## CHAMBERS KAELYN

**A Series of Unfortunate Events Collection: Books 7-9** The Ersatz ElevatorThe woeful saga of the Baudelaire orphans continues as evil Count Olaf discovers their whereabouts at Esmé Squalor's seventy-one bedroom penthouse and concocts a new plan for stealing their family fortune.A Series of Unfortunate Events #6: The Ersatz Elevator The Bad Beginning is the first book in the globally bestselling series A Series of Unfortunate Events. This exclusive gold foiled 20th anniversary hardback gift edition commiserates the fact that this brilliantly funny book has been miserably

longed for by every child in the world for the last twenty years. Perfect for fans of Roald Dahl and Mr Gum, young readers of 8 to 12 will adore the mischievously dark humour. A Series of Unfortunate Events' has been made into both a blockbuster Hollywood film starring Jim Carey and also a hit Netflix TV series. Dear reader, There is nothing to be found in Lemony Snicket's 'A Series of Unfortunate Events' but misery and despair. You still have time to choose another international best-selling series to read. But if you insist on discovering the unpleasant adventures of the Baudelaire orphans, then proceed with caution... Violet, Klaus, and Sunny Baudelaire are intelligent children. They are charming, and resourceful, and have pleasant facial features. Unfortunately, they are

exceptionally unlucky. In The Bad Beginning, the siblings encounter a greedy and repulsive villain, itchy clothing, a disastrous fire, a plot to steal their fortune and cold porridge for breakfast. You have been warned... Are you unlucky enough to own all 13 adventures? The Bad Beginning The Reptile Room The Wide Window The Miserable Mill The Austere Academy The Ersatz Elevator The Vile Village The Hostile Hospital The Carnivorous Carnival The Slippery Slope The Grim Grotto The Penultimate Peril The End And what about All the Wrong Questions? In this four-book series a 13-year-old Lemony chronicles his dangerous and puzzling apprenticeship in a mysterious organisation that nobody knows anything about: 'Who Could That Be at This Hour?' 'When Did you Last See

Her?' 'Shouldn't You Be in School?' 'Why is This Night Different from All Other Nights?' *The Vile Village, the Hostile Hospital, & the Carnivorous Carnival* Harper Collins Named Most Anticipated Crime Book of the Year by CrimeReads A chilling true story—part memoir, part crime investigation—reminiscent of Ann Rule's classic *The Stranger Beside Me*, about a little girl longing for love and how she found friendship with her charismatic babysitter—who was also a vicious serial killer. Growing up on Cape Cod in the 1960s, Liza Rodman was a lonely little girl. During the summers, while her mother worked days in a local motel and danced most nights in the Provincetown bars, her babysitter—the kind, handsome handyman at the motel where her mother worked—took her and her sister on adventures in his truck. He bought them popsicles and together, they visited his “secret garden” in the Truro woods. To Liza, he was one of the few kind and understanding adults in her life. Everyone thought he was just a “great guy.” But there was one thing she didn't know; their babysitter was a serial killer. Some of his victims were buried—in pieces—right there, in his garden in the woods. Though Tony Costa's gruesome case made screaming headlines in 1969 and beyond, Liza never made the connection between her friendly babysitter and the infamous killer of numerous women, including four in Massachusetts, until decades later. Haunted by nightmares and horrified by what she learned, Liza became obsessed with the case. Now, she and cowriter Jennifer Jordan reveal the chilling and unforgettable true story of a charming but brutal psychopath through the eyes of a young girl who once called him her friend. *The Hostile Hospital* HarperCollins NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in *A Series of Unfortunate Events*, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, *A Series of Unfortunate Events* offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemon Snicket's uproariously unhappy

books continue to win readers, despite all his warnings. *A Series of Unfortunate Events Collection: Books 10-13* Harper Collins NOW A NETFLIX ORIGINAL SERIES A Warning from the Publisher: If you have come this far, it is likely too late. Readers who have experienced the first nine volumes in *A Series of Unfortunate Events* by Lemony Snicket are usually so weakened by their dreadful knowledge of the Baudelaire orphans' story that they spend most of their time moaning and weeping, and have no strength to read *The Slippery Slope*, *The Grim Grotto*, *The Penultimate Peril*, or *The End*. If, by chance, your moaning and weeping is more or less under control, there is no need to further risk your physical, emotional, and literary health by reading the four remaining volumes in the series. It would be better to regain your strength by spending your time indulging in less alarming activities, such as whistling or making cupcakes for the elderly. After all, this collection contains all of the calamities in the last four volumes of *A Series of Unfortunate Events*, including abandoned condiments, cigarette smoking, a shocking revelation, a ridiculous laugh, a fearsome storm, a herd of wild sheep, a truly haunting secret about the Baudelaire parents, another shocking revelation, and Phil. There is no need to expose yourself to such atrocities, not after all you've been through already.

#### **The End** Harper Collins

There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . *The Carnivorous Carnival* contains such a distressing story that consuming any of its contents would be far more stomach-turning than even the most imbalanced meal. To avoid causing discomfort, it would be best if I didn't mention any of the ingredients of this story, particularly a confusing map, an ambidextrous person, an unruly crowd, a wooden plank and Chabo the Wolf Baby. Your time might be better filled with something more palatable such as eating your vegetables or feeding them to someone else. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for

children as nothing more than a dreadful mistake.

*The Austere Academy* Egmont Books (UK) Forget Frosty the Snowman or Rudolph the Red-Nosed Reindeer. The next great holiday hero is a small, flammable chunk of barbecue fodder. He's impeccably dressed, he's terribly grumpy, and he's looking for a holiday miracle. It's unmistakably Snicket - here's the opening line: This holiday season is a time for stoytelling, and whether you are hearing the story of a candelabra staying lit for more than a week, or a baby born in a barn without proper medical supervision, these stories often feature miracles. *A Series of Unfortunate Events #6: The Ersatz Elevator* Harper Collins The first *Series of Unfortunate Events* gift/box-set of this New York Times best-selling series. The set includes *The Bad Beginning*, *The Reptile Room*, and *The Wide Window*.

*Prince Across the Water* Harper Collins The three Baudelaire orphans Violet, Klaus and little Sunny, arrive at the Prufrock Preparatory School, only to be met by the unpleasant bully, Carmaleta Spats. The children must go to the Orphan's Shack, where fungus grows and crabs live. *The Bad Beginning 20th Anniversary Gift Edition* Open Road Media

A Highland lad comes of age at the brutal battle of Culloden in 18th-century Scotland. In the year 1745, the cry goes out across the Scottish Highlands for every able-bodied Scotsman to take up arms in support of Bonnie Prince Charlie. Stalwart and brave but prone to sudden seizures, young Duncan longs to join his da and the other men of clan MacDonald in the noble fight against the English. His father decrees the boy must remain behind, but the call to war is impossible to ignore, and when Duncan learns of his uncle's death in battle, he joins his cousin Ewan and sets out to fight for their country and their prince. But the reality of war is not the glorious undertaking Duncan has long heard spoken of and sung in stirring ballads and stories—and on the battlefield of Culloden he will be tested in ways he never could have imagined and leave boyhood behind forever amid the blood, fire, and death. Critically acclaimed, award-winning authors Jane Yolen and Robert J. Harris merge their considerable storytelling talents in a riveting, moving tale of a young boy's rocky and perilous road to manhood. Richly atmospheric and firmly based in fact, *Prince Across the Water* is enthralling historical fiction—a powerful and unforgettable journey back in time and an unflinching look at the true face of war.

*The Wizards of Once* Harper Collins  
There is nothing to be found in the pages of A Series of Unfortunate Events but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on . . . There are many pleasant things to read about, but *The Miserable Mill* contains none of them. Within its pages one will find a giant pincher machine, a bad casserole, a man with a cloud of smoke where his head should be, a hypnotist, a terrible accident and coupons. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's A Series of Unfortunate Events to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.

*The Carnivorous Carnival* Harper Collins  
A book of blank pages for writing personal observations in the spirit of "A series of unfortunate events" by Lemony Snicket.  
*A Series of Unfortunate Events Collection: Books 4-6* HarperCollins Childrens Books  
NOW A NETFLIX ORIGINAL SERIES In their most daring misadventure, the Baudelaire orphans are adopted by very, very rich people, whose penthouse apartment is located mysteriously close to the place where all their misfortune began. Even though their new home in the city is fancy, and the children are clever and charming, I'm sorry to say that still, the unlucky orphans will encounter more disaster and woe. In fact, in this sixth book in A Series of Unfortunate Events, the children will experience a darkened staircase, a red herring, an auction, parsley soda, some friends in a dire situation, a secret passageway, and pinstripe suits. Both literary and irreverent, hilarious and deftly crafted, A Series of Unfortunate Events

offers an exquisitely dark comedy in the tradition of Edward Gorey and Roald Dahl. Lemony Snicket's uproariously unhappy books continue to win readers, despite all his warnings.

*A Series of Unfortunate Events #6: The Ersatz Elevator* HarperCollins  
Dear Reader, If you have not read anything about the Baudelaire orphans, then before you read even one more sentence, you should know this: Violet, Klaus, and Sunny are kindhearted and quick-witted, but their lives, I am sorry to say, are filled with bad luck and misery. All of the stories about these three children are unhappy and wretched, and this one may be the worst of them all. If you haven't got the stomach for a story that includes a hurricane, a signalling device, hungry leeches, cold cucumber soup, a horrible villain, and a doll named Pretty Penny, then this book will probably fill you with despair. I will continue to record these tragic tales, for that is what I do. You, however, should decide for yourself whether you can possibly endure this miserable story. With all due respect, Lemony Snicket

*The Ersatz Elevator* Egmont Books (UK)  
The corridors and committee rooms of Whitehall are the setting for the ninth in the Strangers and Brothers series. They are also home to the manipulation of political power. Roger Quaipe wages his ban-the-bomb campaign from his seat in the Cabinet and his office at the Ministry. Liveright Publishing

The highly original satire about Oedipa Maas, a woman who finds herself enmeshed in a worldwide conspiracy, meets some extremely interesting characters and attains a not inconsiderable amount of self-knowledge.

*The Lump of Coal* Egmont Books (UK)  
This terribly tempting blank book offers ruled pages detailed with illustrations and quotable quotations from Mr. Snicket's archives. This journal is resilient enough to hold even the most revolting revelations from any budding young researcher or

writer in disguise. Consumable.

**A Series of Unfortunate Events: The Notorious Notations** House of Stratus  
'If you are interested in stories with happy endings, you would be better off reading some other book.' Violet, Klaus and Sunny Baudelaire are most unfortunate children. Orphaned after the sudden death of their parents in a house fire, they are left in the hands of their guardian, Count Olaf, who has diabolical plans for them . . . 'A Series of Unfortunate Events' has sold more than 60 million copies worldwide, has been translated into 41 languages and was adapted into a 2004 film starring Jim Carrey. 'Wicked good fun' - Kirkus Reviews  
*"Why Is This Night Different from All Other Nights?"* Little, Brown Books for Young Readers

The woeful saga of the Baudelaire orphans continues as evil Count Olaf discovers their whereabouts at Esmé Squalor's seventy-one bedroom penthouse and concocts a new plan for stealing their family fortune.

*The Crying of Lot 49* Egmont Books (UK)  
Young Arabel's life is changed forever when her father, a taxi driver, brings home an injured bird he finds in the street. This wacky raven eats everything in sight, answers the telephone by squawking "Nevermore!" and causes chaos wherever he goes--but Arabel loves her new feathered friend, whom she names Mortimer. This is the first volume of Arabel and Mortimer's adventures, brightened with hilarious illustrations by Quentin Blake.

*A Series of Unfortunate Events Box: The Trouble Begins* Atria Books  
Readers incapable of running fast enough to escape Lemony Snicket's A Series of Unfortunate Events can breathe a sigh of relief now that the first six books of the series have been securely contained in a shrink-wrapped box disguised with exquisite Brett Helquist slip case art that will prevent this collection of woe from falling into the wrong hands.
