## **BROOKLYN REILLY**

### **Financial Management** Henry Holt

The market leader, Brigham/Houston continues to grow in reputation as the most effective approach for learning basic finance principles, tools, and applications. It is also updated to reflect the latest in theory, research, real-world examples, and use of technology.

### **Study Guide - Financial Management** Atlantic Publishers & Distri

The only text to strike a balance between solid financial theory and practical applications, Brigham/Ehrhardt's FINANCIAL MANAGEMENT: THEORY AND PRACTICE, 14e gives you a thorough understanding of the essential concepts you need to develop and implement effective financial strategies. The book begins with a presentation of corporate finance fundamentals before progressing to discussions of specific techniques used to maximize the value of a firm. It also explores the recent financial and economic crises and the role of finance in the business world. With its relevant and engaging presentation, numerous examples, and emphasis on Excel usage, this text serves as a complete reference tool for you in your academic or business career. Each new copy of Brigham/Ehrhardt's FINANCIAL MANAGEMENT: THEORY AND PRACTICE, 14e includes Thomson ONE Business School Edition, which gives you access to the same Thomson Reuters Financial database that business professionals use every day. It is also packed with additional learning solutions to help you to become First in Finance. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **Kit Fundamental Financial Management** South Western Educational Publishing

This popular, shorter version of Brigham's market leading Fundamentals text again offers students the core topics of financial management at the same detail and depth of coverage as the corresponding topics in the full-size text, but in a two-color format at a lower price.

### **Financial Management EMEA Adaptation** South Western Educational Publishing

Emphasizing corporate valuation and its relevance to financial decisions, Brigham/Ehrhardt's FINANCIAL MANAGEMENT: THEORY AND PRACTICE, 16th edition, ensures you see the forest and the trees. This proven author team equips you with a thorough understanding of key theoretical concepts along with practical tools to make effective financial decisions. Topics expand from fundamentals to strategic finance, linking recent events to the role of finance in business as well as your personal life. Completely up to date, it integrates the 2017 Tax Cut and Jobs Act throughout. With its relevant and engaging presentation, numerous examples and current coverage, FINANCIAL MANAGEMENT delivers a comprehensive resource that helps you become First in Finance. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **Fundamentals of Financial Management** Cengage Learning

Earn the grade you want in your course with the help of this invaluable tool written by the text authors to ensure it is fully consistent with the main text. This Study Guide thoroughly outlines each chapter section and contains definitional and conceptual Self-Test Questions as well as Self-Test Problems with fully worked-out solutions.

### **Contemporary Financial Management** Cengage AU

The eighth edition of this successful text provides a comprehensive and contemporary introduction to financial management, focusing on shareholder wealth maximization and cash flow management, the international aspects of financial management, the ethical behavior of managers, and the increased impact of the Internet in business practice. In addition, content has been added or enhanced to reflect the changing focus on finance areas including topics such as discounted payback period, dividend practices of foreign firms, risk management, and real options.

### **Fundamentals of Financial Management** Cengage Learning

Trust the market-leading author team that has set the standard for quality, reliability, accuracy, and innovation edition after edition to help you put your students on the forefront of understanding today's corporate finance and financial management. This new edition is First in Finance with a unique, proven, compact approach to teaching introductory finance principles that offers a unique balance of clear concepts, contemporary theory, and practical applications. Because the goal of financial management is to maximize a firm's value, this new Concise Edition emphasizes the concept of valuation throughout, covering Time Value of Money (TVM) early to allow students time to absorb the concepts fully. The book's strong, focused foundation in the basics makes it easier for students to understand the how and why of corporate budgeting, financing, and working capital decision making. Throughout this edition, the authors emphasize an understanding of applications using numerous real-world examples, proven end-of-chapter application problems, and Integrated Cases that present chapter topics in actual life scenarios and demonstrate theory in action. Excel Spreadsheet Models ensure students can maximize today's technology. The seamless, integrated package prepared by the text authors--a hallmark strength of the book--continues to offer comprehensive tools to reduce preparation time and further your students' understanding. The sixth edition includes Thomson One Business School Edition, the same financial online database professionals use every day. In addition, Aplia's Preparing for Finance, a leading homework solution tool which includes tutorials, interactive assignments and news analyses, accompanies this text to help students get the practice needed to learn the subject. Trust the strengths in Brigham/Houston's marketing-leading FUNDAMENTALS OF FINANCIAL MANAGEMENT, CONCISE EDITION, Sixth Edition, to put you First in Finance today. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

### **Essentials of Managerial Finance** South Western Educational Publishing

Earn the grade you want in your course with the help of this valuable tool. ### **Financial Management** Cengage Learning

This text's straightforward manner helps make concepts accessible to finance students. It is intended for the introductory finance course required of all business majors, usually called Corporate Finance. Features: \* Clear, uncomplicated practitioner's approach, organized in the balance sheet format, gives students a real-world corporate perspective, and minimizes use of complicated theory.

\* Chapter 3 on federal monetary policy and banks provides students with a foundation for understanding interest rates. \* Format for self-test questions and problems allows students to work more problems in less time. \* Many up-to-date real world examples show students the relevance of topics under study. New to this edition: \* New four-colour design \* New author Bodie Dickerson brings new material from more than 12 years of teaching experiences with thousands of students at Oregon State. \* Unique, stand-alone Lotus-based mini-cases which appear at the end of five chapters (6,7,9,14,16) allow students to build their own models without templates. As a result, they learn the entire process. Software has been class-tested for the past eight years in Dickerson's classes. \* Many new problems have been
