Nine Short Plays for Classroom Cooperative Learning Presentations Greenhaven Press, Incorporated A representative of Poe's tales of the sea, "Ms. Found in a Bottle" follows the writer's infatuation with the horrific and unknown forces around us. An avid reader just like his creator, the narrator finds solace within books and ancient lore, thus testing the limits of one's imagination, and at the same time paving the road for further exploration of the unknown. Poe's otherworldly narrative could easily fall in the same category as the sea voyages and tribulations described by later authors such as Herman Melville and Joseph Conrad. Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

This Prestwick House Literary Touchstone Edition? includes a glossary and reader's notes to help the modern reader understand the turbulent and dynamic world of Dostoevsky's St. Petersburg. When Raskolnikov, a young student, is driven to murder by desperate poverty and a belief in his own superiority, he is plunged into a dark hell of guilt and delirium. Set in the gloomy slums of St. Petersburg in the 1860s, this stark and gripping psychological tale describes a man's search for redemption in the face of suffering and a society's search for meaning in the chaos of a changing world. Shortly after returning from a decade-long exile in Siberia, Dostoevsky fled creditors only to end up living in destitution in Austria. Staying in a hotel he couldn't afford, with barely enough money for tea, he composed this masterfully modern examination of a murderer's mind.

It is almost impossible to escape the Spanish Inquisition alive. However, Edgar Allan Poe's unnamed narrator, after suffering innumerable tortures upon his body and soul in the hands of his tormenters, sees the light of the day at the very end of his sanity's tether. Even despite the lack of supernatural elements, "The Pit and the Pendulum" (1842) has enjoyed and influenced several notable movie adaptations. Animations such as The "Flinstones", TV series like "Crime Scene Investigation", to films like Roger Corman's "The Pit and the Pendulum" (1961), starring Vincent Price and some torture methods found in the "Saw" franchise, the story's famous pendulum scene is a rather fruitful source of inspirations. Yet, despite the terrific torments, the story focuses primarily on how terror is implicitly depicted through the workings of the mind. This Prestwick House Literary Touchstone Edition? includes a glossary and reader's notes to help the modern reader contend with Hawthorne's complex approach to the human condition. Arguably Nathaniel Hawthorne's most famous novel, The Scarlet Letter probes the very root of the age-old question, "What is good?" Can there be redemption in a society where the only good is the avoidance of sin? Through the characters of the beautiful and independent Hester Prynne, the pious yet guilt-ridden Reverend Arthur Dimmesdale, and the vengeance-obsessed Roger Chillingworth, Hawthorne explores the range of human response to sin and the deadly consequences of the

inability to forgive oneself and others. In The Scarlet Letter, Hawthorne peers into the shadows of the soul to reveal the doubt, fear, and guilt that, try as we might to deny them, form the foundations of our existence.

This Prestwick House Literary Touchstone Edition? includes a glossary and reader's notes to help the modern reader enjoy the characters and situations as Austen intended and not merely as relics of a long-past era. Jane's Austen's delightfully scathing satire on class, pride, and proper behavior is as beloved today as it was when first published in 1813. The long road that the quick-witted, sharp-tongued Elizabeth Bennet and the haughty Darcy travel from mutual disdain to unfulfilled longing and finally to love and marriage is beset with obstacles in the form of Elizabeth's insufferable mother, irrepressible younger sister, and Darcy's own secret pain. In Pride and Prejudice, Austen has captured not only the frivolous sensibilities of early-nineteenth-century provincial England, but also the hearts and minds of anyone who has loved outside of social expectations and aspired to a happiness beyond mere propriety.

E. A. Poe's short story follows Prince Prospero and his friends' futile attempt to outrun and outsmart a deadly plague, called the Red Death. The heart of the story is presented as a masquerade where the guests revel in mirth and intoxication, oblivious of the horrors that await them. The author's narrative techniques revolve around symbolism (number seven, the clock, the black chamber) and provides an allegorical halo around the short story. Witnessing his wife's suffering from tuberculosis

and the ravages of cholera in Baltimore at the time, Poe imbues "The Mask" with an air of veracity, but the supernatural reigns supreme. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ The Most Dangerous Game, also published as The Hounds of Zaroff, is a short story by Richard Connell first published in Collier's magazine on January 19, 1924. It features a big-game hunter from New York who falls off a yacht and swims to an isolated island in the Caribbean where he is hunted by a Cossack aristocrat. The story is an adaptation of the big-game hunting safaris in Africa and South America that were fashionable among wealthy Americans in the 1920s. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Big-game hunter Sanger Rainsford and his friend, Whitney, are traveling to the Amazon rainforest for a jaguar hunt. After a discussion about how they are "the hunters" instead of "the hunted," Whitney goes to bed and Rainsford hears gunshots. He climbs onto the yacht's rail and accidentally falls overboard, swimming to Ship-Trap Island, which is notorious for shipwrecks. On the island, he finds a palatial chateau inhabited by two Cossacks: the owner, General Zaroff, and his gigantic deaf-mute servant, Ivan. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ Zaroff, another big-game hunter, knows of Rainsford from his published account of hunting snow leopards in Tibet. Over dinner, the middle-aged Zaroff explains that although he has been hunting animals since he was a boy, he has decided that killing big-game has become boring for him, so after escaping the Russian Revolution he moved to Ship-Trap Island and set it up to trick ships into wrecking themselves on the jagged rocks that surround it. He takes the survivors captive and hunts them for sport, giving them food, clothing, a knife, and a three-hour head start, and using only a small-caliber pistol for himself. Any captives who can elude Zaroff, Ivan, and a pack of hunting dogs for three days are set free. He reveals that he has won every hunt to date. Captives are offered a choice between being hunted or turned over to Ivan, who once served as official knouter for The Great White Czar. Rainsford denounces the hunt as barbarism, but Zaroff replies by claiming that "life is for the strong." Realizing he has no way out, Rainsford reluctantly agrees to be hunted. During his head start, Rainsford lays an intricate trail in the forest and then climbs a tree. Zaroff finds him easily, but decides to play with him as a cat would with a mouse, standing underneath the tree Rainsford is hiding in, smoking a cigarette, and then abruptly departing. ♥♥ The Most Dangerous Game by Richard Connell ♥♥ After the failed attempt at eluding Zaroff, Rainsford builds a Malay man-catcher, a weighted log attached to a trigger. This contraption injures Zaroff's shoulder, causing him to return home for the night, but he shouts his respect for the trap before departing. The next day Rainsford creates a Burmese tiger pit, which kills one of Zaroff's hounds. He sacrifices his knife and ties it to a sapling to make another trap, which kills Ivan when he stumbles into it. To escape Zaroff and his approaching hounds, Rainsford dives off a cliff into the sea; Zaroff, disappointed at Rainsford's apparent suicide, returns home. Zaroff smokes a pipe by his fireplace, but two issues keep him from the peace of mind: the difficulty of replacing Ivan and the uncertainty of whether Rainsford perished in his dive.

The Bells Prestwick House Inc

The Devil and Tom Walker by Washington Irving Classic Short Horror Stories - The Devil By his interest in popular legends the first of the great American writers shows his sympathy with the Romantic movement, which prevailed in his time in all the countries of Europe. His devil, however, has not been imported from the lands across the Atlantic, but is a part of the superstitions of the New World. The author himself did not believe in "Old Scratch." The real devils for him were the slave-traders and the witch-hunters of Salem fame. It is interesting now to read a contemporary critic of Washington Irving's devil-story: "If Mr. Irving believes in the existence of Tom Walker's master, we can scarcely conceive how he can so earnestly jest about him; at all events, we would counsel him to beware lest his own spells should prove fatal to him" (Eclectic Review, 1825). Few people in those days had the courage to take Old Nick good-naturedly. "Even the clever Madame de Stael," said Goethe, "was greatly scandalized that I kept the devil in such good-humour." The devil appears in many colours, principally, however, in black and red. It is a common belief in Scotland that the devil is a black man, as may also be seen in Robert Louis Stevenson's story "Thrawn Janet." There is no warrant in the biblical tradition for a black devil. Satan, however, appeared as an Ethiopian as far back as the days of the Church Fathers. The black colour presumably is intended to suggest his place of abode, whereas red denotes the scorching fires of hell. The devil was considered as a sort of eternal Salamander. In the New Testament he is described as a fiery fiend. Red was considered by Oriental nations as a diabolical colour. In Egypt red hair and red animals of all kinds were considered infernal. The Apis was also red-coloured. Satan's red beard recalls the Scandinavian god Donar or Thor, who is of Phoenician origin. Judas was always represented in mediaeval mystery-plays with a red beard; and down to the present day red hair is the mark of a suspicious character. The devil also appears as yellow, and even blue, but never as white or green. The yellow devil is but a shade less bright than his fiery brother. The blue devil is a sulphur-constituted individual. He is the demon of melancholy, and fills us with "the blues." As the spirit of darkness and death, the devil cannot assume the colours of white or green, which are the symbols of light and life. The devil's dragon-tail is, according to Sir Walter Scott, of biblical tradition, coming from a literal interpretation of a figurative expression. A few interesting remarks on the expression "The Devil and Tom Walker" current in certain parts of this country as a caution to usurers will be found in Dr. Blondheim's article "The Devil and Doctor Foster" in Modern Language Notes for 1918.
