You know the battle is raging--but are you
 fighting the right enemy? Just as enemies
 fought Joshua in the Promised Land, and
 Nehemiah faced opposition as he rebuilt
 the walls of Jerusalem, our enemy will fight
 us as we approach the spiritual terrain
 God has promised us. Most Christians
 retreat at the first sign of conflict because
 they fail to recognize the true nature of
 the battle. But you can prevail in freedom
 and joy. Sharing his deeply personal story
 of demonic bondage, torment and ultimate
 deliverance, pastor and bestselling author
 Kris Vallotton turns the idea of spiritual
 warfare as we know it on its head. He
 reveals the diabolical lies and strategies of
 the enemy--attacks and traps so subtle
 and deceptive that we may find our souls

and hearts imprisoned without even knowing it. No more! Now you can win the invisible battle against sin and the enemy. Victory is within your grasp. Will you take hold? "It is with great excitement that I recommend this book to you, knowing that fruit will increase until Jesus gets His full reward."--Bill Johnson, author, *When Heaven Invades Earth* and *The Essential Guide to Healing*, senior pastor, Bethel Church, Redding, California

This book was birthed from the author's

encounter with a student while lecturing on Spiritual Warfare at Bible School in Japan. The student was a Buddhist and had never been to church, she had never read the Bible or any book about God. During this encounter, the author explained to the student that if she was to know anything about God or to decide if God is better than Buddha, she would need to read the Bible to know who God is. The student agreed to this line of reasoning and promised to read the Bible. As a result of this encounter along with other reasons, the Holy Spirit impressed upon the author to put together a Deliverance Workbook to help create an awareness and enlighten the upcoming generation on the important subject matter of deliverance. The book explains all the major aspects of deliverance and is strongly recommended to all Churches, Ministries, Ministers of God, Prayer Band/Intercessory Groups, Prayer Ministries, Bible Schools, Seminaries, and all other Christian organizations worldwide. The book address such topics as: "What is Deliverance?", "Satanic Kingdoms", "Can A Christian Have Demons?", "Satanic Initiations", and much more. To reject the teachings on deliverance is sheer ignorance. It is time to rise up and build a militant army, to join hands with Jesus Christ in destroying the works of Satan (1 John 3: 8).

Being a Christian is not a guarantee that you will receive all your heart desires. For you to control your physical environment, you have to win your Spiritual Warfare. Unfortunately, very many people neither know what Spiritual Warfare really means nor how to wage the war. Some even call it 'warfare prayers'. Though prayer is very important, it has nothing to do with Spiritual Warfare. This explains why many pray so much and still experience lack. If Spiritual Warfare were about prayers, you probably wouldn't have any of your needs unmet - because I believe you must have prayed very hard. If Spiritual Warfare is not about prayers, what then does it mean? This book contains a shocking revelation of the actual meaning of Spiritual Warfare and how to wage the war successfully. The Jesus Movement revival of the 1960s and 1970s saw deliverance ministries develop where evil spirits were discerned and cast out of suffering individuals. However, some in the Body of Christ questioned its validity believing the gifts had ceased with the death of the Apostle John and deliverance ministries faded into oblivion. However, because signs of the closing days of earths history are clear and spiritual warfare is intensifying learning its strategies is crucial for Christian growth. Thankfully there are also signs of re-emergence of the ministry of deliverance today in the 21st Century. This book outlines its principles.

Prepare for War The Battle Cry Christian Ministries

As the war against Satan and his agents rages on, he has developed new methods of resistance. The devil and his evil forces now blend into the natural features of the environment, the art, culture and into different aspects of society's life; making it more difficult for the church to spot him and root him out. Knowledge now becomes a decisive factor in spiritual warfare! The Bible shows clearly that the people of God are either in captivity or destroyed for lack of knowledge (please see Isaiah 5:13 and Hosea 4:6). This book teaches the modern and advanced spiritual warfare strategies of Spiritual Geography, Spiritual Mapping, Prophetic Prayers, Prophetic Action, etc. However the author recognizes that it is the believer that is largely delivered that can deliver people and places while applying these principles. This book therefore offers deliverance to the would-be deliverer; showing how to identify and deal with family and environmental curses, etc. This book has been selected as a Bible School textbook and is blessing people in different nations in five continents of the world. You must read it and begin to wage war with knowledge!!!

Handbook for Spiritual Warfare/Revised Independently Published

Are you aware of the spiritual battle being waged around you today? The truth is that although spiritual warfare is a major theme in the Bible, many of us gloss over it--or ignore it completely. But 80 percent of the synoptic gospels addresses the battle with evil spirits, and Jesus and His disciples set a clear example for believers. We cannot afford to practice a powerless Christianity in a fallen world. In this essential, accessible resource, former evangelical seminary professor and missionary Charles Kraft helps you find your footing in the spiritual battle. Based on a solid biblical foundation and on decades of ministry experience, this book will help you:

- Differentiate between myths and truths about spiritual warfare
- Recognize the everyday battles taking place around you
- Learn what demons really are and what they actually do
- Understand the rules for engaging the enemy
- Achieve victory in daily battles with the help of the Holy Spirit

Don't let fear keep you from engaging the spiritual forces at work around you. Some problems can't be overcome in any other way. "This book is a must-read for anyone looking to engage in spiritual warfare." --Larry Richards, author of *The Full Armor of God*

"Dr. Kraft has removed the veil of mystery that has surrounded deliverance ministry for far too long. With truth and honesty, he has opened the door to the evangelical community and given us the tools to set the captives free."--Tim Howard, president and founder, Wellsprings of Freedom International

"For more than thirty years now, Dr. Charles Kraft has been studying and writing about spiritual warfare. In this latest book, Dr. Kraft summarizes his findings and shares from his years of experience his approach to inner healing and deliverance ministries. This book needs to be read by every student studying spiritual formation, by every missiologist engaged in missionary activities and by every pastor and church

worker committed to making healthy disciples of the Lord Jesus Christ."--Douglas Hayward, department chair, Graduate Intercultural Studies, Cook School of Intercultural Studies, Biola University

"Personally awakened to the spiritual nature of our Christian faith, Charles Kraft calls us to wake up as well. This book is a must-read for any who seek to understand God's work in the world today from the vantage point of an evangelical who daily engages in spiritual warfare."--Scott Moreau, professor of intercultural studies, Wheaton College Graduate School

"Most Christians are blind to the spiritual realities around us. This book pulls back the veil into the unseen world, where there is a battle. This book will quickly become a classic. Charles is steeped in wisdom in the area of spiritual warfare and has dedicated his life to bringing restoration to the church."--Judith MacNutt, M.A., president and co-founder, Christian Healing Ministries

"Charles Kraft has taken a topic that is still controversial among some in the body of Christ--spiritual warfare--and boiled it down to something we can all agree on: There is an enemy countering expressions of God's love in the lives of believers and lost souls alike that we must combat."--Jennifer LeClaire, senior editor at Charisma magazine and director of Awakening House of Prayer in Fort Lauderdale

"Again, Chuck Kraft has reminded us that 'we are at war with a cruel enemy.' This guide to the warfare reflects Dr. Kraft's passion for God's people to experience the full measure of the Father's love. His writing is grace-filled, balanced, thoughtful and practical."--John Shultz, Ph.D., president, Ashland Theological Seminary

Warfare Prayer provides a toolbox and an operator's manual for those who take seriously the Apostle Paul's statement that we wrestle not against flesh and blood but against principalities and powers. The demonic world around us is a reality, but all too few believers understand that realm of darkness to say nothing of having the skills to use effectively the weapons of warfare that God has given us. Based on a combination of sound biblical theology and real life experiences, this book is a user-friendly guide for those committed enough to join the army of God.

"Spiritual Warfare," the sequel to Stella Davis's first book, "Giving God the Praise," provides teachings on spiritual warfare for both priests and laity through the recounting of Davis's own experiences in ministry and those of her team. As a veteran missionary herself, Davis believed that various texts she had read available to the public and to priests did not treat spiritual warfare in the depth required, especially at a time when evil has so increased, and the need to know how to combat it is so great. Extraordinary supernatural phenomena have become more common in our day and cannot escape our attention. Even those who consider themselves "enlightened," who maintain that the power of nature is unlimited, are put on their mettle by the undeniable facts of the preternatural. Intrigues of Satan are as active today as they were when God first called Davis to ministry. Hence, "Spiritual Warfare" attempts to address the need to deal with these occurrences, offering a call to repentance, healing, deliverance, and action.
