The Spiritual, Occult and Historical significance of the "Emerald Tablets" is almost beyond belief of modern man. Written around 36,000 B.C. by Thoth, an Atlantean priest-king, this manuscript dates far back beyond reach of any Egyptian writings ever found. The author, Thoth, a Master-Teacher of the early Egyptians, put this treatise to writing in his native Atlantean language and Dr. Doreal, by use of his expertise as an Occultist and Master of time and space, was given the directive to retrieve these Tablets and translate them into English for the edification of modern man. The powerful and rhythmic verse of Thoth is wonderfully retained in Doreal's translation. Contained within the pages of Thoth's masterpiece of Spiritual and Occult Wisdom is the synthesis of the Ancient Wisdom Teachings, the guideline for initiates of all ages, revealing the Knowledge and Wisdom hitherto held secret, but now in

this New Age, revealed to all Seekers on the Path of Light. Dr. M. Doreal, Ms.D., Psy.D., is the Spiritual; Teacher of a multitude of Seekers of Light, having founded a Metaphysical Church and College - The Brotherhood of the White Temple, Inc. He is the author of all of the Organization's writings and teachings, having been given permission for the Esoteric Wisdom to be remitted in a public forum by the Great White Lodge, the Elder Brothers of mankind who shape and form the Spiritual evolution of earth's inhabitants. The Brotherhood of the White Temple, Inc. is a correspondence school, accredited through the State of Colorado, and mails out to its world-wide membership weekly Lessons of Truth. Its four and one-half year College Course unveils the secrets of the Symbolism of all Mystery Schools, giving precisely and beautifully, the step by step progression all Seekers have searched for in their quest for Oneness with God, and for attainment of Cosmic Consciousness. "Read, Believe or not, but read, and the vibration found therein will awaken a response in your soul." - Doreal

Originally published in 1926, this short book focused on the symbolism surrounding the ancient patriarch Melchizedek serves as a concise introduction to important imperceptible truths. "The elaborate rituals of the ancient Mysteries and the simpler ceremonials of modern religious institutions had a common purpose. Both were designed to preserve, by means of symbolic dramas and processions, certain secret and holy processes, by the understanding of which man may more intelligently work out his salvation. The pages which follow will be devoted to an

interpretation of some of these allegories according to the doctrine of the ancient seers and sages."

An ancient symbol was suddenly used in the design of an entire temple. Renown scholar Hugh Nibley later identified it as the "Seal of Melchizedek." Other scholars and bloggers started exploring the history and meanings of the symbol, which was later added to the Salt Lake City Temple. For the first time in one

book, the modern story is uncovered. Learn why the Seal of Melchizedek is finding its way back into contemporary Christian culture, and why Latter-day Saints in particular find it so interesting. [The Lost Prophecies of Qumran](#) Pickle Partners Publishing

The Mystery of Melchizedek Who was this strange Priest/King that received tithes from Abraham? (...and administered bread and wine to him?) How is Melchizedek relevant to the Messiah of Israel? Did Melchizedek have a temple that predated Solomon's? Is the Jewish Kingdom as portrayed in the Old Testament simply an intermediate parenthesis within a larger expanse? Why are the distinctives so divergent from the enforced separation of the kingship and priesthood under David? Were the bread and wine served by Melchizedek eschatological? Did they embrace the Cross? (They, too, echo across the pages of the OT) Was the Lord's Communion anticipated in Gen. 14? Deriving from some very recent discoveries in Jerusalem (although some are yet to be confirmed) these studies may challenge many of the comfortable traditions that have shaped our classic Biblical perspectives. Join us as we explore some fascinating challenges to our previous understandings of things that shape our ultimate destiny...

Long ago we humans used a form of communication and sensing that did not involve the brain in any way; rather, it came from a sacred place within our hearts. What good would it do to find this place again? This is a book of remembering. You have always had this place within your heart, and it is still there now. It existed before creation,

and it will exist even after the last star shines its brilliant light. At night when you enter your dreams, you leave your mind and enter the sacred space of your heart. But do you remember? Or do you only remember the dream? Why am I telling you about this "something" that is fading from our memories? What good would it do to find this place again in a world where the greatest religion is science and the logic of the mind? Don't I know where emotions and feelings are second-class citizens? Yes, I do. But my teachers have asked me to remind you who you really are. You are more than just a human being, much more. For within your heart is a place, a sacred place, where the world can literally be remade through conscious cocreation. If you really want peace of spirit and if you want to return home, I invite you into the beauty of your own heart. With your permission, I will show you what has been shown to me. I will give you the exact instructions to the pathway into your heart where you and God are intimately one. It is your choice. But I must warn you: Within this experience resides great responsibility. Life knows when a spirit is born to the higher worlds, and life will use you as all the great masters who have ever lived have been used. If you read this book and do the meditation and then expect nothing to change in your life, you may get caught spiritually napping. Once you have entered the light of the great darkness, your life will change -- eventually, you will remember who you really are.

Who could have known how much influence the writings of a mysterious group of prophets and scribes hundreds of years before Christ would have on our

understanding of end times prophecy? As it turns out, much of what we've been taught about Israel in the First Century is incomplete. There were, in fact, Jewish believers who knew exactly what to expect in the coming Messiah: that He would be God in the flesh and would die for our sins. If they accurately predicted the first arrival of Jesus, what did they say about His soon return? In this groundbreaking book, you will learn: How an ancient Jewish calendar actually predicts the year 2025 AD as prophetically significant? How the enigmatic group, known as the Essenes, formed and what influence they had over the New Testament? Lost prophecies only recently discovered in the Dead Sea Scrolls about our time today? What messages the Essenes left behind for believers living in this present age? How the prophecies of Daniel and Revelation fit within the ancient Essene timetable? What hidden feasts and festivals the Essenes observed and what they point to in the future? What were the circumstances of the disappearance of the Essenes and how it connects to every Christian from the past two thousand years? Once you learn about the Essenes and the Dead Sea Scrolls they left behind, you will understand the entirety of the Bible in a brand new light. Finally, the prophetic texts of Scripture can be understood as originally intended. Discover what God is revealing in these final years of our current age and what is ahead in the next age, soon to come!

This aspect of the history and heritage of the "Black Jews" is dedicated to all oppressed African people whose religion differs from those who control the power of life and death over most of us. Out of this it is hoped that a better understanding between African people will prevail in spite of our religious differences. Could the story of mankind be far older than we have previously believed? Using tools as varied as archaeo-astronomy, geology, and computer analysis of ancient myths, Graham Hancock presents a compelling case to suggest

that it is. "A fancy piece of historical sleuthing . . . intriguing and entertaining and sturdy enough to give a long pause for thought."—Kirkus Reviews In *Fingerprints of the Gods*, Hancock embarks on a worldwide quest to put together all the pieces of the vast and fascinating jigsaw of mankind's hidden past. In ancient monuments as far apart as Egypt's Great Sphinx, the strange Andean ruins of Tihuanaco, and Mexico's awe-inspiring Temples of the Sun and Moon, he reveals not only the clear fingerprints of an as-yet-unidentified civilization of remote antiquity, but also startling evidence of its vast sophistication, technological advancement, and evolved scientific knowledge. A record-breaking number one bestseller in Britain, *Fingerprints of the Gods* contains the makings of an intellectual revolution, a dramatic and irreversible change in the way that we understand our past—and so our future. And *Fingerprints of God* tells us something more. As we recover the truth about prehistory, and discover the real meaning of ancient myths and monuments, it becomes apparent that a warning has been handed down to us, a warning of terrible cataclysm that afflicts the Earth in great cycles at irregular intervals of time—a cataclysm that may be about to recur. "Readers will hugely enjoy their quest in these pages of inspired storytelling."—The Times (UK)
