Submission can be described by a lot of words but "easy" isn't one of them. Discovering and honoring your desire to submit takes courage, strength and passion. Learning to follow the lead and rhythm set by another, and stretching your limits to accommodate training and service can challenge and exhaust you. The discipline to hold your tongue, retrieve your paddle, or wait around endlessly while knot after knot is being tied as part of a bondage ritual drains your energy. Submission stretches, taxes, pushes, and exposes your body and soul to the whim and desire of another. Submissive women need support, care and nurture to continue on this journey in a healthy fashion. "Care and Nurture for the Submissive" offers tips, understandings, and pathways to tend the fragile and beautiful souls of submissive women. Self-care is not selfish; it is essential. Only when you are taking care of yourself as a healthy, whole being can you give that self to another with a full heart and free joy.

Queering Mennonite Literature Salacious Stories

Grace is in control at the office. Grace is in control at home. Grace is in control of herself. Grace hates it. Grace needs release and she's ashamed of it. Her only outlet has been escaping incognito to BDSM clubs where she submits to the sadistic desires of dominant men. That used to be enough until one of these men she's had a clandestine liaison with shows up at her place of work, as a newly hired employee. He knows her secret, but what is he going to do with it? I believe BDSM is about exploring those areas of ourselves that can be shameful. I want to find them, use them, be aroused by them, and ultimately conquer them. That's what this story is about.

Erica Belladonna was young, beautiful and smart. She had dated Garth Johanson a few times; she rather liked him and enjoyed being around him, yet she was taking things slow in their physical relationship. When, after a very romantic evening, Garth told Erica he was deeply attracted to her and wanted to have sex with her, she refused, explaining that she just wasn't ready. Garth remained firm in his desire to have sex with her and explained that he expected her to respect his needs and to take care of them. Erica knew he was a take-charge kind of man. Deep down, she liked that about him. She gave in to his desire for sex and after enjoying two awesome orgasms, those reservations evaporated like the morning dew on a hot day. Garth took advantage of her small surrender to him. Starting the next day, he capitalized on her love for him, leading her down the path of submission and surrender, of out-of-this-world orgasms that made her long for more. Soon Erica came to realize that she was not just a conquest. She was his possession, his cherished possession. Deep inside, she liked how that felt even though she didn't know why. She simply knew that she didn't want to lose him. Garth wanted even more than just to possess her. He wanted her full surrender to him. He would not stop until she willingly gave him everything she had—her body, her mind and spirit. And he was prepared to stop at nothing to get it.

"The other day my girlfriend pushed me down and looked me in the eye. 'I'm going to make you cry,' she said. She began to hit me in earnest, and made me count the blows." Why would we ever want someone we love to hurt us? Why would we ever want to hurt someone we love? And why do some of us crave it? "Later, as I sobbed and she held me, I felt the therapy of that release: the effect of dealing with PTSD and trauma with pain that I can end any time by saying my safe word. Pain that comes from someone who I know is doing it for both of our pleasure, and not out of a desire to actually hurt me." Julie brown, a queer trans woman, shared this anecdote with me after responding

to my call for personal stories about BDSM. Over the past week, I've conducted interviews with a dozen members of the BDSM and kink community, ranging across identities, age, gender, and location. By now, the general mechanics of BDSM are familiar to anyone who's had even a passing encounter with *Fifty Shades of Grey*—the whips, crops, and handcuffs all recognizable accoutrement of kinky sex—but I was interested in exploring the personal, psychological side. BDSM is an acronym with several constituent parts: bondage and discipline, dominance/submission, sadism and masochism. Collectively, these behaviors might be referred to as aspects of kink, a term which covers the broad expanse of non-normative sexuality. It includes BDSM; it can also encompass things like watersports and various fetishes, like latex or balloons. I use "we" when referring to this community because I find myself a member of it, though, like any imagined community, membership is as much self-designated as it is given. I'm interested in BDSM. In particular, I like submission. I've explored rope bondage, been to play parties, and incorporated it into many of my romantic and sexual relationships. For Julie, the appeal lies in how it allows her to access pain while being in full control of that pain—she can end it at any time with her safe word. BDSM allows her to process complex, traumatic experiences in a way that's safe and consensual. Her story resonated with my own experiences with BDSM, too: trusting a beloved partner to give me what I need, while knowing that I'm in full control of the situation, is exhilarating. Is that feeling universal? If you've ever fantasized about getting kinky in the bedroom, you're not alone. The runaway success of E. L. James's novel *Fifty Shades of Grey*—more than 100 million copies sold—not to mention the sales of other books in the series and the movies it's generated, prove that interest in BDSM—bondage and discipline, dominance and submission, and sadism and masochism—is anything but rare. "It's very out in the culture right now, but it's not fully out of the shadows yet," says Gentile. "People are still embarrassed to talk about sex. What they discover when they dive a little deeper into it is that in BDSM you actually get to talk about what you like, what you're curious about, and what is a definite 'No.' It's clear, overt, and collaborative and that can feel delightful. And if you like it, if you have control over what happens, it's all good fun." Wait! Why waste your time with my long talk, when you can dive in rightaway? **CLICK THE BUY BUTTON NOW!! God is calling his people to fulfill his will and walk in the power of his word, and if we are willing to respond then we must embrace submission. The very word and concept of submission has been tainted to the point that many despise and scorn it. In this book you will discover that submission is not to be rejected, it is power. Power to change your life, marriage, family, job, community, and ministry. But more than anything, it will change your relationship with God. Each chapter will offer revelation, inspiration, motivation, and testimonies of real life struggles and victories. If you only read a few books this year, make sure one of them is *The Power of Submission*. In this book, submission is given physical expression by the woman. Nonetheless, its message is for men, leaders, or anyone who desire a more committed and powerful walk with God. If you need a fresh Word, a wake up call in your spirit, or passion to push to the finish line, then pick up this book and prepare to be inspired by the power of submission!

UNVEILED The Secret Submissive Within Taylor & Francis

"Yes, Sir." Two simple words changed my life. One night. Complete surrender. Total submission. That was supposed to be it, but there's one complication, I'm pregnant, and he has no idea. JayceShe was like a bird with a broken wing... something small and delicate that wandered into my club, completely out of place and completely beautiful. One look and I knew I had to have her. I wanted to make her mine, to protect her, to claim her. All these years and I have never taken a submissive, but that's about to change. I'll teach her how sweet surrender can taste, and I'll show her how a real

man treats a woman. She'll learn that she'll never feel as free or alive as when she's cuffed and bound, completely at my mercy. Myliel'd sworn off dominant men, locked away my need for submission. I'd given my trust to one too many men who abused it, and all I wanted was to move on. To heal. But one look at Jayce and I knew I'd never met a true dominant before. He radiated power and command. He carried the promise of something better--something real. For just one night, I gave him what I thought I'd never give again: my submission. I let him take me and dominate me. I let him shatter my world with the heat of his body and the brush of his lips on my ear as he whispered the words that were my undoing. "You're mine, princess." But he bound me in more ways than one that night. I'm pregnant, and he has no idea. *As always, this is a totally SAFE, full length standalone book with a happily ever after, no cheating, and plenty of steam. Bonus content included.*

Forbidden fantasies come to life in three adult tales: "Forbidden Surrender," "Wicked Surrender," and "Sweet Surrender" by the "New York Times"-bestselling author of "Shadow Magic."

Dom's Guide to BdsM Accent Press Ltd

Discover an electrifying world where control reigns supreme, desires run wild, and surrender is the sweetest victory. This sizzling collection of lesbian BDSM tales invites you to explore the darker side of passion and power with five heart-racing stories. Each book promises to captivate your senses and leave you breathless. 1. Landlord's Submissive Cara's financial woes lead her into the arms of Marissa, her commanding landlord. A provocative pact turns into a whirlwind of desire and domination, where each command stirs deep cravings, and every act of submission is a delicious defeat. Will their intense connection withstand the test of emotions? 2. House Sitter's Bondage When Megan, the obedient house sitter, discovers her employer's collection of BDSM toys, her life takes a thrilling turn. Bound, gagged, and disciplined, Megan learns the exquisite nature of total surrender under the strict control of her domineering mistress. 3. My Neighbor's Bondage Jennifer's curiosity about bondage becomes a palpable reality when her neighbor introduces her to a world of cuffs, blindfolds, and complete submission. Caught in the thrill of her deepest fantasies, Jennifer embraces her new role with an eager heart and a responsive body. 4. Step-Mother's Dungeon Jade's graduation gift from her ultra-rich step-mother, Madeline, turns into a gateway to forbidden pleasures. In a secret mountain chalet dungeon, Jade and her friend Amy are initiated into a realm of leather, straps, and unspoken promises. 5. Maid's Submission Hired for a seemingly simple job, a young woman finds herself in a lavish mansion, slipping into a revealing maid's uniform with no undergarments allowed. Under the stern supervision of the lady of the house, she embarks on an unexpected journey of erotic service and strict discipline. Are you ready to lose yourself in these tales of bondage, submission, and the enthralling power dynamics of female dominance? Click, download, and buy the "Domestic Dominance 5 Book Bundle" now! What is 'Female Leadership'? It's accepting that 'She knows best' in all matters. From the finances to the household to how best to accomplish long-term goals. It's trusting in Her judgement to run things and embracing 'Her way'. This doesn't make the man weak, just the opposite, because men are the best at 'getting things done' when the task is clearly defined but difficult to do. A Female Dominant Household plays to both side's strengths and minimizes weaknesses, leading to Female empowerment, greater satisfaction in the relationship, trust, bonding and yes, mind-blowing sex. Surrender, Submit, Serve Her seeks to help implement your Female Led household through tools like the Command and Conquer meeting (commanding and conquering tasks and roadblocks, not people), laying out the contract of servitude (clearly defining her dominion and removing unnecessary confusion) and crafting your own pledge that personalizes and empowers the act of his submission. Surrender, Submit, Serve Her has been nominated for the BDSM Writers Con 2017 Golden Flogger Awards for BEST BDSM Book of the Year in the Non-fiction category. Updated for 2018! Better formatting and new content.

In a world of socially enforced liberation and independence the sexually submissive woman often feels maligned and misunderstood because of her brand of sexuality. While much attention has been given to what sexually submissive men need from dominant women, the sexually submissive woman's needs have been overlooked. Written by a sex worker with experience of both sides of the coin, readers are guided on their way to feeling more comfortable in their sexual skin, secure in the knowledge that many other women share their submissive fantasies.

Eager to understand her secret desires, Gabrielle enters "The Sanctuary." Inside she's immediately torn between fear of the unknown and a craving to learn more, until the lights dim. From the first sound of Thomas' calm and controlled voice, she is mesmerized. With an underlying need in her emotional spirit that requires more than sex, she is easily seduced into a world of dominance and submission under false pretenses. For Thomas, an experienced Master, Gabrielle is an interesting mix of defiant, naive and submissive. Her sharp mind and wit appeal to him as much as the curves of her lush figure. He accepts the challenge to help train her despite the danger she represents. Long term anything for him is out of the question. If he does his job right, his protégé David will end up the perfect Dom for her and Thomas will move on with his armor intact. Their journey puts Gabrielle at the mercy of two men who teach her how to embrace her darkest needs within a tight bond of trust. Unfortunately, betrayal lurks on the path to total surrender.

Rachel Porter's dreams of being dominated are finally about to come true. But can she live up to the demands of a real-life Dom? Rachel Porter is feisty, independent and horny. Her libido is taunting her with erotic dreams of being tethered and spanked by a gorgeous, dominant man and, as a result, she decides to pursue her fledgling interest in BDSM after her trusted Rabbit gives up on her. When she unexpectedly bumps into her sexy but demanding boss, Adam Stone, at Boundaries, an exclusive BDSM club, it seems all her dreams are about to come true. Adam is a strict and challenging Dom and it's not long before he has Rachel kneeling at his feet, right where she wants to be. Rachel soon comes to crave Adam's firm discipline, but when she becomes too flippant and deliberately provokes a spanking, she finds out that a real punishment is not as pleasurable as an erotic one. Nevertheless, her complete surrender during these punishments takes her to new heights she never thought possible. But Rachel also learns that one of the most important aspects of a BDSM relationship is trust, and that's the one thing she doesn't have. After a lifetime of betrayal, she's not about to risk losing her heart again. To make matters worse, when she learns that Adam's ex-wife was, in fact, his slave, she realizes that she might have to give up more than she'd bargained for if she's to remain his submissive.
