In the ruins of civilization, a young girl's kindness and capacity for love will either

save humanity -- or wipe it out in this USA Today bestselling thriller Joss Whedon calls "heartfelt, remorseless, and painfully human." Melanie is a very special girl. Dr

Caldwell calls her "our little genius." Every morning, Melanie waits in her cell to be collected for class. When they come for her, Sergeant keeps his gun pointed at her while two of

his people strap her into the wheelchair. She thinks they don't like her. She jokes that she won't bite, but they don't laugh.

The Sweet Far Thing
Andrews McMeel Publishing

Mimi laid the box in the bench and opened it carefully. Inside were rows and rows of coloured pastels that shimmered in the light. She rolled them under her fingertips and her imagination began to fill with amazing pictures.

When Mimi is given a box of magical pastels, she discovers that she can draw the Garden of Empress Cassia - a drawing so beautiful and real that people are

transported inside it. But the pastels are ancient, mysterious and powerful, and in the wrong hands can be very dangerous . . .

The Girls' Book of Secrets
HarperCollins UK

In this thrilling sequel, Gemma continues to pursue her destiny to bind the magic of the Realms and restore it to the Order. Gemma and her friends from Spence use magical power to transport

themselves on visits from their corseted world of Victorian London (at the height of the Christmas season), to the visionary country of the Realms, with its strange beauty and menace. There they search for the lost Temple, the key to Gemma's mission, and comfort Pippa, their friend who has been left behind in the Realms. After these visits they bring back magical power for a short time to use in

their own world. Meanwhile, Gemma is torn between her attraction to the exotic Kartik, the messenger from the opposing forces of the Rakshana, and the handsome but clueless Simon, a young man of good family who is courting her. This is the second book in Libba Bray's engrossing trilogy, set in a time of strict morality and barely repressed sensuality, about a girl who saw

another way. *A Boston Love Story* A&C Black Shortlisted for the 2014 Miles Franklin Literary Award An exhilarating new book from Australia's most acclaimed writer Tim Winton is Australia's most decorated and beloved literary novelist. Short-listed twice for the Booker Prize and the winner of a record four Miles Franklin Awards for Best

Australian Novel, he has a gift for language virtually unrivaled among English-language novelists. His work is both tough and tender, primordial and new—always revealing the raw, instinctual drives that lure us together and rend us apart. In Eyrrie, Winton crafts the story of Tom Keely, a man struggling to accomplish good in an utterly fallen world. Once

an ambitious, altruistic environmentalist, Keely now finds himself broke, embroiled in scandal, and struggling to piece together some semblance of a life. From the heights of his urban high-rise apartment, he surveys the wreckage of his life and the world he's tumbled out of love with. Just before he descends completely into pills and sorrow, a woman from his past and her preternatural

child appear, perched on the edge of disaster, desperate for help. When you're fighting to keep your head above water, how can you save someone else from drowning? As Keely slips into a nightmarish world of con artists, drug dealers, petty violence, and extortion, Winton confronts the cost of benevolence and creates a landscape of uncertainty. Eyrrie is a thrilling and vertigo-

inducing morality tale, at once brutal and lyrical, from one of our finest storytellers.

The Declaration

Penguin Gemma Summers is unlucky in love. She's known it since third grade, when her first crush blew a spitball into her hair, and a decade-long string of bad dates, boring sex, and abysmal morning-afters has done nothing to improve her prospects. When a random radio

contest lands her courtside tickets to the hottest playoff game of the season, Gemma thinks her luck may finally be on the upswing — at least, until the dreaded jumbotron kiss-cam lands on her and her date, who's too busy ignoring her to notice... Thankfully, the sexy stranger sitting next to her is more than willing to step in. One kiss. Two strangers. No strings attached. Or... so she thinks. Turns out,

kissing Chase Croft — Boston's most eligible bachelor — may be enough to convince even a girl who's given up on love to let down her guard one last time... NOT YOU IT'S ME is a full-length, comedic contemporary romance about a girl who doesn't believe in love... and the man who changes her mind. It is the first installment of the internationally bestselling BOSTON LOVE

STORY series and can be read as a complete standalone. Due to sexy-times and strong language, it is intended for readers 17 and up. *Love and Chaos* Independently Published An exquisite new picture book from the author of the beloved *This Is Sadie* about a little doll whose worldview is about to get a whole lot bigger. Gemma has always lived in a very nice little house,

always slept in the same room and always worn the same clothes. A doll in an old forgotten dollhouse, Gemma wonders if she will ever grow up, but her parents tell her she will always be their little girl. Until, one day, the dollhouse is opened by a GIANT, and Gemma's whole life changes. New things are introduced into the little house -- and Gemma finally has an opportunity to leave what's

familiar and see the enormous world beyond. A story that evokes children's classics, Gemma and the Giant Girl is a gorgeously illustrated and poignant tale of what it feels like to be small in a big world and how even the smallest among us can take charge of our own destinies. **The Icons, Rebels, Stars, and Trailblazers Who Transformed the Beautiful Game** Orbit

The epic first novel in a sweeping series following the romantic lives and intrigues of the fictionalized descendants of a Chinese empress—now in paperback! Behind every great family lies a great secret. There's one rule in Gemma Huang's family: Never, under any circumstances, set foot in Beijing. But when Gemma, an aspiring actress, lands her first break—a lead role in an update of M.

Butterfly, which just so happens to be filming in the Chinese capital—Gemma heads to LAX without looking back. It's an amazing opportunity for her burgeoning career, and she'll get to work with her idol. Of course, there's also the chance of discovering just exactly why she's been forbidden from entering the city in the first place. When Gemma arrives in Beijing, she's

instantly mobbed by paparazzi at the airport. She quickly realizes she may as well be the twin of Alyssa Chua, one of the most notorious young socialites in Beijing. Thus kicks off a season of revelations and romance in which Gemma uncovers a legacy her parents have spent their lives protecting her from—one her mother would conceal at any cost.

Books of the Year review Going Bovine “Libba Bray’s fabulous new book will, with any justice, be a cult classic. The kind of book you take with you to college, in the hopes that your roommate will turn out to have packed their own copy, too. Reading it is like discovering an alternate version of The Phantom Tollbooth, where Holden Caulfield has hit Milo over the head and stolen his car, his token, and

his tollbooth. There’s adventure and tragedy here, a sprinkling of romance, musical interludes, a battle-ready yard gnome who’s also a Norse God, and practically a chorus line of physicists. Which reminds me: will someone, someday, take Going Bovine and turn it into a musical, preferably a rock opera? I want the soundtrack, the program, the T-shirt, and front row tickets.”—Kelly Link, author of Get in

Trouble “Libba Bray not only breaks the mold of the ubiquitous dying-teenager genre—she smashes it and grinds the tiny pieces into the sidewalk. For the record, I’d go anywhere she wanted to take me.”—The New York Times “A sublimely surreal saga.”—People “Offer this to fans of Douglas Adams’s Hitchhiker’s Guide to the Galaxy seeking more inspired

lunacy.”—PW,

 Having bound

the wild, dark magic of the realms to her, Gemma has forged unlikely and unsuspected new alliances both with the headstrong Felicity and timid Ann, Kartik, the exotic young man whose companionship is forbidden, and the fearsome creatures of the realms. Now, as Gemma approaches her London debut, the time has come to test those bonds. As her friendship with Felicity and Ann faces its

gravest trial, and with the Order grappling for control of the realms, Gemma is compelled to decide once and for all which path she is meant to take. Pulled forward by fate, the destiny Gemma faces threatens to set chaos loose, not only in the realms, but also upon the rigid Victorian society whose rules Gemma has both defied and followed. Where does Gemma really belong? And

will she, can she, survive?
