Oil and Gas Contracts in a Nutshell West Academic Publishing
Essential revision tool: they provide a concise outline of the principles for each of the major subject areas within undergraduate law. Written in clear, straight-forward language, the authors explain the principles, and highlight key cases and legislative provisions for each subject.

The Law of Contracts in a Nutshell Lawbook Company
Utilizing topical practical examples throughout, this volume provides a detailed account of contract law, explaining the fundamental principles and how the law operates in practice. It focuses on UK common

law, but covers relevant EU law and makes comparisons with other common law jurisdictions.

Sales and Leases of Goods in a Nutshell

West Academic Publishing
This Nutshell provides a comprehensive guide to the law of contracts. It contains detailed explanations of contract concepts under both the common law and Article 2 of the Uniform Commercial Code, as well as the basics of restitution law. It also provides an extensive introduction to contracts in the digital age.

Contracts in a Nutshell West Academic Publishing
Explains the fundamentals of negotiable instruments-

promissory notes, drafts, checks, and certificates of deposit. Provides an overview of Article 3's requisites of negotiability. Reviews contract liability, secondary liability conditions, and discharge liability. Covers instruments of property, including enforcement, transfer, and negotiation. Discusses warranty, restitution, claims, defenses to instruments, holder in due course, and check collection process. Examines the customer/payor bank relationship and risk allocation.

Contracts in a Nutshell
 Knowing about the
 United Nations
 Convention on
 Contracts for the
 International Sale of
 Goods (CISG) means to
 know about the law
 relating to international

import/export
 contracts applicable to
 more than 3/4 of world
 trade. This book
 provides a valuable
 guide to the
 understanding of both
 the fundamentals of
 that law and how it is
 interpreted in various
 countries, thus making
 it a helpful tool not
 only for students but
 also for practitioners.
