HALLIE ADRIEL

The Coffinmaker's Garden
HarperCollins

How far would you go to bury the truth? While searching for a missing hill walker, Glencoe Mountain Rescue Team uncovers a body - just not the one they were looking for. Still dealing with the fallout from their last case, DCI Jack Logan and his team venture south from Inverness to investigate a brutal, gangland-style execution in the wilds of the Highland countryside. As the victim's dark secrets are gradually revealed, Jack uncovers the rot lurking beneath the stunning scenery, making himself the target of a criminal more dangerous than any he has faced before. If he isn't careful, it won't just be a murder he's dealing with in Glencoe. It'll be a massacre. 'Blood and Treachery' is the fourth book by number one Amazon bestselling

author, JD Kirk, and perfect for fans of Tartan Noir.

Blind Eye HarperCollins UK

Introducing a truly unforgettable and original new detective, D.S. Lucy McVeigh. The stunning new crime novel from number one Sunday Times bestselling author Stuart MacBride, his first with new publishers Transworld. Introducing an original and intriguing new lead character, Stuart MacBride's new novel showcases a crime-writing master at the top of his game. 'We are each our own devil, and we make this world our hell.' It's been seventeen months since the Bloodsmith butchered his first victim and Operation Maypole is still no nearer catching him. The media is whipping up a storm, the top brass are demanding results, but the investigation is sinking fast. Now isn't the time to get distracted with other cases, but Detective Sergeant Lucy McVeigh doesn't have much choice. When Benedict Strachan was just eleven, he hunted down and killed

a homeless man. No one's ever figured out why Benedict did it, but now, after sixteen years, he's back on the streets again - battered, frightened, convinced a shadowy 'They' are out to get him, and begging Lucy for help. It sounds like paranoia, but what if he's right? What if he really is caught up in something bigger and darker than Lucy's ever dealt with before? What if the Bloodsmith isn't the only monster out there? And what's going to happen when Lucy goes after them? Praise for Stuart MacBride- 'A brutal, visceral read, laced with the blackest of humour and travelling to some very dark places' Guardian 'A magnetic mix of creepy places, dark humour, horror and violence' Sun
