a litigation context. Titles in the series can be used as a general introduction to law school or as an introduction to torts. The books are most useful early in the first semester as well as in orientation courses or as summer reading for students entering their first year of law school. The series will appeal to academic success/support coordinators as well as the course-area professors. Ross Sandler is the series editor. His *JumpStart: Torts* is the first title in the series. *JumpStart: Torts* offers a detailed step-by-step approach to the stages of litigation, beginning with stating a theory of the case, moving through determining facts and making motions to receiving the holding of the case. Legal reasoning and the litigation process are taught via numerous judicial opinions with full analysis of each. Judicial opinions and analyses are made comprehensible without in-class explanation in a straightforward, clear, and informal writing style. Class-tested for success, *JumpStart: Torts* features pedagogical elements that support learning and facilitate use. As with each book in the series, the opening chapter provides a glossary of the terms, idioms, and procedures encountered in reading cases in tort law. Many judicial opinions are accompanied by an artist-drawn "cartoon" that illustrates the conflict or issue of the case. Short, easy-to-read opinions focus on ordinary situations with simple fact patterns that apply settled rules of law and principles. The book ends with a Practice Exam: a clear explanation of how to approach the typical torts essay exam question as well as insight into how professors grade exams. The chapter ends with a practice essay question. Two sample answers are included: a strong answer and a weaker answer. Each answer includes notes that point out where students did well and where they could improve their answers. Features: Detailed step-by-step approach to the stages of litigation begins by stating a theory of the case moves through determining fact and making motions to receiving the holding of the case Illustrates legal reasoning and the litigation process teaches through numerous judicial opinions with analysis Judicial opinions and analyses comprehensible without in-class explanation Straightforward, clear, informal style Class-tested material Pedagogical features Opening chapter

The most trusted name in law school outlines, Emanuel Law Outlines were developed while Steve Emanuel was a student at Harvard Law and were the first to approach each course from the point of view of the student. Invaluable for use throughout your course and again at exam time, Emanuel Law Outlines are well-correlated to all major casebooks to help you to create your own outlines. Sophisticated yet easy to understand, each guide includes both capsule and detailed explanations of critical issues, topics, and black letter law you must know to master the course. Quiz Yourself Q&As, Essay Q&As, and Exam Tips give you ample opportunity to test your knowledge throughout the semester and leading up to the exam. Every title in the series is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks.

Emanuel Law Outlines provide a comprehensive breakdown of the law, more sweeping than most, for your entire study process. For more than thirty years, Emanuel Law Outlines have been the most trusted name in law school outlines. Here's why: Developed by Steve Emanuel when he was a law school student at Harvard, Emanuel Law Outlines became popular with other law students and spawned an industry of reliable study aids. (Having passed the California bar as well, Steve Emanuel is now a member of the New York, Connecticut, Maryland, and Virginia bars.) Each Outline is valuable throughout the course and again at exam time. Outline chapters provide comprehensive coverage of the topics, cases, and black letter law covered in the course and major casebooks, written in a way you can easily understand. The Quiz Yourself Q&A in each chapter and the Essay Q&A at the end provide ample opportunity to test your knowledge throughout the semester. Exam Tips alert you to the issues that commonly pop up on exams and to the fact patterns commonly used to test those items. The Capsule Summary an excellent exam preparation tool provides a quick review of the key concepts covered in the course. The comprehensive coverage is more sweeping than most outlines. Each Emanuel Law Outline is correlated to the leading casebooks. Every title is frequently updated and reviewed against new developments and recent cases covered in the leading casebooks. Tight uniformity of writing style and approach means that if you use one of these guides, you can be confident that the others will be of similar quality.

Tort Law Directions Oxford University Press, USA

This best-selling undergraduate textbook from leading academics Kirsty Horsey & Erika Rackley gives a comprehensive grounding in tort law and carefully chosen learning features help students to become engaged and critical thinkers. This lively and thought-provoking account allows students to understand rather than simply learn the law. The problem questions in each chapter help students to understand how the law works in its practical context and to begin to consider potential issues and debates. Carefully chosen features such as 'counterpoint' and 'pause for reflection' boxes enable students to think more deeply and critically about the law. The text is accompanied by an extensive Online Resource Centre, which includes the following resources: - Downloadable annotated judgments, statutes, and problem questions - Outline answers to questions in the book - Annotated web

links to external web resources and videos - Flashcard glossary of legal terms used in the book - Additional content on elements of a claim in the tort of negligence and on product liability - Test bank of 200 questions and answers for lecturers' use in assessing students

An Introduction to the Law of Tort for Beginners Cengage Learning

Important Notice: Media content referenced within the

product description or the product text may not be available in the ebook version. *Cengage Advantage Books: Business Law Today, The Essentials: Text and Summarized Cases* Pearson UK
This textbook is designed for use in upper-level law school courses. It reflects the belief that the most effective teaching materials for students beyond the first year of law school are centered on problems of the kind that lawyers face in practice. Other features of the book include: · Clear Narrative Text. The chapters in *Advanced Tort Law: A Problem Approach* focus on five intriguing subjects which normally receive little attention in basic torts courses: misrepresentation, defamation, invasion of privacy, tortious interference, and injurious falsehood. In each chapter, the law is laid out in a clear narrative format, which quotes liberally from pertinent court opinions, statutes, and other sources. Because upper-level law students are already well acquainted with the American litigation process, each topic focuses primarily on operative rules and policies, and their application to particular fact situations. The text minimizes the procedural complexities of cases that have already been decided. · Fifty-Six Discussion Problems. The main instructional feature of *Advanced Tort Law: A Problem Approach* is the fifty-six discussion problems. Roughly every eight to ten pages, there is a problem for students to prepare in advance of class. A good answer requires a confident grasp of the rules, concepts, and principles addressed in the text or in basic law school courses. The problems, which test whether students have learned the assigned material, are designed to form the basis for classroom discussions. If a class meets twice a week over the course of a typical law school semester, each reading assignment is likely to include about fifteen to twenty pages of reading material and two discussion problems. Other advanced torts books have few or no discussion problems, or contain discussion problems only in some chapters. *Advanced Tort Law: A Problem Approach* is the only textbook that uses discussion problems as the principal teaching device for every topic in the book. · Preparation for Practicing Law in the 21st Century. Many of the problems in *Advanced Tort Law: A Problem Approach* are based on actual cases or stories in the news. With rare exceptions, the names have been changed. The facts in the problems often diverge from those which gave rise to the underlying disputes in order to raise questions important to the course. The discussion problems challenge

students to explore how the law applies to the kinds of facts they will encounter in twenty-first century law practice. There is an abundance of citations to cases decided since 2000. The hypothetical scenarios are designed to help users of the book develop the problem-solving skills that effective lawyers need today. • *Cutting-Edge Legal Issues in the Digital Age*. Although the torts discussed in this book are ancient in origin, they are often on the front lines of litigation in the Digital Age. There are abundant references to issues raised by recent communications technology developments, including blogging, texting, and social networking. The book addresses numerous practical questions that Americans confront in contemporary life, such as the liability issues that arise from anonymous postings

on the Internet or from corporate press releases designed to mislead investors. The eBook version of this title features links to Lexis Advance for further legal research options.

LexisNexis Questions and Answers
Cengage Learning

Tort Law Directions is written in an engaging and lively manner with an emphasis on explaining the key topics covered on tort law courses with clarity. The book includes helpful learning features to guide students through the material in an interesting and interactive way.

Unlocking Torts Cengage Learning
