Set amidst the  
devastation of  
climate  
change and  
global  
pandemics,  
Lost Girl is a

dystopian  
nightmare  
from the  
master of  
horror Adam  
Nevill. How far  
will he go to  
save his  
daughter?  
How far will he  
go to get  
revenge? It's  
2053 and  
climate

change has  
left billions  
homeless and  
starving - easy  
prey for the  
pandemics  
that sweep  
across the  
globe,  
scything  
through the  
refugee  
populations.  
Easy prey,

too, for the violent gangs and people-smugglers who thrive in the crumbling world where 'King Death' reigns supreme. The father's world went to hell two years ago. His four-year-old daughter was snatched from his garden when he should have been watching. The moments before her disappearance play in a perpetual loop in his mind. But the police aren't interested; amidst floods, hurricanes

and global chaos, who cares about one more missing child? Now it's all down to him to find her, him alone . . . *The Wedding Officer* Vintage Definitive novel of the "Lost Generation" focuses on the coming of age of Amory Blaine, a handsome, wealthy Princeton student. Fitzgerald's first novel and an immediate, spectacular success. Note. **Last Days** Penguin UK Following the

"globetrotting supernatural adventure" (Publishers Weekly) of *Damned*, the riveting conclusion to the Crusade trilogy pushes the power of love to its limits. Hope is in short supply, but courage runs deep as the Salamancan hunters recover from a devastating loss. Jenn knows she must rally her team against the Cursed Ones, but her focus is shattered. She's torn between passion for

Antonio, who once fought by her side, and hate for the bloodthirsty vampire he's become. His volatility is tearing apart their team...and Jenn's trust. As the Cursed Ones amass new strength, Team Salamanca must strike together if they hope to survive, let alone defend humanity. Jenn wants to believe Antonio's loyal to their cause—and their love—but she's slowly losing her

heart to Resistance fighter Noah. And if Antonio's not careful, he may just end up with a stake in his. This gripping conclusion to an epic trilogy pairs steamy romance with heart-stopping action, and delivers an ending as dramatic as it is unexpected. An Autobiography of My Appetites Pan Macmillan Some doors are better left closed . . . In Barrington House, an upmarket block in

London, there is an empty apartment. No one goes in, no one comes out. And it has been that way for fifty years. Until the night watchman hears a disturbance after midnight and investigates. What he experiences is enough to change his life forever. A young American woman, Apryl, arrives at Barrington House. She's been left an apartment by her mysterious Great Aunt Lillian who

died in strange circumstances . Rumours claim Lillian was mad. But her diary suggests she was implicated in a horrific and inexplicable event decades ago. Determined to learn something of this eccentric woman, Apryl begins to unravel the hidden story of Barrington House. She discovers that a transforming, evil force still inhabits the building. And the doorway to Apartment

16 is a gateway to something altogether more terrifying . . . Apartment 16 is another gripping novel full of suspense and horror from Adam Nevill, twice winner of the August Derleth award. **Missing Joseph** Penguin Deborah and Simon St. James have taken a holiday in the winter landscape of Lancastershire , hoping to heal the growing rift in their marriage. But

in the barren countryside awaits bleak news: The vicar of Wimsloough, the man they had come to see, is dead—a victim of accidental poisoning. Unsatisfied with the inquest ruling and unsettled by the close association between the investigating constable and the woman who served the deadly meal, Simon calls in his old friend Detective Inspector Thomas Lynley.

Together they uncover dark, complex relationships in this rural village, relationships that bring men and women together with a passion, with grief, or with the intention to kill. Peeling away layer after layer of personal history to reveal the torment of a fugitive spirit, *Missing Joseph* is award-winning author Elizabeth George's greatest achievement. *The Ritual* St.

Martin's Griffin *Last Days* (winner of the British Fantasy Award for Best Horror Novel of the Year) by Adam Nevill is a Blair Witch style novel in which a documentary film-maker undertakes the investigation of a dangerous cult—with creepy consequences. When guerrilla documentary maker, Kyle Freeman, is asked to shoot a film on the notorious cult known as the Temple of the Last Days, it

appears his prayers have been answered. The cult became a worldwide phenomenon in 1975 when there was a massacre including the death of its infamous leader, Sister Katherine. Kyle's brief is to explore the paranormal myths surrounding an organization that became a testament to paranoia, murderous rage, and occult rituals. The shoot's locations take him to the cult's first

temple in London, an abandoned farm in France, and a derelict copper mine in the Arizonan desert where The Temple of the Last Days met its bloody end. But when he interviews those involved in the case, those who haven't broken silence in decades, a series of uncanny events plague the shoots. Troubling out-of-body experiences, nocturnal visitations, the sudden demise of

their interviewees and the discovery of ghastly artifacts in their room make Kyle question what exactly it is the cult managed to awaken – and what is its interest in him?

Catherine's last job ended badly. Corporate bullying at a top TV network saw

her fired and forced to leave London, but she was determined to get her life back. A new job and a few therapists later, things look much brighter. Especially when a challenging new project presents itself — to catalogue the late M. H. Mason's wildly eccentric cache of antique dolls and puppets. Rarest of all, she'll get to examine his elaborate displays of posed, costumed and

preserved animals, depicting bloody scenes from the Great War. Catherine can't believe her luck when Mason's elderly niece invites her to stay at Red House itself, where she maintains the collection until his niece exposes her to the dark message behind her uncle's "Art." Catherine tries to concentrate on the job, but Mason's damaged visions begin to raise dark shadows from her own past.

Shadows she'd hoped therapy had finally erased. Soon the barriers between reality, sanity and memory start to merge and some truths seem too terrible to be real... in *The House of Small Shadows* by Adam Nevill. *Just One Evil Act* Pan Macmillan An anthology of more than 80 short horror tales spans more than a century of writing, from the Victorian and Edwardian gothic works

of Kipling and Saki, to the pulp era's shock tales by August Derleth and Henry S. Whitehead, to modern pieces by Joyce Carol Oates and Donald E. Westlake. Original. 17,500 first printing. *The House of Small Shadows* Penguin Dark Back of Time is a compelling story of the way in which reality blurs into fiction by Javier Marías, whose highly-anticipated new novel *The Infatuations* is

published in 2013. It is translated by Esther Allen in Penguin Modern Classics. 'We lose everything because everything remains except us', says the mysterious narrator of this extraordinary novel, which meditates on the transience, chance and fragility of life. As a man called Javier Marías recalls the strange events and people that shaped his past, including

ghostly literary figures, a pilot, an adventurer, a brother who died as a child and the king of an island in the Caribbean, we begin to question the nature of time, memory and reality itself. Here the writer is both a keeper of memories and a purveyor of illusions, destined to be lost in the dark back of time. Javier Marías was born in Madrid in 1951. He has published ten novels, two collections of

short stories and several volumes of essays. His work has been translated into thirty-two languages and won a dazzling array of international literary awards, including the prestigious Dublin IMPAC award for A Heart So White. He is also a highly practised translator into Spanish of English authors, including Joseph Conrad, Robert Louis Stevenson, Sir Thomas Browne and

Laurence Sterne. 'I was enthralled by his strange mix of made-up memories, lost experiences and real-life fantasies' Marina Warner, Guardian 'He uses language like an anatomist uses a scalpel to lay bare the innermost secrets of that strangest of species, the human being' W. *A Banquet of Consequences*

Simon and Schuster  
 An isolated beach on the island of Guernsey in the English Channel is the scene of the murder of Guy Brouard, one of Guernsey’s wealthiest inhabitants and its main benefactor. Forced as a child to flee the Nazis in Paris, Brouard was engaged in his latest project when he died: a museum in honor of those who resisted the German occupation of the island during World War II. It is

from this period of time that his murderer may well have come. But there are others on Guernsey with reason to want Guy Brouard dead: his wives, his business associates, his current mistress, the underprivileged teenagers he mentored—any of whom might have harbored a secret motive for murder. As family and friends gather for the reading of the will, Deborah and Simon St.

James find that seemingly everyone on the history-haunted island has something to hide. And behind all the lies and alibis, a killer is lurking. In order to bring this person to justice, the St. James must delve into Guernsey's dark history—both past and present—and into the troubled psyche of someone who may have exacted retribution for the most unspeakable crime of all. In

A Place of Hiding, bestselling novelist Elizabeth George marks new territory in the darker landscapes of human relationships. She tells a gripping, suspenseful story of betrayal and devotion, war and remembrance, love and loss...and the higher truths to which we must all ultimately answer. Brush Back Grove/Atlantic, Inc.  Samantha

Nutt, a recent medical-school graduate and a field volunteer for UNICEF, touched down in Baidoa, Somalia, the "City of Death." What she saw there would spur her on to a lifetime of passionate advocacy for children and families in war-torn areas around the world. Damned Nations is the brilliant distillation of Dr. Nutt's observations

over the course of fifteen years providing hands-on care in some of the world's most violent flashpoints, all the while building the world class non-profit War Child North America. Combining original research with her personal story, it is a deeply thoughtful meditation on war as it is being waged around the world against millions of

civilians -- primarily women and children. Nutt's boundless energy, dedication, and compassion shine through on every page as she lays out real, lasting solutions to these problems and shows how to move beyond outdated notions of charity towards a more progressive, inclusive, and respectful world view.
