Unlocking The Insight Of Jesus Christ: The Entire Book Of Revelation WND Books

The Holy Scriptures predict end-time catastrophes and global upheaval as foretold in the mysterious scrolls of Daniel and Revelation, and confirmed by Jesus in the Gospel accounts.

However, believers through the centuries have wondered, why has there been such a long protracted delay in Messiah's return? How close are we to the appointed time written about by the Hebrew prophets? Are we the last generation? And, how will all the ancient last-day prophecies play out in our modern world? Some of these questions have recently been answered by looking at the prophecies with a set of new eyes. For example, it's commonly taught that

Daniel's visions relate mainly to kings, wars and events of history past; therefore, the book has little relevance to modern times. However, the overlapping similarities between Daniel's visions and time periods and the events and timelines in the book of Revelation clearly show they are related. So, by uniting the prophecies of these two books into one, a bold new understanding has been unleashed of just how human history, as we know it, will come to an abrupt end. The prophetic

time periods of the two books (490 days; 1,150 days; 1,260 days; 1,290 days and 1,335 days) were first aligned into a chronological chart in 1990, and two years later it was discovered the chart lined up between the Biblical/Jewish Festivals in what is now referred to as The Kingdom Calendar. If accurate, the “appointed times and seasons” counting periods that lead to the end of the age will begin at Purim with a disastrous Jerusalem event that will stop daily

worship at the Western Wall and Temple Mount, and the daily counting will continue for over three and one-half years of global turmoil—ending at the Great Tribulation and Armageddon confrontation. The Insights in Prophecy 30 lesson guides will take you step by step through the books of Daniel and Revelation, showing how they relate to one another, and offering you a fresh new perspective on the previously sealed oracles... for “Surely the Sovereign LORD does

nothing without revealing His plan to His servants the prophets," (Amos 3:7). You'll discover thought-provoking questions, along with Biblical answers and commentary on the various aspects of God's unfolding plan for the last days leading up to Messiah's return and His Eternal Jubilee.

You may have heard that one third of the bible is made up of prophecy. But, after reading this book, you will have no doubt the bible is one hundred percent prophecy. What if you could learn how all the events described in the Bible—from the Old Testament to the New Testament—were actually

telling us about God's plan for the future? God's Timeline for Mankind will forever change the way you view the events in the Bible. Author Dwain Huntington first looks into the lives of the Hebrews in the Old Testament, to show you how their stories are repeating themselves today in modern Israel. Then you will be taken on a journey through the ages, exploring the way events in the heavens repeated themselves on the earth. Ultimately, you will learn about how the fall of

mankind has been met with God's grace and his restoring powers of redemption. What has happened before will happen again—and God shows us this pattern in his prophetic word. God's Timeline for Mankind gives us great insights into just how these events will affect the lives of those living during what will be the most difficult time this earth will ever see.

Interpreting the Book of Revelation G. Carlton & M. Mineer

We live in spiritually-confusing, difficult times. It is getting harder every year to be faithful followers of Christ and the church he established. When those in authority support popular trends that go against firmly-rooted teachings, where do we turn for answers? It is hard to find solid teaching in a world where grey is the preferred color. Will we know with certainty if we are living in the last days? Will the majority of the world who live during the end times even recognize that there

is anything wrong? Ultimately, the truth will lie just underneath the surface of world events, being only visible to those who earnestly search for it. Fortunately, God has not left those who long for the truth without the means of finding it. Many of those answers were prophetically handed down to St. John and then passed on to us in the book of Revelation. This

condensed, but thorough, verse-by-verse scriptural analysis brings vivid clarity to the ancient prophecies of St. John. It offers solid answers to hard questions, such as: Who is the Antichrist? Will the church have to suffer through the great tribulation? What are the signs that precede Jesus' return? What role will the pope play in the last days? Although countless

books have been written about the Apocalypse, this devotional commentary is truly unique. It successfully unlocks the hidden structure of the book of Revelation while providing an ancient, yet fresh, perspective on its meaning. It will also help you prepare for Jesus' return and answer the most difficult questions you have always had about the end times.
