NELSON BRYSON

The Forgotten Little, Brown

Getting beaten to death is bad enough—but to be left naked and dead on the side of the road? That's just cruel. Detective Brandon Berger is called to investigate the case, but it doesn't look good. Evidence is lacking and the victim's identity is unknown. Factor in a house fire and a missing baby, and things just got a whole lot worse. A dark secret could tie everything together, but the truth can sometimes be deadly...and Brandon could end up like his victim. (NOTE: The Magnolia Parish Mystery Series picks up four years later in a spin-off series that features Police Sniper London Carter. The first book in the follow-up series is titled JAMES 516.)

The Rugged Life Independently Published

Mole, Ratty, Toad, and Badger are back for more rollicking adventures in this sequel to *The Wind in the Willows*. With lavish illustrations by Clint Young, Jacqueline Kelly masterfully evokes the magic of Kenneth Grahame's beloved children's classic and brings it to life for a whole new generation.

But Not Forgiven Rodale Books

When Army Special Agent John Puller finds his aunt dead in Florida, he suspects it's no accident . . . and as local police dismiss the case, the cracks begin to show in a picture-perfect town. Army Special Agent John Puller is the best there is. A combat veteran, Puller is the man the U.S. Army relies on to investigate the toughest crimes facing the nation. Now he has a new case—but this time, the crime is personal: His aunt has been found dead in Paradise, Florida. A picture-perfect town on Florida's Gulf Coast, Paradise thrives on the wealthy tourists and retirees drawn to its gorgeous weather and beaches. The local police have ruled his aunt's death an unfortunate, tragic accident. But just before she died, she mailed a letter to Puller's father, telling him that beneath its beautiful veneer, Paradise is not all it seems to be. What Puller finds convinces him that his aunt's death was no accident...and that the palm trees and sandy beaches of Paradise may hide a conspiracy so shocking that some will go to unthinkable lengths to make sure the truth is never

revealed.

Team of Vipers Little, Brown

After a year of working as a tour guide in the swamps of Louisiana—and the day after a man's body is found in a canal—former Police Chief Clint Wolf realizes he can't stay away from law enforcement work forever. Ditching his paddle for a pistol, he rejoins the Mechant Loup Police Department, but this time as their chief investigator, and he works beside Police Chief Susan Wilson as they seek to solve the mystery in the canal. While it isn't odd to find drowned bodies floating in the vast waterways of Louisiana from time to time, it is unusual to find a body with six bullet holes in its back. This first case back for Clint won't be a walk in the park, but a blue truck and a single piece of paper might be the key to everything. The only problem? The truck has seemingly vanished into thin air and no one can find the piece of paper.

But Not Forever National Geographic Books

THE INSTANT NEW YORK TIMES BESTSELLER "Sims's vivid portrait of Trump shrewdly balances admiration with misgivings, and his intricate, engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective. The result is one of the best of the recent flood of Trump tell-alls." —Publishers Weekly The first honest insider's account of the Trump administration. If you hate Trump you need the truth; if you love Trump you need the truth. After standing at Donald Trump's side on Election Night, Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy. He soon found himself pulled into the President's inner circle as a confidante, an errand boy, an advisor, a punching bag, and a friend. Sometimes all in the same conversation. As a result, Sims gained unprecedented access to the President, sitting in on private meetings with key Congressional officials, world leaders, and top White House advisors. He saw how Trump handled the challenges of the office, and he learned from Trump himself how he saw the world. For five hundred days, Sims also witnessed first-hand the infighting and leaking, the anger, joy, and recriminations. He had a role in

some of the President's biggest successes, and he shared the blame for some of his administration's worst disasters. He gained key, often surprising insights into the players of the Trump West Wing, from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway. He even helped Trump craft his enemies list, knowing who was loyal and who was not. And he took notes. Hundreds of pages of notes. In real-time. Sims stood with the President in the eye of the storm raging around him, and now he tells the story that no one else has written—because no one else could. The story of what it was really like in the West Wing as a member of the President's team. The story of power and palace intrigue, backstabbing and bold victories, as well as painful moral compromises, occasionally with yourself. *Team of Vipers* tells the full story, as only a true insider could.

BattleTech: Hour of the Wolf HarperCollins

An all-new, all-ages series full of magic and whimsy from award-winning creators Eric Shanower and Gabriel Rodriguez! Spinning out of Winsor McKay's brilliant early 20th century strip, *Little Nemo: Return to Slumberland* sees King Morpheus' daughter, in the Royal Palace of Slumberland, select her next-playmate: Nemo! Collects issues #1_4 and includes an art gallery from artist Gabriel Rodriguez.

Hollow Bond McFarland

For over five thousand years, there were always three binding rules for all Masters of Sinanju: 1) Payment is always in gold. No checks. 2) There is only one Master and one pupil. 3) No woman will ever be trained in Sinanju. Sunny Joe Roam will throw the last two rules out the window in order to fulfill his tribe's oldest commitment. He will train both Stone Smith and his half-sister Freya Williams in the deadly art of Sinanju, ushering in a new era for the tribe. But will the lethal brother-sister duo be enough to help their new boss Benjamin Cole stop the Great Mexican Ninja Army from invading the southwestern United States? This action-packed new series is based on the wildly popular "Destroyer" series, which has sold more than 50 million copies worldwide. Gerald Welch and "Destroyer" co-creator Warren Murphy have collaborated on LEGACY to bring the mythical martial art of Sinanju to a whole new generation of readers. Be sure to check out other books in the Legacy series: Book 2: *The Killing Fields*,

Book 3: Overload, and Book 4: Trial and Terror!

Not Forgotten Vintage

When a woman is found dead on her doorstep--shot through the heart with an arrow--Clint Wolf and Susan Wilson go to work trying to track down the sadistic killer. On the very next day, a second victim is murdered in his driveway (killed in the same manner) and it's now a race against time to uncover the motive behind the killings and identify the murderer. What they know so far is that he's a skilled archer preying on human targets, and they have no clue where he'll strike next. As though the case itself isn't complicated enough, the district attorney has launched a grand jury investigation into Susan's actions during a shooting that saved Clint's life. No one knows exactly why the DA is gunning for Susan, but one thing is crystal clear...it's personal.

Grand Central Publishing

More often than not, Clint Mason has his foot firmly wedged in his mouth, which tends to get him in plenty of hot water with the ladies. Although his laid back good ole' Southern charm does not fly far with the female population of Cedar Tree, the big burly contractor hides his dark side well. The only one Beth Franklin allows herself to rely on is Beth, and so far that has served her well. Just when her son disappears after dropping his little guy off on her doorstep, her life seems to spiral out of control. For the first time ever, fearing for his safety, the fiercely independent waitress is forced to be on the receiving end of a helping hand. That's not easy for her, especially since the shovel-sized hand belongs to a man whose approach has run hot and cold the last year, leaving her feeling off balance. With a steady and commanding force, he exposes her softer side, while doing everything he can to keep her and those close to her safe.

Clint Eastwood and Issues of American Masculinity Thomas Nelson
Crow is filled with suspense, humor, a little bit of romance and makes you think what would you do to help a friend and does that answer change after twenty years. When a fisherman pulls a bag of bones out of the Mississippi River Claudia watches as five old friends reunite after twenty years to determine if they should keep their secrets buried. Claudia expected to spend the summer in the small town of River Bend taking care of her Aunt EG but things get crazy as she learns of her connection to the bag of bones and is determined to be there when EG and friends get together. They have to figure out if doing the honorable thing is

the right for everyone but the choice might not be theirs to make. Family secrets, romance and gun shots take Claudia on an unexpected journey.

But Not Forsaken Univ. of Queensland Press

Throughout his directorial career, Clint Eastwood's movies have presented sympathetic narratives of characters enduring personal trauma as they turn to violence to survive calamity or sustain social order—a choice that leaves them marginalized rather than redeemed. In this collection of new essays, contributors examine his films—from *The Outlaw Josey Wales* to *Sully*—as studies on PTSD that expose the social conditions that tolerate or trigger traumatization and (in his more recent work) imagine a way through individual and collective trauma.

Rain But Not Forgotten

During his many years of working in law enforcement, Clint Wolf has investigated more than his share of bizarre cases. However, he has never worked a case where a dead man has come back to life...until now. While trying to help Clint figure out how something like this could happen, Amy Cooke stumbles upon an old newspaper article that details an unsolved case from nineteen years earlier. The details are sketchy, but it seems that a woman went missing after an argument with her husband. The husband's story is fishy and the woman's family suspects foul play, but there are no reports or evidence from back then to assist with the investigation, so Amy's left trying to recreate the file from scratch. There's a chance that neither case will be solved, but one thing can be counted on: Clint and Amy will die trying.

Eastwood's Iwo Jima Fordham Univ Press

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

The Outpost Independently Published

Two years after Clint Wolf's life has been disrupted forever, he's asked to serve as police chief for a quiet little town deep in the swamps of Louisiana. But the tranquility of the town is shattered when a severed arm is found in the jaws of an alligator. With the aid of Sergeant Susan Wilson, Clint investigates and it isn't long before they realize someone has been murdered. As the investigation ensues, Clint battles secret demons from his past as he befriends a local reporter named Chloe, who proves to be an asset to the case when she shares information from a source who

says the murder was part of a larger plot. Will Clint and Susan unveil and foil the larger plot before it's too late, or will the citizens of Louisiana awaken to a horror worse than any in their state's history? "Great imagery, bigger than life characters, and true sounding law enforcement scenes made this a romp of a read. It was fast moving and kept me guessing up to the very end." --Cheryl Stout, an Amazon Top 1000 Reviewer "This author has a real talent for keeping me gripped and wanting to know what was going to happen next." --Liz H, Through The Booking Glass

But Not Foregone Independently Published

"Brings to life Franklin's grit and spirit...an important contribution to the historical record." —The Washington Post The new novel from the New York Times bestselling author of *The Mystery of Mrs. Christie*! She changed the world with her discovery. Three men took the credit. Rosalind Franklin has always been an outsider—brilliant, but different. Whether working at the laboratory she adored in Paris or toiling at a university in London, she feels closest to the science, those unchanging laws of physics and chemistry that guide her experiments. When she is assigned to work on DNA, she believes she can unearth its secrets. Rosalind knows if she just takes one more X-ray picture—one more after thousands—she can unlock the building blocks of life. Never again will she have to listen to her colleagues complain about her, especially Maurice Wilkins who'd rather conspire about genetics with James Watson and Francis Crick than work alongside her. Then it finally happens—the double helix structure of DNA reveals itself to her with perfect clarity. But what unfolds next, Rosalind could have never predicted. Marie Benedict's powerful new novel shines a light on a woman who sacrificed her life to discover the nature of our very DNA, a woman whose world-changing contributions were hidden by the men around her but whose relentless drive advanced our understanding of humankind. Also By Marie Benedict: *The Other Einstein* *Carnegie's Maid* *The Only Woman in the Room* *Lady Clementine* *The Mystery of Mrs. Christie*

Little Nemo: Return to Slumberland Sourcebooks, Inc.

MORE THAN A CENTURY IN THE MAKING... Since the Clan Invasion of 3050 ended in failure, there are those who have not forgotten Nicholas Kerensky's ultimate goal: The conquering of Terra, and the rise of one Clan above all others...to become the ilClan, and

rule over both the rest of the Clans and the Inner Sphere...regardless of what the Great Houses may say about it... THE BATTLE THAT WILL RESHAPE THE INNER SPHERE BEGINS... Now, in 3151, two Clans make the final jump into the shattered remains of the Republic of the Sphere. Their target: the cradle of humankind, and the ultimate symbol of the Inner Sphere...Terra. But Clans Jade Falcon and Wolf will face a powerful, tenacious enemy in the remaining forces of the Republic, led by their resurrected leader, Devlin Stone. The impending battle will engulf the entire planet, and when it is over, only one shall stand supreme...

Return to the Willows Catalyst Game Labs

In this risk-taking book, a major feminist philosopher engages the work of the actor and director who has progressed from being the stereotypical “man’s man” to pushing the boundaries of the very genres—the Western, the police thriller, the war or boxing movie—most associated with American masculinity. Cornell’s highly appreciative encounter with the films directed by Clint Eastwood revolve around the questions “What is it to be a good man?” and “What is it to be, not just an ethical person, but specifically an ethical man?” Focusing on Eastwood as a director rather than as an actor or cultural icon, she studies Eastwood in relation to major philosophical and ethical themes that have been articulated in her own life’s work. In her fresh and revealing readings of the films, Cornell takes up pressing issues of masculinity as it is caught up in the very definition of ideas of revenge, violence, moral repair, and justice. Eastwood grapples with this involvement of masculinity in and through many of the great symbols of American life, including cowboys, boxing, police dramas, and ultimately war—perhaps the single greatest symbol of what it means (or is supposed to mean) to be a man. Cornell discusses films from across Eastwood’s career, from his directorial debut with *Play Misty for Me* to *Million Dollar Baby*. Cornell’s book is not a traditional book of film criticism or a cinematographic biography. Rather, it is a work of social commentary and ethical philosophy. In a world in which we seem to be losing our grip on

shared symbols, along with community itself, Eastwood’s films work with the fragmented symbols that remain to us in order to engage masculinity with the most profound moral and ethical issues facing us today.

The Skeleton Melodies Ignatius Press

INSTANT NEW YORK TIMES BESTSELLER “This extraordinary book is not only a chronicle of Ron’s and Clint’s early careers and their wild adventures, but also a primer on so many topics—how an actor prepares, how to survive as a kid working in Hollywood, and how to be the best parents in the world! The Boys will surprise every reader with its humanity.” — Tom Hanks “I have read dozens of Hollywood memoirs. But *The Boys* stands alone. A delightful, warm and fascinating story of a good life in show business.” — Malcolm Gladwell *Happy Days, The Andy Griffith Show, Gentle Ben*—these shows captivated millions of TV viewers in the ’60s and ’70s. Join award-winning filmmaker Ron Howard and audience-favorite actor Clint Howard as they frankly and fondly share their unusual family story of navigating and surviving life as sibling child actors. “What was it like to grow up on TV?” Ron Howard has been asked this question throughout his adult life. In *The Boys*, he and his younger brother, Clint, examine their childhoods in detail for the first time. For Ron, playing Opie on *The Andy Griffith Show* and Richie Cunningham on *Happy Days* offered fame, joy, and opportunity—but also invited stress and bullying. For Clint, a fast start on such programs as *Gentle Ben* and *Star Trek* petered out in adolescence, with some tough consequences and lessons. With the perspective of time and success—Ron as a filmmaker, producer, and Hollywood A-lister, Clint as a busy character actor—the Howard brothers delve deep into an upbringing that seemed normal to them yet was anything but. Their Midwestern parents, Rance and Jean, moved to California to pursue their own showbiz dreams. But it was their young sons who found steady employment as actors. Rance put aside his ego and ambition to become Ron and Clint’s teacher, sage, and moral compass. Jean became their loving protector—sometimes over-protector—from the snares and traps of Hollywood. By turns confessional, nostalgic, heartwarming, and harrowing, *THE BOYS*

is a dual narrative that lifts the lid on the Howard brothers’ closely held lives. It’s the journey of a tight four-person family unit that held fast in an unforgiving business and of two brothers who survived “child-actor syndrome” to become fulfilled adults. *But Not Forgotten* Independently Published NATIONAL BESTSELLER • “Elegant and wicked.... [This] might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.” —The New York Times Book Review Shots rang out in Savannah’s grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt’s sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman’s Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.
