LAUREL JADA

A Wolf Like Me St.

Martin's Griffin

They hunt us. They bomb our worlds for target practice. A star cluster in the constellation of Orion rotates once every thousand years. Those who rule there have an ancient tradition: When each cycle ends, they train their fleets by spilling the blood of lesser beings. The enemy fleets are coming again. In response, the Rebel Worlds gather their starships to face the terrifying threat, and this time humanity is asked to stand with them. The last time they considered Earth, Vikings in longboats were raiding English coastlines. Today, we're less primitive. Today, we're a target. One man is chosen to command Earth's single ship in the Rebel Fleet. When the war breaks out, Leo Blake must win it... or die trying."Classic B. V. Larson. This book grabs you by the plasma cannon and won't let go. Fast adventure, fast action-- and I loved the space-battles!"- S. Arthur *Psycho Within Us* Penguin

Beyond the din and dancing lights of the Las Vegas strip, a young woman has mysteriously gone missing. All the facts point to something sinister — even paranormal. Quentin Draith, supernatural crime investigator, is hired to assist. However, the deeper Draith digs, the more otherworldly his assignment gets. Assassins, human and otherwise, put a target on Draith's head and a ravenous alien beast starts rampaging through the city. The clues point Draith to Sin City's infamous "Bone Triangle," a neighborhood marked for its dark happenings and disappearances. And when Draith finds that the woman's disappearance may be linked to an alien plot against the city, he goes all in to make a final high-stakes play to save the city he loves. Intriguing, unexpected, and mesmerizing, *The Bone Triangle* is the second in bestselling author B. V. Larson's *Unspeakable Things* series. *Hold Back the Tide* Marshall Cavendish Family Guy meets Election in this hilarious young adult debut! Twelve-year-old Oliver Watson's got the IQ of a

grilled cheese sandwich. Or so everyone in Omaha thinks. In reality, Oliver's a mad evil genius on his way to world domination, and he's used his great brain to make himself the third-richest person on earth! Then Oliver's father—and archnemesis—makes a crack about the upcoming middle school election, and Oliver takes it as a personal challenge. He'll run, and he'll win! Turns out, though, that overthrowing foreign dictators is actually way easier than getting kids to like you. . . Can this evil genius win the class presidency and keep his true identity a secret, all in time to impress his dad?

Human Acts Anchor Revenger is a rocket-fueled tale of space pirates, buried treasure, and phantom weapons, of unspeakable hazards and single-minded heroism. . . and of vengeance. . . Adrana and Fura Ness are the newest crew members of the legendary Captain Rackamore's ship, using their mysterious powers as Bone Readers to find clues about their next score. But there might be more waiting for them in space than adventure and fortune: the fabled and feared Bosa Sennen, in

particular. The galaxy is filled with treasures. . . if you have the courage to find them.

The Bone Triangle
A midnight ritual by a secret society in the English Countryside nearly costs Thomas Spell his life. He returns home to Chicago to find that he carries within himself something unspeakable - a condition for which he believes there is no cure, until he meets Penelope, a beautiful and brilliant pre-med student determined to heal him. But the Brotherhood searches for him still, convinced that he holds the key to an unimaginable power. As his life begins to spiral out of control, Thomas is forced to confront his own past, as well as the dark forces closing in on him and everything he holds dear.

A Novel Hogarth
From internationally bestselling, acclaimed author Melinda Salisbury comes a darkly seductive story of murder, betrayal, love, and monsters in a small town in the Scottish Highlands. Here are the rules of living with a murderer. One: Do not draw attention to yourself. It's pretty self-explanatory -- if they don't notice you, they

won't get any ideas about killing you. Be a ghost in your own home, if that's what it takes. After all, you can't kill a ghost. Of course, when you live with a murderer, sit opposite them for every meal, share a washroom and a kitchen, sleep a mere twelve feet and two flimsy walls away from them, this is impossible. Even the subtlest of spectres is bound to be noticed. Which leads to the next rule. Two: If you can't be invisible, be useful. Everyone in this quiet lakeside community knows that Alva's father killed her mother, all those years ago. There wasn't enough proof to arrest him, though, and with no other family, Alva's been forced to live with her mother's murderer, doing her best to survive until she can earn enough money to run away. One of her chores is to monitor water levels in the loch -- a task her father takes very seriously. His family has been the guardian of the loch for generations. It's a cold, lonely task, and a few times, Alva can swear she feels someone watching her. The more Alva investigates, the more she realizes that the truth can be more monstrous than lies. And

while you might be able to outrun anything that emerges from the dark water, you can never escape your past . . .

A Novel About the History of Philosophy Simon and Schuster

Like Hans Christian Andersen and the Brothers Grimm, Isak Dinesen and Angela Carter, A. S. Byatt knows that fairy tales are for grownups. And in this ravishing collection she breathes new life into the form. **Little Black Book of Stories** offers shivers along with magical thrills. Leaves rustle underfoot in a dark wood: two middle-aged women, childhood friends reunited by chance, venture into a dark forest where once, many years before, they saw--or thought they saw--something unspeakable. Another woman, recently bereaved, finds herself slowly but surely turning into stone. A coolly rational ob-gyn has his world pushed off-axis by a waiflike art student with her own ideas about the uses of the body.

Spellbinding, witty, lovely, terrifying, the **Little Black Book of Stories** is Byatt at the height of her craft.

Democracy and Education Penguin

Raise. Your. Phantom. In a

world on the brink of the next Great Dying, no amount of training can prepare us for what is to come... A young heir will raise the most powerful phantom in all of Baiseen. A dangerous High Savant will do anything to control the nine realms. A mysterious and deadly Mar race will steal children into the sea. And a handsome guide with far too many secrets will make me fall in love. My name is Ash. A lowly scribe meant to observe and record. And yet I think I'm destined to surprise us all.

The Charnel Prince Del Rey

"I am his muse. But not for long..." When Mammon, the Prince of Greed, 'acquires' a half-blood slave known as 'Muse' for three nights, and bespells her with tales of a world where people live like kings and queens among towers of steel and glass, the seed of hope takes root in Muse's soul. But hope, for a half-human half-demon creature like her, is a dangerous thing. Especially when that tentative hope springs from the honeyed words of a Prince of Hell. What is Mammon's price for freedom? Meanwhile Da'mean, her ruthless

owner, would rather see her dead, than free. She belongs to him. She is his muse. And no beast will take her from him. The netherworld is harsh and violent. Muse's demon kin are merciless, blood-hungry beasts, but little do they know, Muse has something far more dangerous coiled inside her, desperate for a taste of freedom. Her humanity. Reader Note: This prequel is a short story (approx 90 mins read time). It can be read as a stand alone piece, or at any time during, prior to, or after reading any of the novel-length books in The Veil Series without spoilers. WARNING: Wings Of Hope contains some graphic scenes that some readers may find distressing. Genre: Dark Fantasy Recommended for 18+ **Don't Let Go** Ember An epic fantasy filled with adventure, intrigue, and romance from Incarnate series author Jodi Meadows. This duology is perfect for fans of Graceling by Kristin Cashore, The Girl of Fire and Thorns by Rae Carson, and Shadow and Bone by Leigh Bardugo. When Princess Wilhelmina was a child, the Indigo Kingdom invaded her homeland. Ten years later, Wil and the other

noble children who escaped are ready to fight back and reclaim Wil's throne. To do so, Wil and her best friend, Melanie, infiltrate the Indigo Kingdom palace with hopes of gathering information that will help them succeed. But Wil has a secret—one that could change everything. Although magic has been illegal for a century, she knows her ability could help her save her kingdom. But magic creates wraith, and the deadly stuff is moving closer and destroying the land. And if the vigilante Black Knife catches her using magic, she may disappear like all the others. . . .

Sophie's World Crown Books For Young Readers "Daum is her generation's Joan Didion." —Nylon Nearly fifteen years after her debut collection, *My Misspent Youth*, captured the ambitions and anxieties of a generation, Meghan Daum returns to the personal essay with *The Unspeakable*, a masterful collection of ten new works. Her old encounters with overdrawn bank accounts and oversized ambitions in the big city have given way to a new set of challenges. The first essay, "Matricide," opens

without flinching: People who weren't there like to say that my mother died at home surrounded by loving family. This is technically true, though it was just my brother and me and he was looking at Facebook and I was reading a profile of Hillary Clinton in the December 2009 issue of Vogue. Elsewhere, she carefully weighs the decision to have children—"I simply felt no calling to be a parent. As a role, as my role, it felt inauthentic and inorganic"—and finds a more fulfilling path as a court-appointed advocate for foster children. In other essays, she skewers the marriage-industrial complex and recounts a harrowing near-death experience following a sudden illness. Throughout, Daum pushes back against the false sentimentality and shrink-wrapped platitudes that surround so much of contemporary American experience and considers the unspeakable thoughts many of us harbor—that we might not love our parents enough, that "life's pleasures" sometimes feel more like chores, that life's ultimate lesson may be that we often learn nothing. But Daum also operates in a comic register. With

perfect precision, she reveals the absurdities of the New Age search for the "Best Possible Experience," champions the merits of cream-of-mushroom-soup casserole, and gleefully recounts a quintessential "only-in-L.A." story of playing charades at a famous person's home. Combining the piercing insight of Joan Didion with humor reminiscent of Nora Ephron's, Daum dissects our culture's most dangerous illusions, blind spots, and sentimentalities while retaining her own joy and compassion. Through it all, she dramatizes the search for an authentic self in a world where achieving an identity is never simple and never complete.

Daughter of Smoke & Bone 47North

In the instant New York Times bestseller that started the Dark Elements series, one kiss is enough to kill... Layla just wants to fit in at school and go on a date with Zayne, whom she's crushed on since forever. Trouble is, Zayne treats Layla like a sister—and Layla is a half demon, half gargoyle with abilities no one else possesses. And even though Zayne is a Warden, part of the race

of gargoyles tasked with keeping humanity safe, Layla's kiss will kill anything with a soul—including him. Then she meets Roth—a demon who claims to know her secrets. Though Layla knows she should stay away, it's tough when that whole no-kissing thing isn't an issue. Trusting Roth could ruin her chances with Zayne, but as Layla discovers she's the reason for a violent demon uprising, kissing the enemy suddenly pales in comparison to the looming end of the world. "Armentrout works her magic with swoon-worthy guys and a twist you never see coming."—#1 New York Times bestselling author Abbi Glines "Armentrout is a major talent... I just can't stop reading!"—New York Times bestselling author Gena Showalter *The Dark Elements Series: Bitter Sweet Love* (ebook-only prequel) *White Hot Kiss* *Stone Cold Touch* *Every Last Breath*
The Veil Series Prequel
 Harlequin
 After her grandmother's death Sarah Parsons, nearly sixteen, delights in exploring her family's centuries-old Maryland estate with new friend Jackson, but soon she is having vivid visions of her

ancestors, one of whom may be a threat to Sarah's autism

The Fault in Our Stars
HarperCollins

A powerful curse forces the exiled Queen of Faerie to choose between ambition and humanity in this highly anticipated and jaw-dropping finale to The Folk of the Air trilogy from a #1 New York Times bestselling author. He will be the destruction of the crown and the ruination of the throne Power is much easier to acquire than it is to hold onto. Jude learned this lesson when she released her control over the wicked king, Cardan, in exchange for immeasurable power. Now as the exiled mortal Queen of Faerie, Jude is powerless and left reeling from Cardan's betrayal. She bides her time determined to reclaim everything he took from her. Opportunity arrives in the form of her twin sister, Taryn, whose life is in peril. Jude must risk venturing back into the treacherous Faerie Court, and confront her lingering feelings for Cardan, if she wishes to save her sister. But Elfhame is not as she left it. War is brewing. As Jude slips deep within enemy lines she becomes ensnared in the conflict's bloody politics. And, when

a dormant yet powerful curse is unleashed, panic spreads throughout the land, forcing her to choose between her ambition and her humanity . . .

Embracing Survival
Harper Collins

When Quentin Draith wakes up in a private sanatorium, he has no memory of who he is or how he received the injuries riddling his body. All he knows is that he has to get out, away from the drugs being pumped into him and back to the real world to search for answers. His first question: How did his friend Tony's internal organs fill with sand, killing him in a Las Vegas car crash? After a narrow escape, he tracks down the basic facts: he is an investigator and blogger specializing in the supernatural -- which is a good thing, because Quentin's life is getting stranger by the minute. It seems he is one of a special breed, a person with unusual powers. He's also the prime suspect in a string of murders linked by a series of seemingly mundane objects. The deeper he digs and the harder he works to clear his name, the more Quentin realizes that some truths are better off

staying buried...

Amber House Little, Brown Books for Young Readers

A young adult thriller from Scott McEwan, the #1 New York Times bestselling co-author of American Sniper, and Hof Williams. Valor: great courage in the face of danger When Wyatt gets framed for a friend's crime, he thinks his life is over. But then a mysterious stranger visits him in jail with an unusual proposal: spend three months in a secret government camp and have a ten-year prison sentence wiped clean. Wyatt agrees, and finds himself in a world beyond his wildest dreams, with teenagers like him flying drones, defusing bombs, and jumping out of helicopters. This is no ordinary camp. Camp Valor is a secret training ground for teenage government agents, filled with juvenile offenders—badasses who don't play by the rules—who desperately need a second chance. If they can prove themselves over their three month stay and survive Hell Week, they will enter the ranks of the most esteemed soldiers in the United States military. But some enemies of the

United States have gotten wind of Camp Valor, and they will do everything in their power to find out its secrets. Suddenly, Wyatt and his friends have to put their training into practice, and find the bravery to protect their country.

Unhinged Little, Brown Books for Young Readers Wonderland causes real-world trouble for a teenage descendant of Alice in this romantic, dark fantasy sequel by the bestselling author of *Splintered*. Alyssa Gardner has been down the rabbit hole. She was crowned Queen of the Red Court and faced the bandersnatch. She saved the life of Jeb, the boy she loves, and escaped the machinations of the disturbingly appealing Morpheus. Now all she has to do is graduate high school. That would be easier without her mother, freshly released from an asylum, acting overly protective and suspicious. And it would be much simpler if the mysterious Morpheus didn't show up for school one day to tempt her with another dangerous quest in the dark, challenging Wonderland—where she (partly) belongs. Could she leave Jeb and her parents behind again, for

the sake of a man she knows has manipulated her before? Will her mother and Jeb trust her to do what's right? Readers will swoon over the satisfying return to Howard's bold, sensual reimagining of Carroll's classic. "I really enjoyed the first book of this series, but *Unhinged* cranks the Wonderland experience up to 11. It's just . . . WOW! The last few scenes dangle Alyssa's next adventure with shockers enough that I found my jaw needing a bit of assistance in coming off the floor. Write quickly, A. G. Howard! I need that next book!"—USA Today "Howard excels in sensory and sensuous descriptions." —Kirkus Reviews "As intense, dark, and weird as the first volume, this worthy sequel creates a parallel narrative that brings the action out of Wonderland and into Alyssa's hometown." —The Bulletin of The Center for Children's Books "A dark beauty fills the novel's pages, which will mesmerize teens with a taste for magic, romance or suspense. *Unhinged* lays the groundwork for a third book where anything could happen—it is Wonderland, after all."

—Shelf Awareness
The Unspeakable

Amazonencore
It began -- and ended -- in 1958 when seven children searched in the drains beneath Derry for an evil creature, but in 1985, Mike, once one of those children, makes six phone calls and disinters an unremembered promise that sets off the ultimate terror.

Unspeakable Things

Entangled: Teen
From the New York Times bestselling author of *Six Crimson Cranes* comes a fantasy filled with courtly intrigue, deceitful demons, and breathtaking gowns ... the stakes are higher than ever in this thrilling sequel to *Spin the Dawn!* Maia Tamarin's journey to sew the dresses of the sun, the moon, and the stars has taken a grievous toll. She returns to a kingdom on the brink of war. Edan, the boy she loves, is gone--perhaps forever--and no sooner does she set foot in the Autumn Palace than she is forced to don the dress of the sun and assume the place of the emperor's bride-to-be to keep the peace. When the emperor's rivals learn of her deception, there is hell to pay, but the war raging around Maia is nothing compared to the

battle within. Ever since she was touched by the demon Bandur, she has been changing . . . glancing in the mirror to see her own eyes glowing red; losing control of her magic, her body, her

mind. It's only a matter of time before Maia loses herself completely, and in the meantime she will stop at nothing to find Edan, protect her family, and bring lasting peace to her country.
